HAMBURG, IOWA

Use This SPRING 1959 CATALOG from America's Largest Direct-to-You Nurseries
To Help Make Your Home More Beautiful, More Fruitful

ROSE OF THE YEAR!

C 234 STARFIRE (P.A.F.)—Winner of the All America Rose Selections Award, this exciting new grandiflora is the Rose of the Year for 1959. Well worthy of this great honor as it proudly holds its brilliant currant-red flowers on tall strong stems, singly or in clusters, fine for cutting. And it blooms profusely all season, from late spring until freezing weather in the fall. You will be thrilled by the captivating urn-shaped buds, the distinctive waved flowers with each petal possessing a unique luminous velvety appearance. And it makes strong, vigorous plants with healthy luxuriant foliage. Starfire will be outstanding in any garden. Be sure to add it to yours this spring. *Postpaid.*

Large Specimen Plants Each \$3.75, 3 for \$9.95
Select 2-year No. 1 Plants Each 3.50, 3 for 9.30

STARFIRE SPECIAL

2 Starfire

2 Ivory Fashion, see envelope

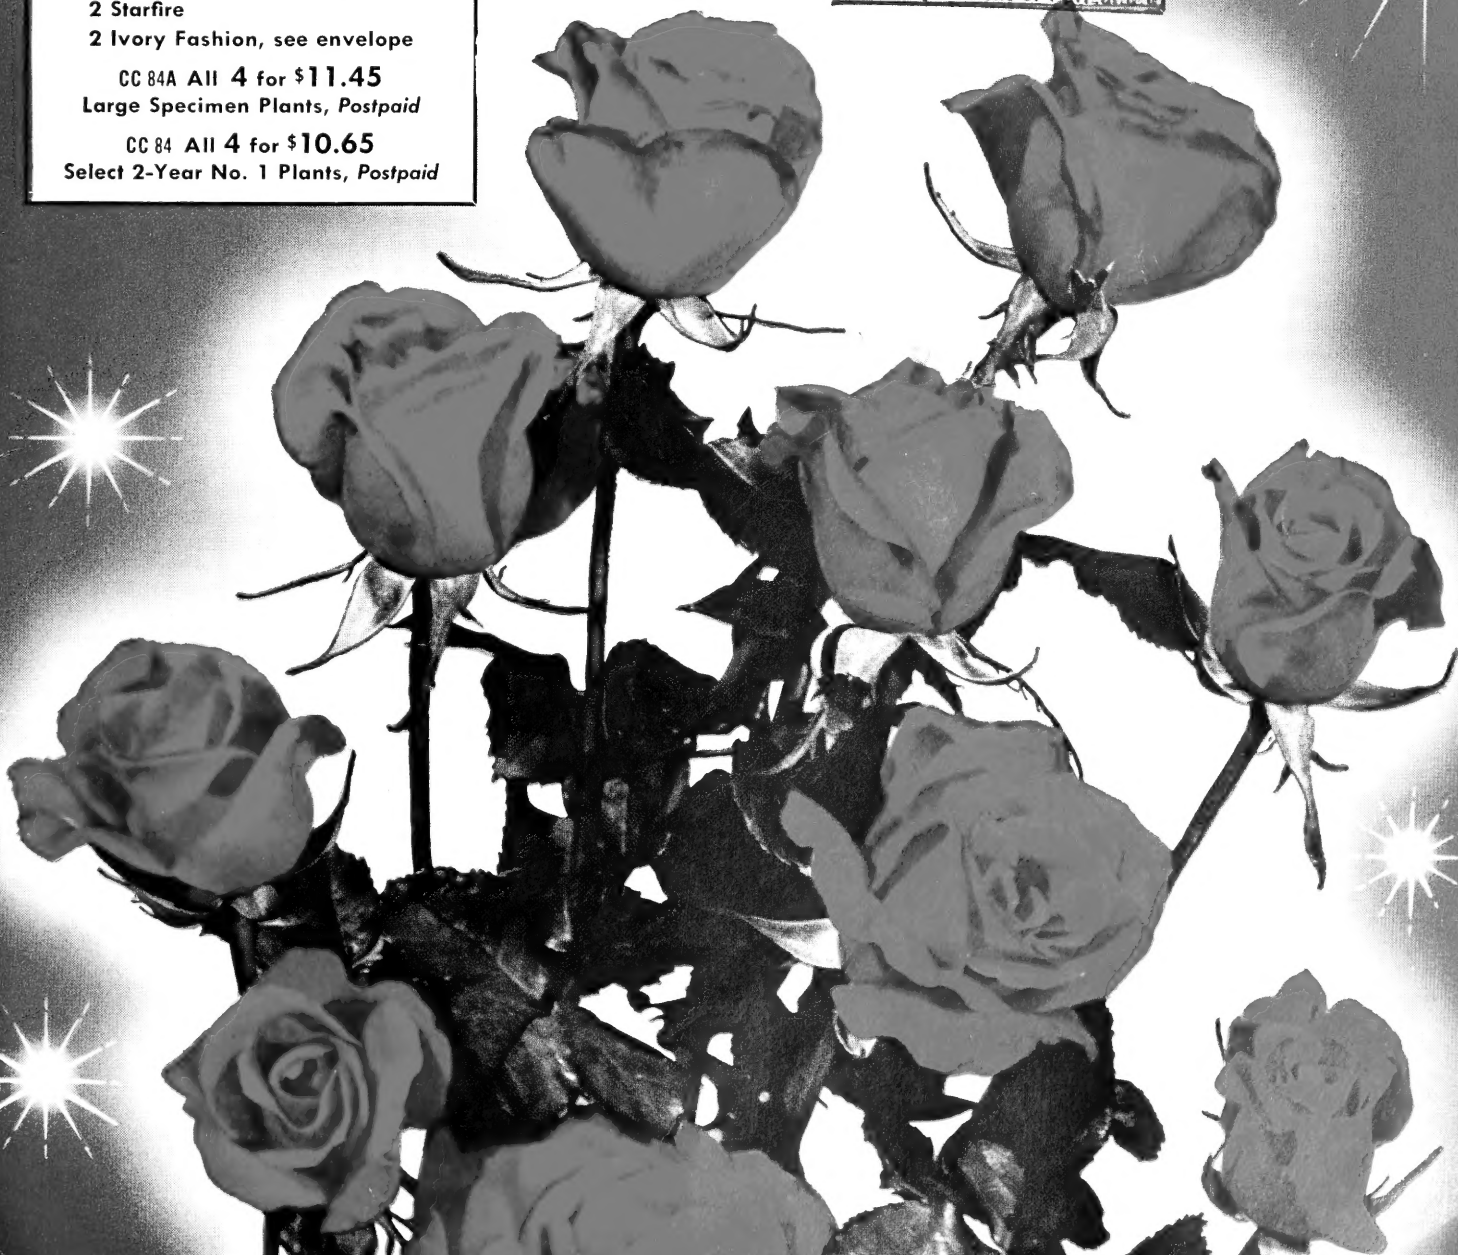

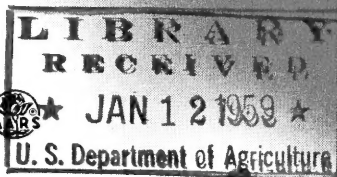

CC 84A All 4 for \$11.45

Large Specimen Plants, *Postpaid*

CC 84 All 4 for \$10.65

Select 2-Year No. 1 Plants, *Postpaid*

Starfire

From our field of Phlox, the largest in America, over 1,000,000 plants in bloom, we selected these as the very best. They are truly superb, with flowers almost twice as large as pictured. Our husky No. 1 field-grown plants will bloom freely for you this summer and for years to come. Perfectly hardy, thrive all over America. Grow in sun or part shade, 24 to 30 inches tall.

1—M 522 **San Antonio**—New, very large, glowing fuchsia purple-red.

2—M 529 **Princess**—New, large, pure snow-white. Outstanding.

3—M 542 **Dresden China**—New, exquisite shell-pink. You'll like it.

4—M 513 **Sir Malcolm Campbell**—New, brilliant carmine with orange glow.

5—M 546 **Tenor**—New for 1959. Giant heads of brilliant scarlet-crimson.

6—M 511 **Purple Heart**—New, our finest purple, a rich striking color.

7—M 531 **Brigadier**—New, large heads of orange-flame. Each 75c.

M 533 **Sir John Falstaff**—New, the largest of all phlox. Vigorous grower, huge, luminous, salmon-pink. Each 75c.

Your Choice (except Sir John Falstaff and Brigadier)

Each 65c; 3 for \$1.65; 6 for \$2.65 Postpaid

MM 527 **NEW PHLOX SPECIAL, Postpaid**

1 Each of All 7 Phlox Pictured for only \$2.95 (\$4.15 Value)

With each Special we will include **FREE 1 Sir John Falstaff** worth 75c.

We are proud of this collection, America's finest varieties. These big, selected plants are guaranteed satisfactory when you get them and when they bloom.

Hamburg, Iowa. Printed in U.S.A.

How to Order

In the comfort and privacy of your own home, you can look through this catalog and select Inter-State's Guaranteed Nursery Stock and Seeds.

1. Write your order for Nursery Stock and Bulbs on the order blank on the back of this page.

2. Write your order for Seeds and Supplies on the order blank at the back of the catalog between pages 82 and 83.

If you run out of our order blanks you can use any sheet of paper, but be sure to put your orders for Seeds and orders for Nursery Stock on separate sheets of paper. You can mail both orders in the same envelope. This will help us both since our Seeds and Supplies are handled in a separate department and are shipped at once while Nursery Stock is shipped at the proper planting time in your locality.

3. Print or Write name, and address on all orders.

In making out your orders please write or print very plainly, giving your full name and complete address, street or rural route. Also list your nearest express office if it is different from your post office as we sometimes ship by *prepaid express* instead of parcel post unless you object. All members of the same family, living at the same address, please order under one name.

4. Order all items by catalog number.

This helps us give you better service and helps avoid mistakes. List quantity, variety and size of items wanted.

5. You can send us money order, draft or check.

If you send currency or cash, wrap it carefully and register your letter. A money order is a better way to send payment.

Please do not ask us to ship C.O.D. The post office and express companies make an extra charge for this service, which makes your cost greater.

Sales Tax

Customers living in Iowa will add 2% to the amount of their order, which the Iowa Law requires us to collect.

Mail Your Order Early

On page 3 is a list of premiums you get for ordering early. Be sure to list the premiums you wish on your order so all can be sent in one shipment. When you are through with your Spring Catalog, perhaps your neighbor would like to see it. Thank you.

Favorite Glad Special

Elizabeth the Queen, most beautiful and most popular of all lavenders.

Mother Fischer, large, ruffled, snow-white, the florists' favorite and highest rated white.

Spic and Span, the greatest and most popular of all Glads. Perfectly formed, ruffled flowers of rich pink.

Spotlight Yellow, by far the most popular yellow.

Red Charm, the highest rated deep red glad. Large, perfectly formed flowers.

10 Elizabeth the Queen

10 Mother Fischer

10 Spic and Span

10 Spotlight Yellow

10 Red Charm

YY 1 All 50 Fine Bulbs for only \$2.25 Postpaid

20 Elizabeth the Queen

20 Mother Fischer

20 Spic and Span

20 Spotlight Yellow

20 Red Charm

YY 2 All 100 Fine Bulbs for only \$3.95 Postpaid

Here are five of the greatest Glads of all time, each the most popular of its color. When you see them blooming in your garden this summer, and when you use them in bouquets and arrangements, you will know why these are the favorites of the florists and everybody else. Lovely colors on graceful spikes, 6 to 8 glorious flowers open at once and every remaining bud will open perfectly right out to the tip. They are fully described on pages 71, 72. We also assure you that they are beautiful, large flowers, exquisitely ruffled.

We send you first quality, fine bulbs 1 to 1¼ inches across (diameter). We can offer them at this special price only because we sell millions of Glads. Each variety is labeled and sacked separately. **GUARANTEED TO PLEASE YOU WHEN YOU GET THE BULBS AND ALSO WHEN THEY BLOOM THIS SUMMER.**

PLEASE HELP US CORRECT OUR MAILING LIST

If your name or address as shown on the catalog envelope is wrong or if you have moved please write below BOTH the right and the wrong.

WRONG:

Name _____

Address _____

City, Zone and State _____

RIGHT:

Name _____

Address _____

City, Zone and State _____

We send a catalog to each person who orders. Sometimes members of the same family and living at the same address order under different names thus receiving several catalogs. If your family receives more than one catalog, please write above their names and addresses and mark the correct one. If you now have an extra catalog, a friend or neighbor would appreciate getting it. Thank you.

INCORPORATED

1959

Sometimes we ship by PREPAID EXPRESS instead of Parcel Post. If you object, write "No" here_____

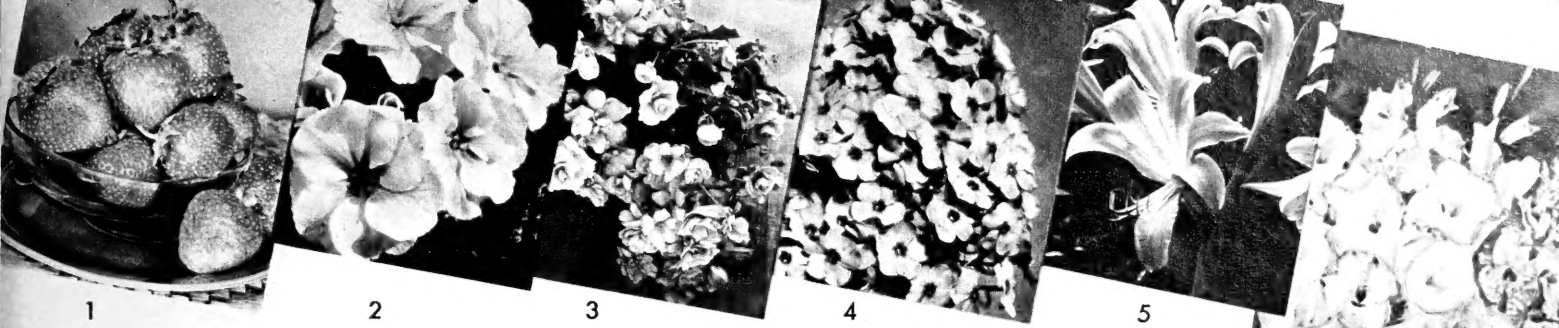

If you want this order shipped to another person or to an address different from that above, give directions here

USE THIS ORDER BLANK FOR NURSERY STOCK AND BULBS ONLY

For Seeds and Supplies (Rose Dust, Ra-Pid-Gro, etc.) use order blank opposite page 83.

Total Amount Enclosed

Be sure to put on your order the Premiums you select for sending in your order EARLY. See page 3.

FREE Premiums with orders of \$5.00 or more!

If you send us your order for Nursery Stock EARLY (seeds are not included), you may select Free Premiums as follows:

- On Nursery orders of \$5.00 select ONE of these seven Premiums.
- On Nursery orders of \$10.00 select TWO premiums, alike or different.
- On Nursery orders of \$15.00 select THREE premiums, alike or different.
- With each additional \$5.00 select one more premium.

The Premiums you select MUST BE WRITTEN ON THE ORDER, or none will be sent, even if you notify us later. However, if you send us another order, then you can include Premiums you overlooked on a previous order of the same season.

IMPORTANT—If we run short on some items, we reserve the privilege of changing premiums, sending you stock of equal or greater value.

- No. 1**—20 Ogallala Everbearing Strawberries, worth \$2.00.
- No. 2**—2 Giant Primroses, worth \$1.50.
- No. 3**—2 Cinderella Hanging Basket Begonias, worth \$1.50.
- No. 4**—3 New Phlox, our choice, all different, worth \$1.65.
- No. 5**—3 Hardy Amaryllis (Lycoris), worth \$1.25.
- No. 6**—18 Glad bulbs, large size, our choice, worth \$1.65 or more.
- No. 7**—1 Everblooming Rose, worth \$1.20 or more.

Inter-State's Guarantee

1. We guarantee our stock to be true to name. If it proves otherwise, we will replace free or refund the amount you paid us for it.

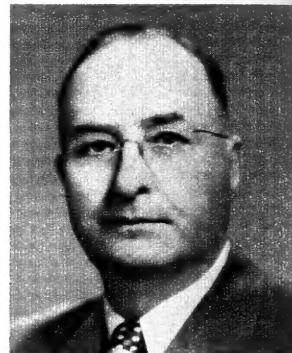

2. We guarantee our stock to be first quality and to reach you in good, live, growing condition. Examine it carefully upon arrival, and, if you are not entirely satisfied, return it at once and we will replace it free or refund your money.

3. Our stock is carefully handled, and under ordinary conditions should grow for you. But if it does not, owing to the weather and other conditions over which we have no control, we will replace at half price the following season, you to notify us not later than October 1st, 1959, accompanying your report with remittance of one-half original purchase price.

We want you to be satisfied. If anything is wrong, we want you to write to us.

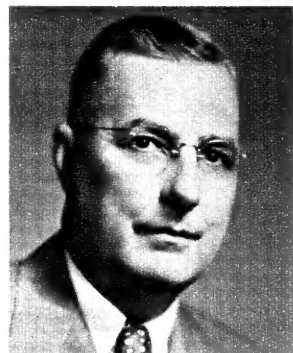

L. R. (Les) SJULIN

CARL O. (Billy) SJULIN

AND THE MEN BEHIND IT

The Inter-State Nurseries are owned and operated by three brothers, Carl O., Leslie R., and David L. O. Sjulín (this is a Swedish name and is pronounced "Shoe-lin"). Practically born and raised in the nursery business, we have grown to be the Largest Direct-to-You Nurseries in America, with hundreds of thousands of customers. We have 1600 acres of the finest soil in the world, ideal for growing nursery stock.

D. L. O. (Dave) SJULIN

What you should know about Inter-State Nurseries

The most important facts are that back of this firm are life-times of nursery experience, plus the best nursery soil, and a sincere desire and effort to please and satisfy our customers.

Our soil, called Loess by the geologists, is very rare, occurring in only a few places throughout the entire world. Even in Iowa, famous for its rich soil, this Loess is rated something very special and super-excellent. We have a long growing season, time to make the husky plants you like to set out. And our winters are cold enough (sometimes 20 below zero) to assure hardiness. Normally rainfall is ample. But we have nearly 300 acres under irrigation where we grow perennials and such stock as needs more regular watering. In one of these fields we grew over a million Phlox, the very plants listed on Page 2. They are big plants, the finest we ever grew.

We three brothers, Carl, Les, and Dave worked for a large nursery on Saturdays and school vacations. In 1919 we moved to Hamburg, establishing our own nursery, growing and selling at wholesale to other nurseries. In 1931 we decided that as long as we were growing the nursery stock, we should sell it Direct-To-You, the final customer. So we issued our first catalog Spring 1931.

Now as the years have gone by, we are aided by our sons, who have grown up in the business, and an exceptionally fine organization, many have been with us since our first catalog and even before.

Our new storage

In 1955 we built a completely new storage, exclusively for roses. Visitors have told us it is America's finest. The temperature and humidity are controlled so that rose plants keep dormant and in perfect planting condition as far into late spring and summer as we wish and providing they are not sold sooner. We also refrigerated completely our large regular storage for trees, shrubs, etc. This stock will stay dormant and in perfect planting condition until late in the season. **This means we can serve you better than ever before.**

About this catalog

It is not just a sales book, but a Guide to Better Planting. After you look it through, you will agree it is our finest Catalog. We have tried hard to make it more helpful, better illustrations (but it is absolutely impossible to reproduce on paper the real beauty of nature, the texture, the sheen, the glowing colors). You will find New Roses such as Starfire on page 1 and Ivory Fashion on the catalog envelope. Perennials that are not only new but better, such as Purple Showers Hybrid Violet, Penstemon Prairie Bells, Giant Primroses and New Hardy Asters on pages 54 and 55. And, the flower sensation of 1959, the fabulous new Ballerina Ruffled Double Begonias are pictured on page 84. For many years we have devoted much time and effort on the best methods of producing Dwarf Fruit Trees. No nursery in America has a finer selection of these **Amazing Little Giants**, small trees, giant fruits. You will find them on pages 18, 19 and 20.

Finally

This then is a short story about the Inter-State Nurseries, a national institution, the largest of its kind. It has helped to make America More Beautiful, More Fruitful. Its proudest possessions are the thousands of voluntary letters telling about the greater enjoyment, better health, more beauty, and the satisfaction of making homes better places in which to live.

Important Information

It's Easy to Order by Mail from Inter-State

You can relax in the comforts of your home while you order by mail from Inter-State Nurseries. Pick out the items you want to plant this spring from the 84 colorful pages of this catalog. Write your order for Nursery Stock on the order blank opposite page 2 or use the one opposite page 83 if you order Seeds or Supplies from pages 6 & 7. Fill in your full name and complete address and enclose your remittance either by money order, check, bank draft or currency. If you send currency, please register your letter. Mail to us and when the proper planting time comes for your locality, we will ship your order Direct-to-You. Plant the stock, watch it grow and enjoy the added beauty and fruitfulness of your home.

We Pay Postage, except large trees are shipped express collect

Please note that most items in this catalog are DELIVERED TO YOU, POSTPAID. This means that you pay no postage or handling charges on those items. Some Fruit and Shade Trees listed "Not Postpaid" are too large to go by parcel post. They are shipped by express, you pay the express charges. **We include extra stock to help pay the express.**

In some orders there are trees which must go by express and also some stock (shrubs and roses) which would go parcel post. To avoid making two separate shipments of trees, shrubs and roses (see below), we send these entire orders by express. For this privilege, we include extra stock which has a greater value than the additional express charges amount to.

Nursery Stock is shipped at proper planting time

Nursery Stock and Seeds are not shipped together. Seeds and Supplies are shipped at once. Nursery stock is shipped at proper planting time in your locality. We are equipped so that we can start shipping to southern states early in the year. As the season advances, we keep shipping farther north until in May we are shipping to the most northern states. If you want your order shipped on a particular date, please write this on your order.

SEPARATE SHIPMENTS

Please read this carefully

Trees (both fruit and shade), shrubs, hedging, small fruit plants, vines (except Clematis) and roses are shipped first, because they should be planted first as they can stand late frosts and cold snaps after being planted. But perennials, bulbs, clematis, should not be planted as early, therefore they are shipped separately often 2 or 3 weeks later. So your order may be sent in several separate shipments in order that you get your stock at the best planting time to give you the best results. For example, if you have ordered roses, shrubs or trees and also perennials or bulbs, you will get the roses, shrubs or trees first and the perennials or bulbs later. After you get the roses, shrubs, you need not write us about not getting perennials or bulbs as we will ship them a little later on.

New Method of Wrapping

We are now using a new product, Polyethylene or Polyethylene-coated kraft paper, which retains the natural moisture of plants for several days yet allows them to "breathe". Exhaustive tests by leading colleges and universities and practical use have proven this to be the best method of shipping nursery stock. It means that your nursery stock will arrive in perfect condition **EVEN WITHOUT MOSS OR OTHER PACKING MATERIAL**. If shipment arrives during a spell of bad weather, you can leave it in the package for several days. Of course, you should plant as soon as you can because the sooner you get it in the ground, the sooner it starts growing and the quicker you get flowers or fruit.

SEND

Living Gifts

**That Will Be Cherished for Years
For Christmas, Birthdays, Mother's Day,
Easter, Anniversaries, Any Occasion**

Each year more and more people wish to send their friends and loved ones Living Gifts. It is very easy to do.

You select from our catalog whatever you wish us to send. With your remittance, give us the name and complete address to whom you want it shipped. We will send this party a suitable Gift Certificate giving your name as donor and listing the stock you selected (without prices). It will be shipped at the proper planting time. *We guarantee satisfaction to you and to those receiving the gifts.*

Helpful Planting Guide Free!

With every nursery stock order, we send Free a Planting Guide. It tells in a clear, simple way how to plant so that even if you have never done any planting, you can have success. It tells, also, how to prune, water, care for plants over winter, how far apart to plant, etc.

We Are America's Largest Direct-to-You Nurseries

Because we grow and sell direct-to-you more nursery stock than any other nursery, we can sell first quality stock at reasonable prices. Our soil is rated the finest in all America for growing nursery stock. It produces wonderful roots and fine tops. If you have never planted any of our seeds, order some this year. They are guaranteed to grow.

Centrally Located

We are located near the geographical center of the United States, with railroad facilities that enable us to ship promptly in all directions, North, South, East and West.

Sales Tax

The Iowa law requires us to collect a sales tax of 2% on all orders sent to us **BY PEOPLE LIVING IN IOWA**. Iowa customers will please add this amount to their orders. **BUT PEOPLE NOT LIVING IN IOWA DO NOT SEND ANY SALES TAX.**

HOW TO ORDER

FRIENDS OF THE GARDENER

...for Healthier Plants,
Lovelier Flowers, and Better Fruits

HERE ARE SOME
USEFUL SUPPLIES
CARRIED IN STOCK AT
ALL TIMES, AVAILABLE
FOR IMMEDIATE SHIPMENT

USE PEAT MOSS AS A SOIL CONDITIONER FOR BETTER GROWTH

This is a special Horticultural All-Purpose Peat which can be used for Azaleas, Blue Hydrangeas, also Roses, Shrubs, Perennials, Trees, etc. Especially fine for lawns and gardens. It is almost 100% humus. Mix $\frac{1}{4}$ of this Peat with soil when planting. Helps soil hold moisture and is a wonderful soil conditioner, as it stimulates bacterial growth. In our own work, we have found Peat Moss to be far more effective than a chemical soil conditioner.

K 15 1 Bushel Peat Moss for \$2.95 Postpaid
K 14 $\frac{1}{2}$ Bushel Peat Moss for \$1.95 Postpaid

USE HUDSON DUSTERS

for applying Rose Dust or
Bug-Dust-O-Cide

K 48 1 Hudson "Admiral"®
Duster for \$2.95

America's best known hand duster. Ideal for use in home gardens and yards. Easy to use, large capacity—holds 1 pound of dust which eliminates constant refilling. Long, 21-inch extension with all-angle swivel nozzle makes it easy to reach out-of-the-way places. Each duster is factory-tested and guaranteed. Healthy plants mean better flowers. Dust regularly with Inter-State's Rose Dust and Bug-Dust-O-Cide and the Admiral Duster. Postpaid.

Tri-Ogen Rose Spray

Aerosol Bomb

Ready-to-Use—Effective

This is the easiest, most convenient way to spray your roses. All you do is push the button of this ready-to-use aerosol bomb and you can quickly and effectively spray your roses. Contains both insecticide and fungicide to give complete control over foliage diseases and insect pests. Also effective for use on Chrysanthemums, Phlox and other garden plants which are bothered by fungus or insects. Especially nice for small rose gardens. All you do is hold the aerosol bomb 3 feet from the plants and push the button.

K 52 One 12 Oz. Aerosol Bomb
for \$1.50, Postpaid

BUG-DUST-O-CIDE

For Insects and Plant Diseases

1. **NON-POISONOUS TO HUMANS AND DOMESTIC ANIMALS WHEN USED AS DIRECTED.**
2. **MULTI-PURPOSE**—Has a triple action on certain insects—as a stomach poison, a contact poison and as a repellent.
3. **EFFECTIVE**—Satisfied users everywhere recommend Bug-Dust-O-Cide.
4. **EASY-TO-USE**—ready to apply—no mixing, no fuss or bother.

Super MOLE-NOTS

KILLS THE MOLES IN THE GROUND

No Traps • No Gas • No Exposed Poison

A new, improved method to rid your lawn or garden of pesty Moles. Ready to use Peanuts treated with odorless Thalium Sulphate, a poison deadly to moles, kills them right in the ground.

Guaranteed to Kill Moles or Money Refunded

Use according to the simple instructions with each package. Guaranteed to kill the moles or purchase price will be refunded. To quickly eradicate the entire family of moles, place these Peanuts in all visible runways, at intervals of two or three feet. The Moles eat them and die. These Peanuts, if placed around the edge and throughout a freshly made flower bed (in the ground), will eliminate the loss of bulbs or plants. Keep an ample supply on hand to treat new runways as soon as they appear. They are POISON so be sure to keep out of reach of children and pets. Postpaid.

WEEDEZ Wonder-Stick Kills Weeds in Your Lawn

The WEEDEZ Wonder-Stik is a new, easy-to-use method to rid your lawn of dandelions, plantain or other broad-leaved weeds. This is a special 2, 4-D formulation with wax which kills weeds quickly, easily. There is no mixing, no mess, no spray, no drift. All you do is walk over your lawn and rub the wax on the weeds. In a few hours the weeds die and you have a beautiful lawn. Weedeze comes in a long, strong tube which eliminates, bending or stooping. The Wonder-Stik is especially recommended for spot treatment in lawns. If your lawn is heavily infested with weeds, we recommend the Weedeze Wonder Bar below. Postpaid.

K 38 One Weedeze Wonder-Stik for \$2.98

WEEDEZ WONDER BAR. This is the same 2, 4-D with wax formulation as the Wonder-Stik above only it is a wide bar with pull string. All you do is pull the Wonder Bar over your lawn and the wax rubs off on the broad-leaved weeds. In a few hours the weeds die leaving your lawn beautiful and weed-free. Convenient, ready-to-use, effective. Recommended for heavily infested lawns.

IMPERIAL HOME ORCHARD SPRAY

K 80 1 Pound for \$1.95, Postpaid
K 81 3 Pounds for 4.95, Postpaid

This amazing new home orchard spray contains three of the newest and most potent insecticides and fungicides, Captan, Malathion and Methoxychlor, all scientifically combined in one Multi-Purpose Spray. You merely add water. One pound makes 12 gallons of spray. It is ideal for home fruit growing as this one spray controls insects and diseases in one spray material. It controls such insects as curculio, codling Moth, Oriental Fruit Moth, Japanese Beetle, Leaf Rollers, Aphids, etc.; and diseases like scab, blotch, brown rot, cedar rust, leaf spot, etc. It also can be used as a dormant spray. Home fruit growing can be made pleasant and profitable. Simple directions on the package. This Multi-Purpose Spray does three things:

1. Contact insecticide killing many insects by contact.
2. Fungicide for diseases.
3. Control for chewing insects.

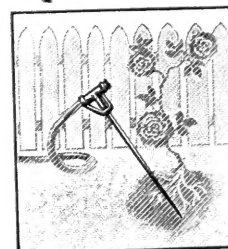

And it can be used right up to harvest.

New, Improved

ROOT FEEDER

K 26 Each \$5.95 Postpaid
with 12 regular fertilizing cartridges

RA-PID-GRO Complete Plant Food

For Better Roses Shrubs and Trees, Better Gardens and Lawns

K 160 1 Pound for \$1.35, Postpaid

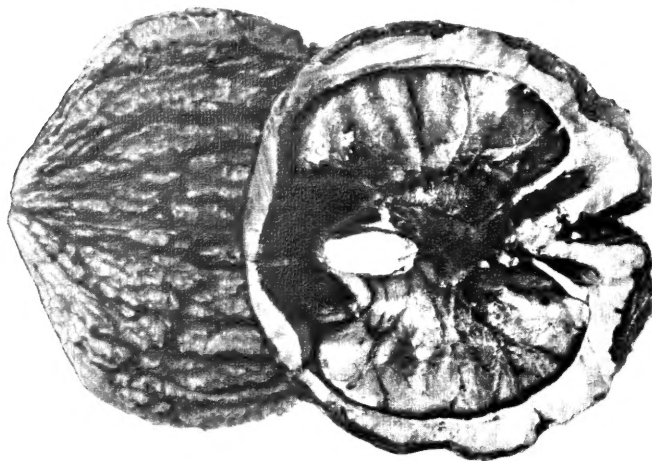

We wish everybody would use Ra-Pid-Gro. It will greatly increase the enjoyment you will receive from your lawn, garden, roses, trees and shrubs. RA-PID-GRO is a concentrated, complete plant food (23-21-17 plus trace elements). Easy to use, all you do is mix with water. Economical, 1 pound makes 22 gallons of quick-acting fertilizer. Dual Purpose, use for foliage feeding and around plants. Effective, you will get more, larger flowers and fruit.

USE RA-PID-GRO WHEN PLANTING, you simply put 4 level teaspoonfuls of RA-PID-GRO in 1 gallon of water (8 level teaspoonfuls in 2 gallons of water, etc.). Soak the roots of roses, shrubs, and trees 3 to 4 minutes; just dip perennial roots and strawberry plants for a second or two. Plant immediately, protecting all roots from sun and wind, and pour the solution around the newly planted stock and water well.

USE RA-PID-GRO EVERY 2 OR 3 WEEKS throughout the season for the best results from both new and old plantings. Water thoroughly after fertilizing. It is marvelous for invigorating lawns. For use on lawns and large areas, we have a special nozzle attachment for your hose which automatically measures the correct amount of RA-PID-GRO. It costs \$1.75, Postpaid. Try RA-PID-GRO at our risk. If you are not entirely satisfied, your money will be refunded. Postpaid.

Plant Nut Trees for profit, beauty, shade and food

Thomas Black Walnut, Actual Size

THOMAS BLACK WALNUT

N 1 When the long cold evenings of winter come, what a pleasure it is to crack some Black Walnuts to eat or for fudge, or for mother. She can use them in so many different ways and what a delicious flavor they add. Everybody likes Black Walnuts, but the common Black Walnut is small and it is hard to get out the meats.

Now you can have the Thomas grafted Black Walnut, which is giant size with kernels much larger, better flavor and much easier to get out. Thomas is fast growing and produces very large nuts. It is the greatest nut tree of the country. You should plant it because—

1. It bears very young, often second year after planting. A mature tree will produce 15 to 40 bushels of giant size nuts which sell for \$4.00 or more per bushel.
2. The nuts are immense size as pictured above. They crack easily so the meats come out in halves and quarters. A bushel of nuts cracks out 10 to 12 pounds of meats.
3. The nuts are delicious flavor and because they are so large and plump and come out in halves and quarters they sell for \$1.25 or more a pound.
4. It will grow in almost every state in America. It is not particular as to soil.
5. Plant a tree or two for your own use. If you have room, plant more for profit. Plant 50 feet apart and 2 or 3 inches deeper than they stood in the nursery.
6. In time the tree will grow large and walnut logs are becoming scarce. If you wished you could sell the trees for lumber at a good price. These are grafted trees and grow rapidly.

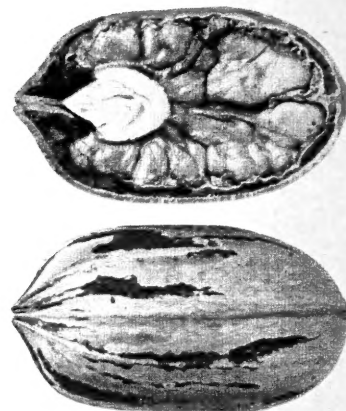

Prices on Thomas Black Walnuts

	Each	2 for	6 for	12 for
4 to 5 feet, Not Postpaid.....	\$3.95	\$7.45	\$21.50	\$39.50
3 to 4 feet, Not Postpaid.....	3.60	6.85	19.50	35.50

Newly planted Walnut, Pecan and Chestnut trees are slow to start. After digging hole, fill it with water, twice is better than once, to thoroughly soak the sub-soil. After planting, water again. Then if weather is dry, water every 2 weeks. When you water, do it thoroughly. The moisture must get down to the roots. We have found that using Ra-Pid-Gro (page 7) when planting and several times during the summer is beneficial. It is a quick acting fertilizer, stimulating growth.

STUART PECAN

Thin Shelled
High Quality
Bears Heavily and Regularly

N 42 Stuart Pecan. This is the hardiest of the regular Pecan varieties which are grown throughout the South. It lives, bears and matures its nuts as far north as Kansas City, Missouri. We do not advise planting north of Kansas City. Stuart is very thin shelled and cracks easily into halves. The nuts are high quality with that real, delicious Pecan flavor. The tree with its rich green foliage, perfect form is attractive enough to plant in your front yard. It bears heavily and regularly, large nuts just like those you buy. This outstanding variety not only can be planted farther north than other Pecans but is also one of the best kinds grown in the regular Pecan sections of the South. If you live south of central Missouri, you should plant a Stuart Pecan tree and grow the delicious nuts right in your own yard.

CHINESE CHESTNUTS

Blight Resistant
Large, Sweet Nuts
Bear Very Young

N 17 These Chinese Chestnuts are seedling trees from selected parents which have been found to be superior. They start bearing very young, the larger sizes bear generally just a year or two after planting. The nuts are large, sweet, fine flavor. They develop into rather large, handsome trees, attractive enough to plant in your lawn

as a shade tree. They are entirely hardy with us but we do not recommend planting them where temperature regularly falls to more than 15 below zero. Yields will be larger if you plant two trees so they can cross-pollinize.

HARDY ENGLISH WALNUTS Carpathian

N 30 You know what the popular English Walnuts are which are grown on the west coast. These Carpathian English Walnuts are just like them, thin-shelled, fine flavor but the Carpathians are far hardier. They will live and bear in all but the most extreme cold states like Minnesota, Dakotas, etc. Our trees are propagated by grafting from a selected tree which started bearing young, heavily, regularly and has proven hardy. They develop into quite large specimen trees, magnificent in the lawn or back yard.

INTER-STATE NURSERIES, Hamburg, Iowa.

Fresh from Your Own Garden!

WONDERFUL, TASTY

Rhubarb

Rhubarb is the earliest spring vegetable. Some list it as a fruit because once planted it lasts a lifetime, coming up year after year without special care or attention. Plant 3 to 4 feet apart, covering the crown with 2 inches of soil.

We do not list the common Rhubarb because these two kinds are so far superior. In the first place they are much larger, far better flavor, sweeter and the skin of both is so tender that they need not be peeled. Also you can use them for many weeks, spring and summer. Both are very productive with large, tender, juicy stalks. Ordinarily these are seedless but if a seed stalk should develop, cut it off at once as it takes strength from the plant. POSTPAID.

A 65 Chipman's Canada® Red—This new rhubarb has large stalks that are red from top to bottom, even the flesh is red. It does not lose this rich color in cooking. Juicy and sweetest of all, takes less sugar. Seedless. Skin is so tender you need not peel it. Very productive, you can pull the stalks all spring and summer.

Each \$1.00, 3 for \$2.65, 6 for \$4.85

A 61 MacDonald Red—A tremendous producer of giant size stalks all spring and summer. Stalks are 18 to 24 inches tall, many half as thick as your wrist. Seedless. It is 2 to 3 times larger than common rhubarb, far more tender, delicious and sweeter. Its bright red skin and tender flesh makes very attractive and fine tasting sauce and pies. Skin so tender it needs no peeling.

Each \$1.00, 3 for \$2.65, 6 for \$4.85

NEW EXTRA CHOICE GRAPES

Many homes have Concord grapes only. You do not know what you are missing. You should try some of these new kinds. They are just as hardy as Concord. They bear regularly and heavily and they have an entirely different flavor.

A 108 **Caco**—My, such great big red grapes, so rich and sugary with an unusually sweet flavor. A strong grower, bears young, heavily and regularly.

A 110 **Portland**—Ripens very early, a few days before Fredonia. Fruit is large, attractive amber-white. And it has the most delicious, rich, spicy flavor. Bring in a bowl-full and you will have to go back for more and more. Vigorous and productive.

A 112 **Van Buren**—This new grape ripens a few days before Portland. Fruit is large, blue-black, sweet, juicy, delicious. Hardy and productive. It is fruiting for us and we rate it very highly. Plant at least one for the first ripe grapes of the summer.

LUSCIOUS *Black Raspberries*

They ripen after strawberries and just ahead of red raspberries. Plant them 3 to 4 feet apart in the row and the rows 6 to 7 feet apart. You can plant a row across the back of your garden. Our Planting Guide, sent with all orders, gives you easy-to-follow instructions about taking care of them. If you make a mulch of lawn rakings or a mixture of straw and leaves and put around the plants in the spring, you will have almost no weeding and hoeing to do and besides this mulch helps hold moisture so the plants produce better. They do fine in part shade, especially afternoon shade.

BRISTOL BLACK RASPBERRY

A 94 Many believe Bristol to be the best midseason black raspberry. A tremendous producer of large, luscious, glossy jet-black berries even in thin soils where other varieties are failures. The delicious berries are not only sweet and juicy but have an unusually rich black raspberry flavor. They are almost seedless which makes them especially fine for making juice and for freezing. We receive reports from over a wide territory telling of the success of Bristol even in southern states where other varieties fail. Set out a large patch and enjoy the fresh, home-grown berries, so much better than those you buy. POSTPAID.

Grow Your Own Fruit for Delicious Pies, Jams, Sauce or Jelly

Welcome New Gooseberry for 1959

A 157 Welcome—This great new Gooseberry, originated by the University of Minnesota, is available for the first time this spring. Large, high quality berries that will make the most delicious pies, jelly or jam. The attractive light green fruit turns pink when fully ripe, extra fine eating in both stages. Welcome is a very heavy bearer giving you quart after quart of fruit every year. Easy to pick, very few thorns. These big 2-Year No. 1 Plants will bear the next year after planting. This is the finest Gooseberry we have ever tasted. Plant 3 to 4 feet apart. See Notice Below.

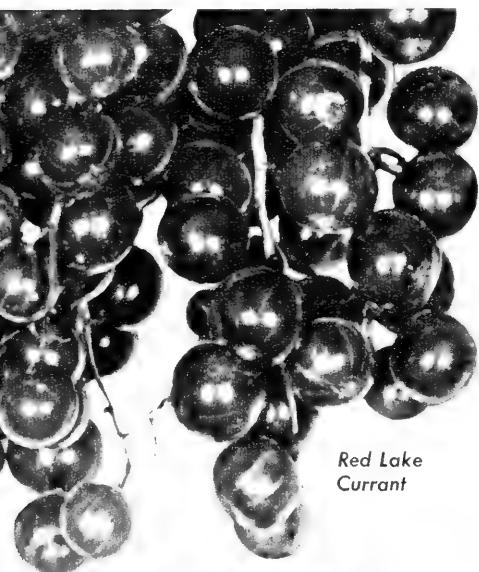

Big 2-Year No. 1 Plants Each \$1.45, 3 for \$3.95, Postpaid

A 159 Pixwell Gooseberry. It is a tremendous bearer of medium large, good quality berries. Moreover they hang down on the underside of the branches so they are easy to pick. It bears very young, the next year after planting. Color is light green, turning pink when fully ripe. See Notice Below.

Big 2-Year No. 1 Plants Each \$1.00, 3 for \$2.85, Postpaid

New Welcome Gooseberry, above

Red Lake Currant

Currants For the finest Jelly and Jam

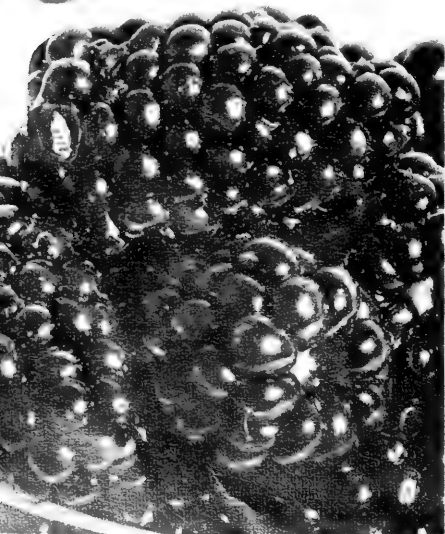

A 148 Red Lake—We think that this is the most productive, the best quality of all currants. The berries are very large, the clusters are long and filled out to the end. The color is a bright glossy red and makes the most beautiful and finest flavored jelly. They grow in ordinary garden soil. Plant 3 to 4 feet apart. Please read NOTICE BELOW.

Our big 2-Year No. 1 plants will start bearing next year after planting.

Each 65¢, 3 for \$1.65, Postpaid

IMPORTANT NOTICE

On account of federal regulations we ship Currants and Gooseberries only to the following states—Alabama, Arizona, Arkansas, California, Colorado, Florida, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Mississippi, Missouri, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, South Carolina, South Dakota, Texas, Utah, and Wyoming.

Thornless Boysenberries

← IMMENSE SIZE • DELICIOUS

A 140 Thornless Boysenberry—We have seen berries fully 2 inches long. The fruit ripens over a period of almost 2 months. Eat them fresh for weeks, use them for pies, sauce, preserves and fruit juice. Just like the original Boysenberry but absolutely Thornless. They are almost seedless and a very deep maroon, almost black color when ripe. Plant 8 to 10 feet apart each way. In cold sections it requires winter protection. Postpaid.

K 18	3 Oz. (Makes 12 gal.)	1.00
K 19	12 Oz. (Makes 48 gal.)	2.95

BERRY-SET makes berries grow much larger (often 50 to 100% larger), meatier sweeter and more luscious tasting. Yields are also greatly increased by a longer bearing season. Strawberries will have fewer seeds. It is easy to use. All you do is mix Berry-Set (a hormone powder) with water and spray it on the blossoms of your Strawberry, Raspberry or Blackberry plants. Postpaid.

Ebony King Blackberries

Blackberries

Ripening after the Red Raspberries, Blackberries are delicious. Thrive everywhere except coldest states. Plant 4 feet apart in rows, rows 7 to 8 feet apart. Postpaid.

A 76 Alfred—Ripens early but bears a long time. Produces an enormous crop of first-quality fruit. Berries are mammoth in size. Color is jet black; flavor sweet and delicious, nearly coreless and seedless. Heavy bearer.

Bearing Age Plants 6 for \$1.45 12 for \$2.45 25 for \$3.95

A 75 Ebony King—We have found this new Blackberry to be a heavy and regular producer of large, shiny black, high quality, juicy berries. Higher priced and well worth it.

Bearing Age Plants 3 for \$1.65 6 for \$2.65 12 for \$4.45

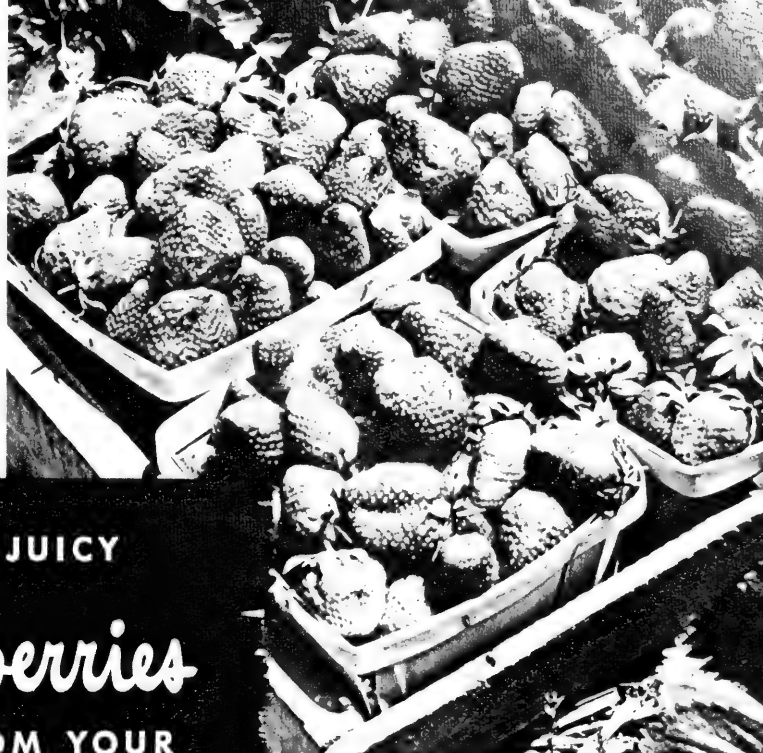

A 77 Eldorado—Late. Very popular Blackberry. The sparkling jet-black berries are large, sweet, delicious and almost coreless. Ripens over a long period. A heavy bearer.

Bearing Age Plants 6 for \$1.45 12 for \$2.45 25 for \$3.95

NEW EARLY PREMIER

25 for \$1.35 50 for \$2.25 100 for \$3.75
200 for 5.95 500 for 12.50 1000 for 22.50

A 5 Premier is by far the most popular extra early strawberry. It is our first variety to ripen. Very productive and produces berries for many days. Berries are very large, firm, rich red color and good quality. Because the blossoms are frost-resistant, it is a sure bearer. Plant some for the first ripe strawberries, for eating fresh and for canning or preserving. This new Virus-Free Premier will be planted exclusively as soon as enough plants are available because of its greater health, vigor and productivity. Self-pollenizing. POSTPAID.

DUNLAP, MIDWEST'S FAVORITE

Postpaid
25 for \$1.25 50 for \$1.95 100 for \$3.25
200 for 5.45 500 for 11.95 1000 for \$21.50

A 3 Senator Dunlap is generally called "Dunlap" for short. We have sold countless millions of this grand strawberry. It is by far the most popular and widely planted in the middle west. Hundreds of thousands of families, every summer, enjoy the fruit. It is so dependable, seems like it never fails to produce a good crop.

Ripens in midseason and is simply delicious to eat fresh, can, preserve and freeze. The fine berries are bright red, easy to pick, easy to stem and tops in quality. Day after day, you can go out and pick a bowl full. Self-pollenizing so it bears even if planted alone. We think it is best to plant several varieties so that you will have fruit over a longer period of time. But if you live in the middle west and have room for only one variety, then we advise planting Dunlap.

GIANT ROBINSON

Postpaid
25 for \$1.35 50 for \$2.25 100 for \$3.75
200 for 5.95 500 for 12.50 1000 for \$22.50

A 11 Robinson is a new variety we have fruited here at Hamburg for several years and each passing year we think more and more of it. First of all, it is such a tremendous producer. Starts ripening just about the time Dunlap is finishing and continues for many days. The berries are very large, just a few fill a box or bowl. The color is such an appetizing bright red, grand for eating fresh and simply grand with sugar and cream. Bears so heavily that you have plenty left for canning, preserves or freezing. Self-pollenizing.

NEW, HUGE POCAHONTAS

Postpaid
25 for \$1.35 50 for \$2.25 100 for \$3.75
200 for 5.95 500 for 12.50 1000 for \$22.50

A 15 Pocahontas is a new introduction of the U.S.D.A. which produces high quality, delicious, bright red berries that will make your mouth water when they are served at your table. The size is simply huge, only a few will make a serving. Ripens in midseason. The berries are extra firm which means they will freeze and preserve exceptionally well. Our plants are grown from a virus-free strain, highly productive, a strong, vigorous grower. Any way you use them, whether for eating fresh, freezing or preserving, Pocahontas will be one of your favorites. Self-pollenizing.

NEW BLAKEMORE

Postpaid
25 for \$1.35 50 for \$2.25 100 for \$3.75
200 for 5.95 500 for 12.50 1000 for 22.50

A 4 Blakemore—There are probably more Blakemore sold throughout the United States than any other variety simply because it does so well. This new Virus-Free Strain is even better and as soon as available will entirely replace the common Blakemore. Ripens a few days before Senator Dunlap. Especially fine for preserving, canning and freezing because it holds its rich color and shape so well. Best not to let Dad or the children pick them, because they will eat so many right in the patch. Bring some to the table, add sugar and cream and there just isn't anything better. The berries are large, firm, attractive red color and good quality. Self-pollenizing. Bears large crops every year.

NEW TENNESSEE BEAUTY

Postpaid
25 for \$1.35 50 for \$2.25 100 for \$3.75
200 for 5.95 500 for 12.50 1000 for 22.50

A 14 Tennessee Beauty—We like this new variety very much. Ripens in mid-season. The berries are large, bright red, firm and high quality. Use it any way you like, Fresh, Canning, Preserves, Freezing and it will more than please you. Fine flavor, holds rich color in sauce, preserves and when frozen, firm and solid. Very productive and holds its size right to the end. Strong stems hold up the fruits so they are easy to find and pick. Self-pollenizing.

Ogallala

America's Most Delicious Everbearing Strawberry

20 for \$2.00 100 for \$6.95
50 for \$3.95 Postpaid 500 for \$29.95

A 6 Ogallala. We are extremely proud to offer America's finest, most delicious everbearing strawberry. Ogallala is the result of 26 years of research, hybridizing and testing, the combined efforts of Dr. LeRoy Powers and Dr. A. C. Hildreth of the U. S. Dept. of Agriculture, Horticultural Field Station, Cheyenne, Wyoming and Glenn Viehmeyer of the University of Nebraska, North Platte Experiment Station. Their crosses of the wild Rocky Mountain Strawberry with the best garden varieties resulted in over 40,000 seedlings. Out of these came Ogallala which captured the sweet, aromatic flavor of the wild strawberry with the high productivity, large size and everbearing qualities of the named varieties.

In our more than 50 years of nursery experience we have tasted nearly all of the strawberry varieties ever introduced. We honestly believe that Ogallala has the most delicious, real strawberry flavor of all. Be sure to plant a couple rows somewhere in your garden. Each plant will produce a quart this summer and fall under normal conditions. They are superb for eating fresh, fine for freezing and they absolutely cannot be equaled for preserves. The berries are red all the way through which is important for freezing and preserving. Self-pollenizing so it will bear even if planted alone. The highest yielding Everbearing Strawberry in the 1957 tests at Iowa State College, producing at the rate of 11,680 quarts per acre. Do not let the new runner plants get too thick. You need only 4 or 5 new runner plants for each original plant.

**INTER-STATE'S
GENUINE**

Giant Gem

25 for \$1.45 50 for \$2.45 All Postpaid
100 for \$3.95 500 for \$15.95 1000 for \$28.50

A 2 Gem is the variety which has made everbearing strawberries so popular. It withstands adverse conditions and is so extremely productive. The berries are large, firm, bright red and good quality. Especially fine for canning and preserves as berries hold their shape and color. Excellent freezer. Will bear this summer and fall right up to freezing. Next year they will bear spring, summer and fall. Self-pollenizing.

Red Rich

A 8 Red Rich (P.P. 993)—The big, beautiful berries make you hungry just to look at them. When you eat them, you will agree that they certainly have that sweet, delicious, real strawberry flavor. Large, firm, red all the way through and so sweet that you need but little sugar. Perfect for preserves and freezing because they hold their color and shape. Plant some this spring. You will have fruit **THIS SUMMER AND FALL**. Next year you will have berries spring, summer and fall. The plants themselves are so attractive you can plant them in the perennial border.

A 9 Superfection is a tremendous bearer. You will have delicious berries this summer and fall. And next year it will bear spring, summer and fall. The berries are big, firm and bright red and red all the way through. Serve them with cream and sugar. For preserves and freezing they are excellent, because they hold their shape and color. It is mighty fine when you can go out in your garden and pick fresh ripe delicious strawberries (saves on the grocery bill, too) spring, summer and fall. Strawberries have always been considered the most delicious of all fruits. A couple of rows across your garden will give you lots of berries. Superfection is self-pollenizing. Water well in dry weather. Without doubt one of the heaviest and most dependable bearers of all everbearing strawberries, it produces over a quart per plant each year under normal conditions.

**Sweet
Delicious**

Streamliner

25 for \$2.00 50 for \$3.35 All Postpaid
100 for \$5.95 500 for \$19.95 1000 for \$37.50

A 7 Streamliner—Never has a new strawberry become so popular as quickly as Streamliner. The reasons are simply that it produces so heavily the big red berries of such fine flavor. **PLANTED THIS SPRING IT WILL BEAR THIS SUMMER AND FALL**. Then next year it will produce a tremendous crop in June and after a short time it will start in again and keep on right up to freezing. The Berries are Big, Red, Sweet and **DELICIOUS**. Streamliner is self-pollenizing so can be planted alone. Eat them, preserve them, freeze them. We want to repeat Streamliner has that rich, sweet real strawberry flavor.

EAT THE DELICIOUS FRUIT This Summer and Fall!

Yes, just think of it! You can plant any of these 5 superior everbearing strawberry varieties described on page 14 this spring and in a few short weeks you will be picking the large, luscious berries. Every home should have a strawberry patch. They take very little care and so little room. You can plant 100 plants in a space just 10 feet by 10 feet. And EACH plant will give you a quart of berries—100 plants for as little as \$3.95 will produce 100 quarts of fruit, which sells readily for 50¢ per quart or \$50.00 worth of strawberries, THE FIRST YEAR (under normal conditions). The next year you will get even more berries. And it's so nice to be able to pick home-grown, healthful fruit, fresh from your own garden. Keep most of the runners cut off, allowing only 4 or 5 runner plants for each original plant. Be sure to plant a patch this spring.

STREAMLINER

Black Hawk

The Finest Black Raspberry in America
DELICIOUS FLAVOR—TREMENDOUS BEARER

A 95 Black Hawk is a new Black Raspberry originated by Iowa State College, Ames, Iowa and introduced Spring 1955. It has been thoroughly tested at Ames and Council Bluffs, Iowa and has out-yielded all other varieties in the test. In favorable years it produced as much as 5000 pints per acre. The berries are very large, almost an inch across. The quality is simply grand, sweet, juicy, richest flavor. Eat them fresh, can them, freeze them or in pies or jam. Anyway you use them, they are wonderful eating. At Ames, usually begins ripening first week in July.

The plants are strong, healthy, vigorous growers and tremendous producers. The berries are firm and stand up well in shipping and handling. Plant them 4 feet apart in the row and rows 8 feet apart. Use the richest soil you have and if weather is dry before ripening, water thoroughly every week. You will be richly rewarded. We believe this is the greatest Black Raspberry in America. Just a few plants in your back yard will give you the delicious fruits. But of course, if you have room, plant more.

**THE NEW EVERBEARING
RED RASPBERRY WILL BEAR
THIS SUMMER AND FALL**

A 84 September is a new red raspberry which bears the usual crop in early summer on the old canes. Then the new canes start bearing around mid-September and continue until freezing weather. The berries are huge, the largest red raspberries we have ever seen, much larger than pictured. Bright red color, good quality. Eat them fresh, for pies, jams, sauce. Wonderful for freezing. Our large 2-Year plants will produce some berries this season so you will get just a taste of the delicious fruit you will get in future years. Nearly every home has room for some. They soon pay for themselves. Just think of the benefit and pleasure of picking these huge delicious berries fresh in your own garden. Last fall they were still bearing here in October. Plant 3 to 4 feet apart. Postpaid.

Every home should have at least one cherry tree. Bear very young and regularly. You have a handsome tree, lovely flowers and the healthful fruit. We believe that we grow here the finest cherry trees in America, fine branched tops and wonderful roots. Plant 15 to 20 feet apart.

LUSCIOUS SWEET CHERRIES

F 76 Black Tartarian—The big, almost black sweet cherry everybody likes. Ripens in late June. Fine for eating fresh, canning and freezing. Plant a Napoleon beside it so they can cross-pollinize and produce much more.

F 84 Napoleon (Royal Ann)—Yellow with a pink blush. Fruit is large, sweet and delicious. Fine for eating, canning and freezing. Ripens in early July. Good pollinizer for Black Tartarian.

F 78 Yellow Glass—The hardiest of all sweet cherries. The fruit is large, bright yellow with the real sweet delicious flavor.

KANSAS SWEET

Best Sweet Cherry for Middle-West

F 77 Kansas Sweet—This is the only red sweet cherry we know that will bear in the middle west and south to Texas. The fruit is large, dark red, firm, sweet with a most delicious flavor. The tree itself is handsome enough to plant in your front yard—good foliage, fine shape, beautiful flowers and wonderful fruit. Exceptionally fine to use fresh, makes marvelous pies and excellent for freezing. Plant with Montmorency for cross-pollination.

MONTMORENCY *America's Favorite Cherry*

F 81 Montmorency—This is the most popular of all cherries, largely because it is the best of all for canning. And it tastes mighty good to eat fresh right off the tree, especially when fully-ripened, home-grown. The fruit is large, firm, very fine flavor. Ripens about 10 days after Early Richmond. The tree is a rather short grower so the fruit is easily picked. Bears heavily and regularly. Be sure you have at least one tree in your yard. It is handsome enough that many people plant it in their front yard. If you have room for but one cherry, then we recommend this. You simply cannot beat it for eating fresh, for canning, for freezing, for pies, cobbles, preserves. This is the virus-free Gilbert Strain. Self-pollinating.

METEOR, *New, Finest Pie Cherry*

F 85 Meteor—A new cherry from the Minnesota Experimental Station. The fruit is very large, rich red and excellent flavor. Good for eating fresh, for pies, cobbles, preserves and freezing. Very hardy, it will grow in cold sections where cherries could not be grown heretofore. Healthy, very resistant to leaf spot. The original tree growing near Minneapolis has never failed to bear fruit since it started many years ago. Bears young. Attractive enough to plant right in your front yard. Heavy bearer. Self-pollinating.

F 79 Early Richmond—The first cherry to ripen. In June, full of the bright red, juicy, delicious fruit. Self-pollinating.

F 80 English Morello—Last cherry to ripen, 2 weeks after Montmorency. Fruit is large, almost black when fully ripe, sprightly acid. Bears very young and heavily. Self-pollinating.

AMERICA'S LARGEST

Inter-State is doing more basic research in the production of Dwarf Fruit Trees than any other nursery in America. **These Dwarf Fruit Trees are becoming tremendously popular simply because their small size makes it possible for millions now to grow their own delicious home-grown fruit even if their yard is small.** Orchardists are also planting them because they bear younger, are so easy to take care of, and their fruit is larger. See page 20 for Dwarf Apple Trees.

Dwarf Cherry Trees

Allow these Dwarf Cherries to grow branched low to the ground, giving you more fruit. The trees themselves are shapely with good foliage, flowers and fruit, attractive enough to plant anywhere. Plant 6 to 8 feet apart.

D 56 Montmorency—A real Montmorency but when fully grown will be less than half normal size. Bears very young, generally next year after planting. Fruit is larger, rich red color, fine flavor, tender, firm, a marvelous cherry. We know of no other nursery growing a real dwarf Montmorency like this. Self-pollenizing.

4 to 5 feet, Postpaid..... **Each \$3.95**
3 to 4 feet, Postpaid..... **Each 3.25**

D 57 North Star—This new Cherry was originated by the Minnesota Fruit Breeding Farm. The original tree is little more than 8 feet tall now and bears well and regularly. The fruit is large, dark red, sprightly flavor. Expert pie bakers say this makes the most wonderful cherry pies. Bears young and heavily. Self-pollenizing.

Dwarf Apple Trees LARGER FRUIT, EASY-TO-PICK, BEAR YOUNG

These Dwarfs produce larger fruits than the regular apple trees. Start bearing very young, often a year or two after planting. You can pick most of the fruit from the ground because they grow scarcely larger than a big shrub. Ornamental and fruitful, you can grow your own apples even if your yard is small. Plant 8 to 12 feet apart.

SUMMER APPLES

F 31 Anoka—Generally bears next year after planting. Fruit is yellow streaked red.

F 32 Beacon—The fruit is large, a solid bright red of very fine quality. It ripens in August.

F 35 Early Red Bird—The best early red apple we know. Large, bright red, good quality.

F 37 Lodi (Improved Yellow Transparent)—The favorite early yellow apple. Ripens in July. Fruit is large, tender, juicy, fine flavor.

F 33 Red June—Red, early summer apple.

FALL APPLES

F 54 Mann's Giant—The largest apple we have seen, up to 14 ounces each. Red streaked, good quality, fine for sauce or pies.

F 34 Maiden Blush—Yellow with blush. Fine for eating fresh or makes fine pies.

F 41 Red Melba—The most attractive Apple you ever saw, red with pink blush, with the finest, richest flavor you ever tasted.

F 42 Wealthy—The most popular fall apple. It ripens in September but can be used weeks earlier. Large, red striped, juicy, fine quality.

APPLE SPECIAL

WINTER APPLES

F 36 Delcon—Looks like Red Delicious and tastes even better. A natural semi-dwarf tree.

F 48 Grimes Golden—Very popular yellow apple. The fruit is large and highest quality.

F 49 Hawkeye Greening—An attractive greenish-yellow, large size, good quality. Good fresh from the tree and good in winter.

F 52 Jonathan, New Bright Red—One of America's greatest apples. A deep red apple of highest quality with crisp, tender flesh.

F 53 McIntosh, Solid Red—Large, red apple. Flesh snow-white of high quality.

F 57 Red Rome Beauty—Large, red apple especially fine for baked apples and pies.

F 60 Solid Red Delicious—The finest of all red apples. It bears younger, keeps longer and the fruit colors earlier than the common Red Delicious. Large, solid red, delicious flavor.

F 64 Winesap—The most popular long keeping winter apple. An improved strain with better color and larger size.

F 66 Yellow Delicious—The most popular yellow apple. Bears young and heavily. Fruit is large, juicy, fine flavor.

F 67 York Imperial—A large red apple that keeps all winter. Good quality.

CRAB APPLES

F 61 Centennial—is the finest dual-purpose crab in America. The tree is covered with lovely snow-white flowers in the spring followed by beautiful bright red fruit in late summer. And the apples are the best tasting, highest quality you ever tasted. Hardy.

F 62 Dolgo—Bright red fruit which makes fine jelly. Fine for pickling.

F 65 Whitney—You can eat it fresh just like an apple. Medium size, red striped.

Jonadel, much larger than pictured

Jonadel New—Delicious

F 46 Jonadel—This sensational new apple, originated by Iowa State College, combines the rich flavor of Red Delicious with the juicy snap of Jonathan. Our most beautifully-colored apple, a brilliant crimson-red. Excellent for eating fresh, makes fine sauce and luscious pies. The large fruit has tender, white, juicy flesh that will make Jonadel a hit with all your family and friends. Ripens right after Red Delicious and keeps for weeks. Be sure to plant at least one tree this spring.

6-in-1 Apple Tree

F 72 This 6-in-1 Apple Tree has six different kinds of apples, all on one tree. They are six of our best, most popular kinds, giving you fruit from early summer well into the winter.

Lodi, (Improved Yellow Transparent) summer.

Red Melba, for fall.

Yellow Delicious, for late fall.

Solid Red Delicious, for early winter.

Bright Red Jonathan, for the holidays.

Winesap, for winter.

Improved Yellow Transparent and Yellow Delicious start bearing young, followed by Red Melba and soon all are bearing, all on the same tree. This is the one tree for those who want several kinds of apples, but do not have much ground available. With its flowers, foliage, fruit, it is attractive enough to plant in front yard.

Specimen Trees, 6 to 8 feet tall

Each \$4.75, Not Postpaid

Big 3-Year Trees, 5 to 7 feet tall

Each \$3.95, Not Postpaid

5-in-1 APPLE TREE

F 75 This is exactly like the 6-in-1 except it has 5 varieties instead of 6. It has Lodi (Imp. Yellow Transparent), Red Melba, Yellow Delicious, Solid Red Delicious and bright Red Jonathan.

Big 3-Year Trees, 5 to 7 feet tall

Each \$3.35, Not Postpaid

Good 3 to 4 foot Trees

They bear young and heavily. All are budded from bearing true-to-name varieties.

The peaches are listed in their order of ripening. Sunhaven ripens here in mid-July, J. H. Hale in late August. Peaches need but little room, easy to grow. Our Iowa-grown, budded trees are hardy and bear young. Plant them 12 to 15 feet apart. All Inter-State Peaches except J. H. Hale are self-pollenizing.

F 8 Sunhaven—A new hardy variety which ripens a week before Red Haven. Medium-large, golden-yellow with red blush fruit of excellent quality, nearly fuzzless. Can't be beat for those first early Peaches.

F 14 Red Haven—This new variety is the leading early yellow peach. The fruit is large, almost a solid red like a Jonathan apple. The yellow flesh is firm, sweetly delicious, high quality. Free-stone.

F 11 Fairhaven—Ripens a few days earlier than Hale Haven. Very productive, hardy, often bearing when other varieties do not. Fruit is large, yellow with red cheek. Flesh is yellow, firm and fine flavor. Free-stone.

F 5 Champion—Free-stone. Large creamy-white with red cheek. Flesh is white, juicy, sweet and highest quality. A heavy, regular bearer. Hardy.

F 13 Richhaven—Tremendous producer of large, attractive peaches of the very finest flavor. Fruit is yellow with blush, nearly fuzzless and firm yellow flesh. An outstanding new free-stone variety.

F 9 Hale Haven—Free-stone. This fine new peach is rapidly overtaking Elberta. A heavy producer of large, yellow peaches of high quality. Hardy.

F 22 Sunapee—An extremely hardy new variety which yields loads of delicious yellow Peaches. Free-stone. Firm, golden yellow flesh of high quality.

F 15 Yellow Cling—This is a new variety that we selected because the fruits were medium-large, just right for pickling whole and for canning. The yellow flesh is firm, very delicious flavor.

F 6 Early Elberta—Free-stone. Yellow with blush. Fruit is large, yellow flesh, firm, juicy, delicious. Hardy. Increasing rapidly in popularity.

F 2 Polly—Those who have tasted Polly say that it is the finest flavored peach they ever ate. The fruit is very large, blushed, free-stone. The flesh is white and has that real sweet delicious peach taste. For sauce you simply cannot equal its flavor. Also makes fine preserves.

F 7 Elberta—This is the most popular of all peaches. Large handsome fruit, yellow with blush. Flesh is yellow firm, good quality, free-stone.

F 1 Sungold (Sold Only by Inter-State Nurseries) is very large, free-stone, beautifully blushed. Flesh is firm, golden yellow, full of juice, fine quality. Extra good for canning. Heavy, regular bearer. Tree is well-branched, stocky, rather low-growing making it easier to care for and pick.

F 10 J. H. Hale—Free-stone. Very large, golden yellow, flushed red with fuzzless skin. Flesh is yellow, solid, tender, high quality. Plant with other varieties for pollenization to increase yield.

YELLOW NECTARINE —The Fuzzless Peach

F 120 Yellow Nectarine—Delicious, medium-large fruit with true peach flavor. Smooth skin and NO FUZZ. Hardy, bears young and heavily. Ripens in August.

Same Prices As Peaches Above.

Golden Giant Apricot

Big Delicious Apricots

Ripening right after cherries and before the peaches, apricots are one of the most delicious fruits especially when picked fully ripe. They are all free-stone, fine for eating fresh, sauce, preserves, pies and freezing. Plant 20 feet apart.

F 25 Golden Giant (Plant Patent No. 1,053). This is the finest Apricot we have ever seen. The size is immense, 2 inches across and over 2 inches long, even larger than pictured. The color itself is appetizing, golden-orange with a light blush. For flavor we simply tell you that it is the finest you ever ate, sweet, juicy, tender, delicious. Even if picked fairly green, it develops this fine flavor whereas ordinary apricots when picked green taste insipid. It is a tremendous bearer. Has missed only 2 crops in many years at Grand Junction, Colorado, the home of the originator, Dave Moore. It has borne there when all other varieties failed. It makes a large attractive tree so you can plant it in your yard if you are short of room. For eating fresh, for canning, for preserves, for freezing, **GOLDEN GIANT** is in a class by itself. In apricot fruit districts we recommend that orchardists try some. We believe they will find this is just what they have been looking for. Its huge size, attractive color, fine flavor top the market! **Golden Giant is SOLD ONLY BY INTER-STATE NURSERIES.** Order today to make sure that you get yours this spring.

F 29 Hungarian—Large fruit of the highest quality. Hardy and good bearer. We recommend this highly.

F 26 Superb—This fine variety originated in Kansas and has been largely planted in the middle west. Hardy, productive. Fruit is medium large, orange-yellow, flesh firm, high quality.

F 110 Allred—Ornamental as well as fruitful. The tree, the foliage, the flowers, and the fruit are all purple-red. Hardy to Central Iowa.

F 103 Green Gage—The sweetest eating and canning plum, it is just full of sweet, sugary flavor. Large, greenish-yellow fruits, freely produced. Ripens in early September. Hardy to Central Iowa.

F 109 Mt. Royal—The hardiest European-type plum, it can be grown successfully even in the coldest states. The fruit is medium size, deep blue and freestone. Exceptionally high quality, the flesh is firm yet juicy. Fine for eating fresh and can't be beat for sauce.

F 102 New Lantz—This is an improved strain over the ordinary Damson. The blue plums are medium size of finest quality. Free-stone. A heavy regular bearer. Ripens in August. Hardy to northern Iowa.

F 104 Pipestone—The fruit is immense size, the largest plum we have ever grown, red with a golden blush. The flesh is yellow, juicy and excellent quality. Very hardy.

F 113 Premier—A new variety originated at Missouri Experiment Station. One of the largest of all Plums, as large as a medium-size apple, up to 2½ inches across. Bright red with firm, juicy yellow flesh. Ripens early August.

F 107 Superior—The fruit is large, attractive red color and a rich sweet flavor. It bears very heavily, every year. Ripens in early August. Very hardy. A good pollenizer for other plums.

F 108 Toka—The richest flavored of all plums—a sweet, somewhat spicy flavor. The fruit is quite large, a beautiful apricot color with very firm, yellow flesh. Ripens in August. Very hardy.

F 114 Twilite—Fruit is large, purple-red with firm red flesh of the highest quality. Perfectly hardy with us and a heavy, regular bearer.

Stanley

F 106 Stanley—This prune-plum is the most popular of all plums. Large, dark-blue, prune-shaped fruits. The rich yellow flesh is firm, sweet and delicious flavor. A heavy, regular bearer. Ripens in early September. Free-stone. Hardy up to central Iowa.

DELICIOUS, EASY-TO-GROW PEARS

Pears grow in any ordinary soil, even in sod, right in your yard. Plant 20 feet apart. Two trees, alike or different varieties, planted near each other so they can cross-pollenize, will both produce more heavily than if planted alone. To tell when Pears are ready to pick, place the palm of your hand

under a Pear, raise it gently and if the stem snaps off easily from the limb, they are ready to pick. Then put them in a cool, dark place to ripen and you will have Pears of the highest quality.

Maxine Large Size—Delicious Flavor Our Most Blight Resistant Pear

F 91 Maxine—This is by far the finest hardy pear ever created. It has everything a great pear should have—large size, beautiful golden-yellow color, rich delicious flavor even more luscious than the famous Bartlett and, most important of all, it is the most blight resistant variety we know. It has never shown any blight in our orchards when almost all other varieties have been damaged. We think Maxine will become even more popular than Bartlett when enough trees are available. The snow-white, juicy flesh simply melts in your mouth. Bears young, heavily and regularly, ripening in late summer. Plant several trees this spring.

F 90 Bartlett—Most popular summer pear. Fruit is large, juicy, sweet, high quality. Plant in poor ground where it is less likely to blight.

F 93 Bierschmitt—Blight resistant, heavy bearer. Fruit is large, yellow with blush, delicious flavor.

F 88 Cope's Seedless Pear—A Pear That Has No Seeds and No Core. The fruit is large, tender and sweet, juicy and delicious. If there are other varieties close, then Cope's may have a few small, immature seeds.

F 92 Kieffer—The most widely planted winter Pear. Bears young and heavily. A healthy, hardy, vigorous grower.

F 95 Patten—Ripens in August. The fruit is large with luscious flavor.

F 96 Seckel—Called the Sugar Pear because of its sweet, delicious flavor. Fruit is not large but the highest quality. Ripens in late summer.

Blueberries below, pictured 1/2 actual size

NEW, IMPROVED Blueberries

These 3 new, improved blueberries are far superior to common varieties. They have larger fruit, bear more profusely, better flavor and the bushes are so attractive you can plant them in your front yard with regular shrubs. The white flowers are lovely in the spring followed by the beautiful blue, luscious fruit. The waxy rich green foliage colors red in the fall. Wonderful for eating fresh, for pies and freezing. We sell only the three varieties together so they can cross pollenize. This is an all season collection of varieties that start ripening in late June continuing through early August. Plant in a cluster, 4 to 6 feet apart. Branched 3-year old plants, almost 2 feet tall that will bear next year after planting.

Blueberries prefer an acid soil. You can make your soil acid by mixing peat moss (page 6) with your soil or watering with 1 tablespoon of Aluminum Sulphate (you can get at the local drug store or we'll send you one pound for 50c) per gallon of water when planting and again 2 or 3 times in the summer.

INTER-STATE'S HARDY Vines

Clematis, COLORFUL, EVERBLOOMING

Clematis are the most colorful and many people think them the most beautiful of all flowering vines. On a porch, pergola, trellis or fence, they are truly a gorgeous sight, so many lovely flowers of purple, white, pink, blue and red, all summer. A location shaded from the hot afternoon sun is ideal. Our potted, growing plants will bloom this summer. Very hardy. Postpaid.

V 6 Comtesse de Bouchaud—Lovely large rosy-pink flowers for many weeks in late spring and summer. **Each \$1.25, 2 for \$2.25**

V 2 Henryi—A chastely pure white flower of unrivaled charm. Immense size, often 7 inches across, and produced all summer. **Each \$1.25, 2 for \$2.25**

V 3 Jackmani—When you see this plant, covered with hundreds of purple blooms, you will know why it is called the Queen of all Vines. The flowers are large, 4 to 6 inches across and produced freely all summer. The most colorful and attractive of all. **Each \$1.25, 2 for \$2.25**

V 23 Ernest Markham—Striking, velvety red flowers produced profusely. June to October. The finest red Clematis. **Each \$1.25, 2 for \$2.25**

V 5 Ramona—Large light blue flowers, June to October. **Each \$1.25, 2 for \$2.25**

VV 7 One Each of All 5 Above Clematis for \$4.75, Postpaid

GOLDEN CLEMATIS, Golden Flowers All Summer

V 8 Golden Clematis (Tangutica)—A rare variety with lantern-like golden yellow flowers all summer. Then in the fall the vine is covered with feathery silvery plumes. Hardy, easy to grow, vigorous grower, 10 to 15 feet. Does best in full sun. Use on trellis, fence, porch, cave or rocks. Lives for years becoming more attractive each passing season. **Each \$1.95, Postpaid**

WISTERIA VINES, Fragrant

Easy to grow from coast to coast excepting in the very coldest states. Long clusters of fragrant flowers in the spring. Our plants are grafted from blooming wood and start blooming much quicker than ordinary Wisteria.

V 12 Blue V 14 Pink V 15 Purple V 16 White

Your Choice Heavy 2-Year Plants, Each \$1.45, Postpaid

SILVER LACE, Fastest Growing Hardy Vine

V 17 Silver Lace—Often grows 10 to 12 feet the very first season. From mid-summer to late fall, completely covered with thousands of small white flowers. The foliage is glossy green. Ideal for porch, pergola, fence, stumps and banks. **Strong No. 1 Plants, Each \$1.00, 2 for \$1.85, Postpaid**

BOSTON IVY Clings To Walls

V 18 Boston Ivy (Amp. Veitchi)—Clings so closely to the walls, they seem to be shingled with leaves. Foliage colors a charming maroon in the fall. Clings without support to even the smoothest surface. Prefers north or east side. **2-Year No. 1 Vines, Each \$1.00, 2 for \$1.75, Postpaid**

Summer King Honeysuckle, below

SUMMER KING HONEYSUCKLE

Blooms All Summer

V 9 (Heckrottii)—From June until freezing, this magnificent plant is covered with showy clusters of large, fragrant flowers, rose-flame outside and gold inside. The attractive foliage, a rich blue-green, makes a perfect background for the brilliant flowers. Hardy, healthy, easy-to-grow. It can be used in so many places—porch, pergola, fence, fine for covering bank or cave, and especially beautiful for a trellis. **OUR PLANTS WILL BLOOM THIS SUMMER. Postpaid.**

EUONYMUS VEGETUS, Stays Green All Winter

V 30 Euonymus Vegetus—Stays green all winter. The only hardy vine we know that holds its glossy, rich green foliage all winter. Has scarlet berries for many weeks. A marvelous wall cover also fine for a ground cover as shown in picture. Grows in sun or shade. Grows rather slowly but every foot is attractive. Clings to anything.

2-Year No. 1 Plants, Each \$1.45, Postpaid

BITTERSWEET

New Sure-To-Fruit

V 19 Chinese Bittersweet (Loeseneri)—This is the surest and most prolific fruiting variety known.

The foliage is a rich, dark-green. Blooms in June. In autumn the clusters of attractive orange-scarlet berries are so thick they almost cover the entire vine. Just one plant will fruit. But if you plant two in the same hole or close together so they can cross-pollinate, they will bear still more. The berried branches make such fine fall and winter bouquets. Postpaid.

HARDY HEDGES

Bridal Wreath, Above

Winter-Green Hedge, above

HANDSOME *Bridal Wreath*

H 3 Bridal Wreath (Spirea Van Houtte)—This photograph shows the beauty of Bridal Wreath, America's most popular and widely planted untrimmed flowering hedge. Millions of small white blooms cover the gracefully arching branches, every spring, without fail. Requires no special care and lasts a lifetime. Perfectly hardy, grows everywhere, in full sun or partial shade. You see it all over America and everywhere it is attractive and thriving. Makes a marvelous natural hedge or screen 5 to 6 feet tall. Plant 2 to 3 feet apart.

AMAZING ROSA MULTIFLORA

H 7 Rosa Multiflora Japonica—The conservation people recommend this for a living hedge where you have plenty of room, for erosion control and an excellent wild life refuge. However, we do not advise using it on small city lots because when not trimmed it makes a bushy, thorny plant 6 to 8 feet tall and almost as wide. Other hedges are better if you want a trimmed hedge. Has white flowers in spring followed by red fruits which the birds like. Hardy up to central Iowa. Plant 18 to 24 inches apart.

Hardy Russian Privet, above

Chinese Elm Hedge, below

Winter-Green The Perfect Hedge, Holds Foliage All Winter

H 154 Winter-Green (Euonymus Erecta, Small Leaf)—This shrub is very much like the Winter-Green pictured on Page 27. But its leaves are smaller and it grows hardly 3-feet tall and is almost as wide. Makes a very dense, bushy plant that makes an ideal hedge because it never needs to be trimmed. Also it holds its foliage all winter. At first the leaves are a rich deep green then gradually take on an attractive purple tinge. Thrives in sun, part shade and full shade. If you want a narrower or smaller hedge, just a trimming or two, a year, will give you exactly what you want. Plant 18 inches apart. The 18 to 24-inch are heavily branched, and will give you a good hedge effect when planted. Winter-Green gives you an evergreen hedge at a fraction of the cost of Evergreens.

CLAVEY'S DWARF HONEYSUCKLE
A Perfect Hedge in Just One Year—See Page 34

HARDY *Privet* HEDGE

H 2 Hardy Russian Privet (Amoor River North)—Is by far the most popular hardy trimmed hedge in the northern states. It makes a permanent hedge, lasting for generations. Not only adds beauty, it also protects your yard especially if you have a corner lot. It is fine for a division line between yards. Can be trimmed to any desired height, making a thick, dense hedge, without thorns, right down to the ground. Requires trimming only twice during the summer. But if you trim it 3 or 4 times, it becomes more dense and bushy. Leaves are rich, dark green and hang on until very late fall. Plant 1 foot apart.

	Postpaid	12 for	25 for	50 for	100 for	200 for

H 9 Tatarian Honeysuckle—Thrives all over. Can be trimmed like a normal hedge. If not trimmed makes a magnificent, dense hedge screen 8 feet tall. Pink or creamy flowers in the spring, followed by bright red berries. Grows in full sun or part shade. Ideal for fast-growing flowering tall hedge or screen. Plant 12 inches apart for trimmed hedge, 2 to 3 feet apart if untrimmed.

CHINESE ELM for Hedge or Windbreaks

H 1 Chinese Elm—Is America's fastest growing hedge, making a good showing in just a few months. It is the first to leaf out in the spring and one of the last to shed in the fall. You can trim to any desired height from 3 to 10 feet, as a hedge or tall screen. The more you trim it the more dense and compact it becomes. We recommend that after planting, you cut off nearly all the top, leaving only 5 to 6 inches above ground. This will make a bushier hedge. Plant 8 inches apart. Also makes a fine WINDBREAK—fast growing, drought resistant and economical. For windbreaks, plant 5 to 6 feet apart in 2, 3 or 4 rows with alternate spacing. Do not trim after planting.

The Two Greatest Shrubs of the Century

\$150 CARDINAL SHRUB (Weigela Vanickei). Since we first called your attention to this unique new shrub, we have grown and sold nearly one million plants. It is rapidly becoming the most widely planted new hardy shrub in America. The reason is simply that it is truly All-American, thriving in the East, the West, the North (except coldest states), the South. Blooms spring, summer and fall. Plants set out this spring **WILL BLOOM THIS SEASON.**

We wish that you could see them blooming here. In May-June each one is simply covered from top to bottom with hundreds and hundreds of the lovely rosy-red flowers. They are trumpet-shaped, 1 to 1¼ inches across. After this first big display, there are some scattering blooms throughout the season. If you cut off sprays of flowers and use them for bouquets, the plant will flower even more freely than if you left them on.

At Hamburg, the Cardinal Shrub has withstood 15 below zero without injury. It is so easy to grow, not particular as to soil.

Thrives in full sun or part shade. Makes a shapely bush 6 feet or so tall with excellent foliage. It is the best hardy new shrub which we have ever tested. Also makes a fine untrimmed hedge. Just one in a neighborhood will make those who see it, want it. Look over your yard, whether large or small. You will find a spot where it will fit in. We ship them to you **POSTPAID**, trimmed ready for planting.

The Winter-Green below is growing in Manhattan, Kansas, a richer, brighter green than pictured

NEW, IMPROVED

Winter-Green Stays Green All Winter

\$155 Winter-Green (Euonymus Manhattan)—This is an improved selection of one of the most attractive and versatile of all shrubs. Brighter green foliage and it holds this rich green color through the winter far better than the regular Winter-Green. *The lustrous, glossy green leaves stay on all winter*, especially when planted in part or full shade. Makes a shapely bush 5 to 7 feet tall but can easily be trimmed to any desired height. Fine for foundation planting, as specimens, and a perfect background behind low shrubs, roses and perennials. Makes a wonderful hedge with its green foliage all through the winter. Thrives in sun or part shade, or even on the north side of house. Hardy here in southern Iowa but we do not advise planting farther north. Look over your yard and you will find spots where this shrub will help make your home more attractive. This fine shrub can be used instead of evergreens. Easier to grow, not as expensive, and grows faster. See Page 26 for Hedging Sizes.

THESE NEW *Summer Lilacs* BLOOM PROFUSELY AND CONTINUOUSLY

Four new Summer Lilacs (sometimes called Butterfly Bush or Buddleias), each the finest of its color. All bloom profusely and continuously from early summer to frost. No other shrub can compare with them for freedom of bloom. They make an attractive compact bush, 4 feet or so tall. The roots are hardy; the tops die down in winter, then come up again even more vigorously next spring. The lovely fragrant flowers are beautiful in the garden and fine for cutting. Plant in full sun or part shade. There is a place in every garden for these beautiful Summer Lilacs. Plant behind perennials and among shrubs. Strong, No. 1 field-grown plants. Postpaid.

Pink Flowering Almond

Flowering Almonds

The Pink Flowering Almond, pictured above, is completely covered with bright, rosy-pink, very double flowers. The White Flowering Almond is very similar except the flowers are a pure snow-white. These Flowering Almonds bloom early, right after the Golden Bell. Makes a rounded bush 3 to 4 feet tall. Grows from coast to coast and Canada to the Gulf. Thrives in full sun or part shade. Our plants are grown on their own roots. This means extra vigor and also they will not produce "wild suckers."

LOVELY *Crape Myrtle* BLOOMS MIDSUMMER TO FROST

The South's most beautiful shrub, can now be grown farther north by planting this hardier strain. However, we do not advise planting it north of southern Iowa. Grow it just like Everblooming Roses, giving winter protection by mounding up dirt before cold weather comes. It blooms on new growth so it does not matter if the old top is entirely killed. The flowers have lovely clear colors with a soft crepe-like texture. They bloom the first summer after planting. However, they have one peculiarity. They sometimes are slow to leaf out the first year. They stay dormant for several weeks and you wonder if they are dead. But after a while the leaves come out and they soon start blooming. The foliage is glossy deep green and it blooms in the hot summer months when flowers are so welcome.

\$ 48 Sunshine Shrub (*Hypericum Kalmianum*). It makes a perfect mound, 2 to 3 feet tall and 3 feet wide, very dense and bushy. We call it the "Sunshine Shrub" because of the cheery brightness it brings to home plantings. The bright, golden-yellow flowers are produced all summer long. The bluish-green foliage is attractive in itself. It makes a perfect single specimen, a wonderful border or low hedge and is attractive in a group planting. Very easy to grow, not particular as to soil, grows in full sun or part shade, even in quite dry places where most shrubs will not live. In severe winters the tops will die down. Next spring just cut off the old tops and new growth will come up from the roots. Find a place in your yard where you can plant it this spring. You will be delighted at the beauty it will add to your home this summer. Postpaid.

NEW IMPROVED

Azaleas

For the first time this spring we are able to offer you these new, improved Azaleas by name. Several years ago we asked our Azalea grower in Holland to increase production on these named varieties because our own tests here at Hamburg proved them to be superior to the common Azaleas. The flowers are brighter, larger and produced more profusely and the plants are more vigorous. We found that the Ghent Azaleas do equally as well as the Mollis. They bloom a little later and the flowers are larger and the colors more vivid. In May-June the flowers cover the bush giving a display of color unequalled by any other shrub. Prefers partial shade and a slightly acid soil. You can make your soil acid by mixing a liberal amount of peat moss (page 6) with the soil when planting or by watering with a tablespoon of aluminum sulphate or common sulphur per gallon of water several times during the summer. These fine plants are branched 10 to 18 inches tall and WILL BLOOM THIS SEASON. Postpaid.

BEAUTIFUL
NIKKO BLUE

Blue Hydrangea

\$ 55 **Blue Hydrangea** has immense flower heads, often a foot across, that last for many weeks. In ordinary soil the flowers are pink. In acid soil, they are blue. You can make your soil acid by mixing in one half Peat Moss (see page 6). Or, you can water twice a month with a tablespoon of aluminum sulphate per gallon of water. You cannot get aluminum sulphate from your drug store.

Does best in partial or full shade, even on north side of house. Grows only 3 to 4 feet tall making a well rounded shrub just as wide. Where winter temperature goes below zero give protection by mounding up 10 to 12 inches of soil around the plant before severe freezing weather. We do not recommend planting north of central Iowa. Postpaid.

Flowering Shrubs

Hypericum Henryi

Makes a Neat Shrub Covered With Golden-Yellow Flowers All Summer

\$ 49 *Hypericum Henryi*—If this rare shrub just had a simpler name, it would rapidly become extremely popular. It makes such a neat, dense, rounded shrub 2 feet tall, perfect in shape. In the fall it colors gold and purplish-red and is always attractive right from the first leaf. It blooms from early summer to frost, bright yellow flowers, 2½ inches across. In cold states, the tops will die down over winter. In the spring you simply cut off the old tops and new growth comes up from the roots. We recommend this very highly as being one of the best low-growing shrubs. Grows in sun or part shade. Postpaid.

12 to 18 inches..... Each \$1.50

Althea, DOUBLE ROSE OF SHARON

This fine shrub blooms mid-summer to frost when most other shrubs are through flowering. Makes a neat, upright shrub 6 to 8 feet tall, completely covered with large, double rose-like flowers. Ideal for screens, specimen planting or in the shrub border. These are our 3 most popular colors. The blue is actually a lovely lavender-purple.

FERN-LEAF EUONYMUS

S 39 Fern-Leaf Euonymus (Turkestanica). Here is one of the most rare yet beautiful shrubs we have ever seen. It was first called to our attention in Morden, Manitoba, Canada, where it has been growing for many years. Perfectly hardy. The Fern-Leaf Euonymus can be used in the shrub border, foundation plantings or it makes an ideal individual specimen. The foliage stays on all year, changing from rich green to bronze-purple in late fall. And in late summer the seed pods color bright pink which gradually open showing the bright orange red fruits. Grows 4 to 6 feet tall. Postpaid.

18 to 24 inches.....	1.45	2.45

H 15 Lodense Privet—We recommend this as one of the very best low-growing hedges, perfect for walks, borders and especially around the low modern homes. It makes a perfect mound 3 feet tall and 3 feet wide or it can be trimmed shorter and narrower. The luxuriant rich green foliage stays on late in the fall, coloring reddish-purple.

S 7 Barberry, Red Leaf is by far the most popular red leaved shrub in America. The foliage comes out a lustrous purple-red, becoming more brilliant in summer and in the fall turns a striking orange-scarlet. It has red berries which hang on nearly all winter. Makes a dense, compact shrub 3 to 4 feet tall.

FLOWERING CRABS

T 32 Jay Darling. One of America's favorite flowering crabs. In spring, it is completely covered with fragrant, bright pink flowers, followed by clusters of red fruit. In the spring and early summer the foliage is a rich, deep maroon. The fruit makes wonderful jelly. Perfectly hardy, easy to grow, it thrives everywhere. Grows 15 feet tall.

T 33 Purple Wave (P.R.R.) is the most attractive low-growing Purple Leaf Ornamental Flowering Crab. All season the foliage is a glorious purple with copper undertone. Lovely fragrant flowers in early spring of rose-red, followed by red fruits in late summer. Grows 8 feet tall. Hardy.

Your Choice 4 Flowering Crabs

4 to 5 feet, Postpaid.....	Each 1.95
3 to 4 feet, Postpaid.....	Each 1.65

T 43 Slender Siberian Flowering Crab (Baccata). The finest tree we know for columnar planting. It makes a beautiful screen about 15 feet tall, white flowers in spring, golden fruits in summer.

T 34 Van Eseltine Flowering Crab. We believe this is the finest flowering crab with green foliage and pink flowers. Grows only 12 feet tall. In the spring it is covered with exquisite semi-double pink flowers, red in bud. Red fruits in late summer and fall.

New Hamburg Hybrid Elm

T 3 Hamburg Hybrid Elm. This is an entirely new tree, a Hybrid Elm, the fastest growing tree we have. In just ordinary soil and under normal conditions, it grows 6 to 10 feet a year. It grows so rapidly that in just five years after planting, you will have a handsome shade tree. Neither winter's cold nor summer's heat bother it the slightest. And most important of all, it has proven to be absolutely immune to the phloem necrosis virus, the dreaded disease which is killing American Elm trees.

Makes a shapely tree with large, dark green leaves. Withstands very well wind and sleet storms. Perfectly hardy here. An amazingly rapid grower, there are countless thousands of homes where it will quickly bring shade and beauty, planted in the lawn or parking. This is a lasting investment, yet it brings quick returns. Plant this spring.

T 17 Beatrice Locust, Thornless. A magnificent tree, shaped very much like the American Elm, wide spreading at the top. It is the finest Thornless Honey Locust we have ever seen. Grows rapidly, does not sucker from the roots. Hardy, handsome, no thorns, easy to grow. Especially valuable for city planting as it withstands dust, disease, smoke and other difficult conditions. Foliage is feathery, fernlike, colors golden in the fall. Rarely sets seed.

New Fast-Growing Hamburg Hybrid Elm

CHINESE ELM

T 20 Chinese Elm. Because of its extremely rapid growth, the Chinese Elm has become popular. Under ordinary conditions, it grows 5 feet a year. In just a few years, it makes excellent shade. It is very valuable for those sections of America where most other trees will not live or thrive, where it is hot and dry, even in alkali. But in those sections where Maples, Oaks, Locust and Elm are grown, we advise planting the Chinese Elm only for quick shade. There are hundreds of thousands of such homes, which would be more attractive if some of these quick-growing Chinese Elms were planted.

CHRISTINE BUISMAN ELM

New Disease Resistant Elm

T 40 Elm, Christine Buisman. This sensational new elm is highly resistant to the diseases which are killing so many of the beautiful American Elm trees. Tests by the U. S. Dept. of Agriculture prove that the Christine Buisman Elm is not affected by either the Dutch Elm disease or phloem necrosis. This is the tree you should plant instead of American Elm for the finest in large, permanent shade trees. It makes an attractive, shapely, well-branched tree. The foliage is a handsome, rich dark green and stays on until late in the fall. It grows almost as rapidly as the American Elm.

ORNAMENTAL TREES FOR EVERY HOME

T 2 Golden Chain Tree, Laburnum Vossii. One of the rarest and most beautiful low-growing trees. In the spring it is filled with golden flowers, in graceful clusters 12 to 18 inches long. A sight that stops all who pass by. Here at Hamburg it must be planted in a spot protected from winter winds. So we do not advise planting it north of extreme southern Iowa. But East and South of us it will make your yard a center of attraction.

Hardest Magnolia AMERICA'S FAVORITE FLOWERING TREE →

T 18 Magnolia, Soulangeana—This is the hardest Magnolia and many consider it the most beautiful of all flowering trees. One of the first trees to bloom in early spring. The blossoms are very large, often 8 inches across, purple-pink on the outside and white on the inside. Grows 15 to 18 feet tall and often blooms the same year planted. There are several fine specimens in Hamburg but we think this is the northern limit.

4 to 5 feet, Not Postpaid	Each \$5.95, 2 for \$10.95

Pin Oak THE MOST MAJESTIC OF SHADE TREES, Pictured on page 37

T 11 Everybody thinks the Oak is a grand tree. Now we are offering Pin Oak, the finest of all Oaks, at special prices. Careful records have shown that the Pin Oak, the fastest growing of all the Oaks, actually grows almost as fast as the American Elm. It is one of the most enduring of all trees. A tree planted now will be a great pleasure to you and for generations to come. For street and lawn planting it has no equal. It grows in symmetrical, pyramidal form and at maturity towers 60 feet high. The rich green foliage is deeply cut and colors to a glorious coppery-red in the fall. A sturdy, rugged grower, it adapts itself to all locations and is not bothered by insects.

Scarlet Maple BRILLIANT FALL COLORING, Pictured on page 37

T 10 Scarlet Maple (Rubrum). In the fall, this is gorgeously colored. The leaves are a brilliant rosy-scarlet, much brighter than pictured here. In the spring, the tree is full of scarlet flowers followed by bright red seed. The spring and summer foliage is also attractive, deep green above and blue-green below. Makes a large, shapely, long-lived tree that is not so dense but grass grows underneath. Very valuable for lawn and parking. Grows from the gulf to Minnesota, Coast to Coast.

Radiant AMERICA'S FINEST FLOWERING CRAB, Pictured on page 37

T 37 Radiant Flowering Crab. The name is perfect for this great new flowering crab as it literally radiates beauty from any landscape planting. Radiant in flower, Radiant in foliage, Radiant in fruit. Its all-season beauty makes it superb for background planting in the garden, as an accent point in the shrub border or as an individual lawn specimen. Wherever you plant it, you will be delighted with its charm and loveliness.

Radiant bursts into bloom in early spring with a refreshing cheerfulness that only spring flowers have. The bright rosy-red flowers are followed by crimson-red fruit in mid-summer, so brilliantly-colored and long-lasting that you actually have two "colorful" seasons from one tree. Add the ideal shape and the handsome foliage and you have the perfect ornamental, flowering tree for every home in America. The new foliage is purple-red, becoming rich green.

Radiant was created by the University of Minnesota, origin of many of the country's finest horticultural developments. Perfectly hardy, easy to grow and early flowering as it usually blooms the first or second year after planting. Grows 12 to 15 feet tall.

6 to 8 feet, Not Postpaid	Each \$3.95, 2 for \$5.95

Sugar Maple ORANGE, GOLD AND SCARLET FALL FOLIAGE

T 6 The Sugar Maple (also called Hard Maple) is native to almost every state east of the Rockies excepting the gulf states. It is a permanent tree that lasts for generations. There are many homes in America which are identified by their magnificent Sugar Maples. Our trees are the northern. This strain colors more attractively in the fall when its luxuriant foliage is marvelous with tints of orange, gold and scarlet. It makes a large, spreading, perfectly formed tree, of which you will be proud.

BEAUTIFUL *Trees* FOR YOUR HOME

New Sunburst® Thornless Locust

T 47 Sunburst Thornless Locust (P.P. 1313). We know of no other ornamental shade tree that approaches its distinctive, unusual beauty. The branch tips of bright golden-yellow, shading to bronze at the ends, contrast perfectly with the rich green inner foliage to make it look like a flowering tree bursting with bloom. And, it keeps this lovely spring appearance all summer long.

Sunburst is not only ornamental but also makes a fine, medium-size shade tree, reaching 30 to 35 feet at maturity, perfect for low, modern homes. Ideal for lawn planting as its lovely lacy foliage allows grass to grow under it, even up to the trunk. Extremely hardy and easy to grow, it thrives in even the most difficult conditions of bad weather and drought and is also resistant to insects and diseases.

White Clump Birch *Nature at Its Finest*

T 8 White Clump Birch is a rare form, grown as a clump with 3 or more distinct trunks with only one root system. It gives a very attractive naturalistic effect to any yard. The bark turns white after 2 or 3 years and stays white winter and summer. The green foliage turns a pleasing yellow in the fall. Grows 25 to 30 feet tall and grass will grow right up to the trunks. Perfectly hardy, easy to grow, thrives everywhere except in the southern states.

Crimson King Maple, below

Crimson King Maple

T 7 Crimson King Maple (P.P. 735). Truly a King of the ornamental trees, it is distinctive, colorful, captivating. Far superior to Schwedler's Purple Maple. The foliage is a deep maroon-purple from the time it leafs out until the leaves fall. This rich color adds an exhilarating contrast to the prevalent greens. Fine for city planting, not harmed by smoke, gasses, dust. It will live for many generations, becoming more attractive each passing year. We have sold many thousands since we first offered it, spring of 1949. Now we are receiving enthusiastic letters of praise. The trees we send you are one year old top, 3 year old roots. They are especially fine specimens this spring. They will start branching the first summer and every leaf, every inch of growth will be a delight. Perfectly hardy and easy to grow. **BE SURE TO WATER YOUR SHADE TREES THOROUGHLY EVERY FALL.**

Magnificent, New Grandiflora Roses

Grandiflora is an exciting new class of roses. It combines the abundant bloom and rugged hardiness of the *Floribundas* with the wonderful bud form, long lasting, larger flowers and superb cutting stems of the Hybrid *Teas*. Makes a vigorous plant 3 to 4 feet tall.

C 230 Queen Elizabeth (P.P. 1259). 1955 AARS Award Winner. This magnificent new rose presents a new color, a breathtaking blending of soft carmine rose and dawn pink, majestically set off by deep green, glossy foliage. The plant has exceptional vigor and disease resistance to assure you of lovely, fragrant flowers all summer long and for many summers to come, increasing in vigor and beauty every year. We consider it one of the greatest roses ever created. Postpaid.

The Greatest Roses

Charlotte
Armstrong

C 10 Charlotte Armstrong (P.P. 455). One of the world's best roses; winner of many honors. Magnificent in the garden because of its great vigor, disease-resistant foliage and freedom of bloom. Long streamlined carmine buds open into enchanting flowers of the loveliest cerise, beautiful at all stages. Long stems fine for cutting.

Large Specimen Plants Each \$2.50, 3 for \$6.60
Select 2-Year No. 1 Plants... Each 2.25, 3 for 6.00

C 58 Peace (P.P. 591). The greatest rose ever created. The perfect buds open slowly into large, fragrant, fully double flowers. Its greatest charm is the changing panorama of colors. The buds are rich gold edged cerise. As the outer petals unfold, the gold changes to canary then lightens to creamy ivory. The cerise edge gradually deepens and becomes broader so the fully open flower appears a sparkling cerise with a creamy-yellow base. Last unusually long, beautiful at all stages, retaining its perfect form. A vigorous, healthy, free-blooming bush.

Large Specimen Plants Each \$2.75, 3 for \$7.20
Select 2-Year No. 1 Plants... Each 2.50, 3 for 6.60

C 24 Chrysler Imperial (P.P. 1167). 1953 All America Award Winner. It may well prove to be the greatest red exhibition rose of all time. In color it is unmatched by any other red rose, a vivid, rich crimson whose true beauty and texture cannot be reproduced on paper. The long tapering buds open to large, high-centered flowers $4\frac{1}{2}$ to 5 inches across with 40 to 50 velvety petals and very fragrant. Borne singly on stems, fine for cutting. The plant is sturdy and healthy with an abundance of dark green, semi-glossy foliage.

of All Time!

These 6 Roses on page 40 and 41 are truly the "cream of the crop." Each one ranks among the very best of its color according to all tests and ratings both in this country and throughout the world. One of these, Peace, is generally accepted as the greatest Rose ever created. If you have seen it bloom you will know why it deserves this distinction. Chrysler Imperial and New Yorker rate along with the famous Crimson Glory as the top red Roses. Charlotte Armstrong, Helen Traubel and Sutter's Gold all rate as the finest in their respective color class. It is impossible to capture their exquisite beauty on paper. You must see them in full, glorious flower to appreciate how outstanding they are. Be sure to plant them this Spring. In a few short weeks they will be blooming in your garden. Excellent for cutting with their long, strong stems. *All Inter-State Roses are guaranteed to please you when you receive them and also when they bloom in your garden this summer. All Roses are shipped Postpaid, trimmed for planting.*

C 61 New Yorker (P.P. 823). The enchanting fragrant unfading red flowers are borne in profusion on robust healthy plants, with long stems ideal for cutting. Grows perfectly with little care. The tremendous flowers often 6½ inches across make any garden a showplace. If you already have it, add more plants to your garden, if not, by all means try a few plants this spring.

An All America Rose Selection Award indicated by this symbol  is the highest honor a rose

can achieve in America. The All America Selections system is a unique method for testing new varieties before they are introduced to the public. A rose has to be superior in every respect to win an award because it is tested by experts in trial rose gardens in all sections of the U. S. Not only are the flowers superior but also the plant and habit of growth. They cost but little more than other varieties and are well worth the difference.

We Guarantee every Gold Medal Rose to please you when you receive it and also when it blooms this summer

Hundreds of thousands of these famous Inter-State Gold Medal Roses have been planted from coast to coast. Nothing we have sold has made us more friends and new customers. NOTHING COULD BE FINER AS A GIFT TO A RELATIVE OR FRIEND. They are fully described on pages 50 and 51. We send you the finest 2-Year Field-grown plants, trimmed ready for planting. They WILL BLOOM THIS SUMMER and many summers to come, from early June until Frost. Order Early, Plant Early and in a few weeks you will have beautiful roses blooming in your garden.

CC 1A ALL 10 FOR \$11⁹⁵

Our Largest Size Specimen Plants, Postpaid

If all of you had seen last summer the big fields of Inter-State's Roses, we simply would not have half enough. Large, sturdy, healthy, vigorous plants, full of magnificent flowers. No finer rose plants in all America and few their equal. Carefully dug and handled, they are now in our new exclusive Refrigerated Storage with ideal temperature and moisture control. We can keep these plants in dormant and perfect planting condition into June. But we advise planting as early as you can because the sooner you plant, the sooner they bloom.

Crimson Glory

Inter-State's Finest

Mirandy

The varieties pictured and described on pages 44 and 45 are 6 of our very best everblooming hybrid tea roses. Their lovely, colorful flowers will make a spectacular showing in your garden this summer and for many years to come. All 6 will bloom profusely from late spring until freezing weather in the fall—large, fully-double flowers, rich colors, long stems for gorgeous bouquets. It's so nice to be able to go into your own garden and cut a fresh bouquet for yourself or for friends. Plant several Inter-State Roses this spring and in a few weeks you'll be cutting the beautiful flowers.

Mirandy, RICH DEEP CRIMSON

C 50 Mirandy (P.P. 632). This is one of America's finest dark red roses. Large buds open into immense fully double flowers with 50 petals and last a long time. Very fragrant. Blooms singly on long stems, fine for cutting. Vigorous grower with deep green, luxuriant foliage. A prolific bloomer from June to frost. Postpaid.

Tiffany, RADIANT LIGHT-PINK

C 79 Tiffany (P.P. 1304). The finest light pink ever to win the All America Award. This outstanding new rose produces long, pointed buds of deep pink which open into large, perfectly-formed flowers of radiant light pink with a golden shading at the base of the petals. It is delightfully fragrant, long-lasting and comes singly on strong stems, fine for cutting. Makes a vigorous, upright plant with beautiful dark green foliage. Postpaid.

Glorious Floribundas

WILL BLOOM FROM JUNE TO FROST

Floribunda Roses are becoming more popular every year as they help make America's homes more colorful, more attractive. Their shapely plants are perfect for beds, borders, as a stunning flowering hedge or in plantings with shrubs and evergreens. Also, in front of picture windows their bright, cheerful flowers can be enjoyed from both inside and outside the house. Inter-State's floribundas are the finest money can buy. They are guaranteed to please you when you receive the plants and also when they bloom this summer. See catalog envelope, pages 52 and 53 for more radiant floribundas. Postpaid.

CC 116 All 6 for 11.75 Select 2-Year No. 1 Plants

C 194 Vogue (P.P. 926), brings a new distinct color to the Floribundas, bright cherry-coral. Attractive buds open into perfectly formed, high centered flowers, 3 to 4 inches across. Delightfully fragrant. Makes a husky plant nearly 3 feet tall. Cutting the flowers freely will stimulate more bloom.

Large Specimen Plants Each \$2.25, 3 for \$6.00, 12 for \$23.50
Select 2-Year No. 1 Plants Each 2.00, 3 for 5.25, 12 for 20.50

C 198 Circus (P.P. 1382) is the first multicolored Floribunda to win the AARS Award. The constantly changing panorama of colors will delight you. The perfect buds are bright yellow and orange becoming orange-buff with shades of pink on the outer petals which gradually develop into cerise when fully open. The hybrid-tea style flowers are fully-double, fragrant. 2 feet tall.

Large Specimen Plants Each \$2.75, 3 for \$7.20, 12 for \$28.50
2-Year No. 1 Plants Each 2.50, 3 for 6.60, 12 for 26.00

C 199 White Bouquet (P.P. 1415) 1957 All America Winner. The Gardenia-like flowers are large, often measuring 4 to 5 inches across, a sparkling pure white which contrasts beautifully with the healthy luxuriant dark green foliage. Makes a bushy plant 1½ to 2 feet tall and almost as wide, covered with spicy-sweet fragrant blooms from June until Frost.

Large Specimen Plants Each \$2.75, 3 for \$7.20, 12 for \$28.50
Select 2-Year No. 1 Plants Each 2.50, 3 for 6.60, 12 for 26.00

C 85 Fashion (P.P. 789) is considered the finest Floribunda ever introduced. The vigorous, healthy plants are covered with big clusters of blooms from June to Frost. An excitingly different color in roses, warm oriental-red buds open into the loveliest sparkling coral-pink richly suffused with gold. Their exquisite old-rose fragrance fills the air. Hardy, makes a bushy plant 24 inches tall.

**BEAUTIFUL
EVERBLOOMING**

Tree Roses

Enjoy Roses, the Queen of Flowers, at eye level in unique, superlative tree form. All are everblooming, giving a continuous display of lovely, fragrant blooms from June to frost. The flowers are even larger, more beautiful and more freely produced than on regular bush roses. They are grown by budding the varieties 3 feet above the ground on a special tree rose stock. Our Planting Guide gives a simple method of winter protection. Each variety (in bush form) is described on pages indicated below. In case we are sold out of the variety you order, please indicate your second choice. Inter-State Tree Roses are the finest grown, guaranteed to please you when you receive them and also when they bloom this summer.

YOUR CHOICE OF THE FOLLOWING VARIETIES

Postpaid and Trimmed Ready for Planting

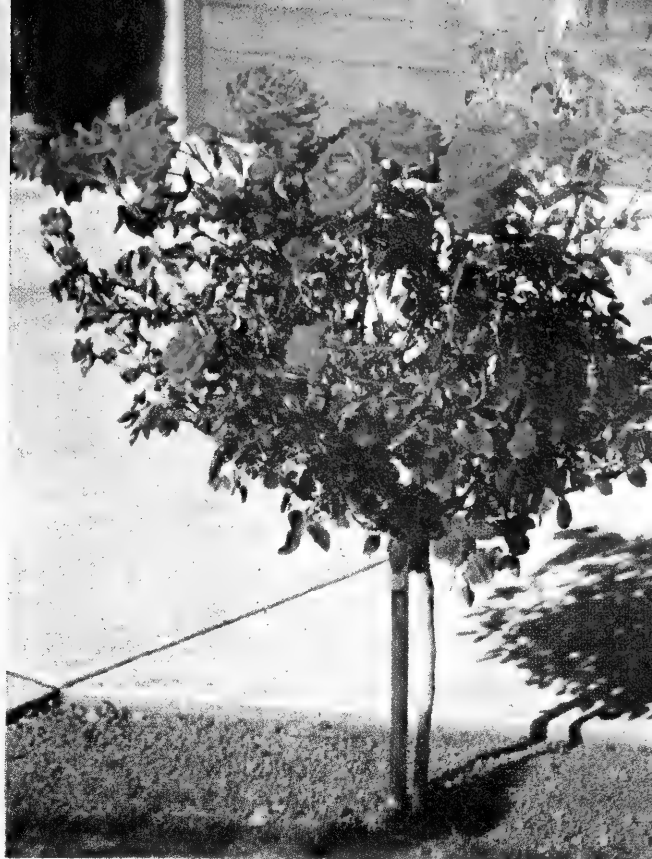

Each \$6.50 2 for \$12.00 4 for \$23.00

EVERBLOOMING HYBRID TEA TREE ROSES

- TC 132 **Charlotte Armstrong.** Cerise, one of the world's greatest. (See page 40).
 TC 139 **Chrysler Imperial.** Pictured at right. Vivid, rich crimson. 1953 AARS Award Winner, outstanding in tree form (see page 40).
 TC 125 **Crimson Glory.** Most popular red rose (pages 43, 50).
 TC 126 **Eclipse.** Radiant, clear yellow (pages 43, 50).
 TC 147 **Helen Traubel.** Our finest pink rose (page 41).
 TC 143 **New Yorker.** Huge flowers of brilliant crimson (page 41).
 TC 135 **Peace.** Gold, canary, cream and pink, the greatest of all roses. Outstanding in tree form (page 40).
 TC 140 **Sutter's Gold.** Bright copper buds open to golden yellow flowers (Page 41).
 TC 131 **The Doctor.** A shining, beautiful pure pink (pages 43, 51).
 TC 148 **White Knight.** Large flowers of pure snowwhite (page 45).

EVERBLOOMING FLORIBUNDA TREE ROSES

- TC 145 **Circus.** Apricot buds become orange-buff and cerise (page 46).
 TC 127 **Fashion.** Coral-pink, the most popular Floribunda (page 46).
 TC 137 **Fusilier.** 1958 AARS Winner. Brilliant cherry-red floribunda (see below).
 TC 136 **Gold Cup.** Profuse producer of golden-yellow flowers (see below).

New, Hardy

Bloom Spring to Frost

For mass display of color, hardly anything can equal climbing roses in full bloom. Used on porches, arbors, trellises and trailing over fences. All these climbers are hardy, but we recommend that winter protection be given in cold sections. Set 3 to 4 feet apart. Dr. J. H. Nicolas, Blaze, Paul's Scarlet, Gladiator, Golden Showers, Climbing Chrysler Imperial and Coral Pillar are ideal for trellis. They are Pillar type and do not grow as vigorously as the others. Gold Rush, New Dawn and White Dawn grow more vigorously and can be used for trellis, porch, pergola or fence. City of York and Zephyr are ideal for pergola, porch or fence as they are such strong growers. We recommend using Ra-Pid-Gro (page 7) when planting and every 3 or 4 weeks during June, July and August. All climbing roses are **Postpaid**.

Everblooming Climbing Roses

Blaze, brilliant, scarlet-crimson. Pictured on Page 48

C 155 Blaze—Our most popular red climbing rose. Blaze is completely covered with brilliant scarlet-crimson flowers in June and repeat blooms intermittently all season. It holds this bright color in even the hottest sun, a sight that will stop the traffic to see this spectacular rose in full bloom. It makes an ideal pillar rose for planting along fences, porches or arches.

Large Specimen Plants, Each \$1.75, 3 for \$4.50, Postpaid
2-Year No. 1 Plants, Each 1.50, 3 for 3.90, Postpaid

Dr. J. H. Nicolas, lovely rose-pink

C 165 Dr. J. H. Nicolas (P.P. 457). This picture, made from a color photograph, shows the beauty and freedom of bloom of this remarkable new rose. From late spring to hard frost the fully double, 50 to 60 petals, deep rose-pink flowers are produced. Very fragrant, they come on long stems fine for cutting. Hardy as Paul's Scarlet and disease resistant. Very fine as a pillar rose. The most popular climber we ever sold. It produces flowers just as perfect as those from a bush rose. Fertilize with Ra-Pid-Gro, Vigoro, etc. The more it grows, the more it blooms. Will bloom this summer. *Pictured on Page 48.*

Large Specimen Plants, Each \$2.25, 3 for \$6.00, Postpaid
2-Year No. 1 Plants, Each 2.00, 3 for 5.25, Postpaid

Gladiator, New, Everblooming. Pictured on Page 48

C 164 Gladiator (P.P. 1524). A new everblooming Climbing Rose with immense 5-inch high-centered fragrant flowers of a glowing rosy-carmine-red. It blooms and re-blooms from Spring to Frost. Has withstood below zero with us but we advise winter protection in cold states so as to take no chance of losing any of the wonderful flowers the following Summer. Strong grower, 8 to 10-feet tall, with blooms all over the plant.

Large Specimen Plants, Each \$3.00, 3 for \$7.95, Postpaid
2-Year No. 1 Plants, Each 2.75, 3 for 7.20, Postpaid

CLIMBING *Golden Showers*

C 162 Golden Showers (P.P. 1557). The first Climbing Rose to win the AARS Award in 16 years. An all-purpose climber, it can be trained on a fence or trellis, or it makes a natural, self-supporting pillar Rose about 5 to 6 feet tall. However you use it, Golden Showers is certain to make your home or garden more beautiful. And it is everblooming, beginning with a grand display in late spring and blooming continuously until late fall. The fragrant 4 to 5 inch flowers are a fresh daffodil yellow. *Pictured on Page 48.*

Large Specimen Plants, Each \$3.00, 3 for \$7.95, Postpaid
2-Year No. 1 Plants, Each 2.75, 3 for 7.20, Postpaid

GOLD RUSH, hardy—everblooming

C 170 Gold Rush—At last we have a hardy everblooming yellow climbing rose. The lovely flowers are large, double, high-centered and a rich golden yellow. They are produced from late spring to frost. Will bloom this summer and fall. The foliage is a glossy ivy-green. Hardy, a vigorous grower, this new variety is certainly welcome.

Large Specimen, Each \$2.25, 3 for \$6.00
2-Year No. 1, Each 2.00, 3 for 5.25

CLIMBING CHRYSLER IMPERIAL

C 163 Climbing Chrysler Imperial (P.P. 1528). Now the famous Chrysler Imperial as a climber. The same rich, brilliant crimson flowers as pictured on page 40. Perfectly-formed, high centered flowers, 4 to 5 inches across cover the plant from June until late fall. WILL BLOOM THIS SUMMER.

Specimen, Each \$3.00, 3 for \$7.95
2-Year No. 1, Each 2.75, 3 for 7.20

C 156 City of York—The best white climbing rose. For weeks in late spring and early summer, absolutely covered with the 3-inch pure white flowers. So fragrant they perfume the entire area. There is some recurrent bloom during summer and fall.

Specimen, Each \$1.75, 3 for \$4.50
2-Year No. 1, Each 1.50, 3 for 3.75

C 154 Coral Pillar—This magnificent new everblooming rose is a perfect pillar and climbing rose. The flowers are large, a brilliant blending of pink, carmine, gold and apricot. Hardly ever out of bloom from spring to frost.

Specimen, Each \$1.90, 3 for \$4.55
2-Year No. 1, Each 1.65, 3 for 3.95

C 152 New Dawn—The flowers are large, double, a lovely apple-blossom pink, delightfully fragrant. They come on long stems fine for cutting. Blooms constantly from late spring to frost. An ideal pillar rose. Hardy. Will bloom this season.

Specimen, Each \$1.75, 3 for \$4.50
2-Year No. 1, Each 1.50, 3 for 3.75

C 161 Paul's Scarlet—This famous rose is the most popular red climbing rose ever created. A mature plant in full bloom is a sight that simply stops everybody who passes by. It is a solid sheet of blazing scarlet. The color does not fade but is as bright when last petal falls as when it opened. The flowers come in clusters on long stems. Plant on trellis or porch.

Specimen, Each \$1.45, 3 for \$3.75
2-Year No. 1, Each 1.25, 3 for 3.25

Inter-State's ROSE GUARANTEE

We believe our roses are the finest it is possible to produce. They are guaranteed to grow and bloom for you this summer, except some climbers which bloom next year after planting. If they do not, notify us by August 1st, 1959 and we will replace them free.

Remember that roses are living plants and respond to good care and attention. With each order we send a Planting Guide. Just follow the simple planting and cultural instructions and you will have glorious flowers. Fertile soil and loving care means more and better blooms.

Use RA-PID-GRO (page 7) regularly for more and better flowers.

The Rose is rightfully called the Queen of All Flowers. None other can equal its fragrance, its colorful beauty, its grace, its freedom of bloom from spring to frost. Can you think of another hobby that will provide more pleasure, more beauty than growing roses? Each year many thousands buy from this fascinating selection of glorious, hardy, everblooming Hybrid Tea roses. They will commence blooming 7 to 8 weeks after planting. PLANT ROSES EARLY, the time when people are putting in early gardens. Plant 20 to 24 inches apart. With each order we send Planting Instructions telling you how to plant and care for your roses.

We wish that you could have seen last summer our large field of roses. There are none finer and few their equal. They matured perfectly and are now in our new exclusive rose refrigerated storage, with ideal temperature and moisture control. We believe it is the finest rose storage built, and will keep the rose plants in perfect, dormant planting condition into early summer. BUT WE ADVISE THAT YOU ORDER EARLY AND PLANT EARLY. The sooner you plant, the sooner you get flowers.

Those who prefer extra large bushes, will select the Large Specimen Plants. These are big and husky, well-branched and heavily rooted, the cream of the crop. However, we assure you that our Select 2-Year No. 1 Plants will satisfy critical buyers. They have made Inter-State Roses famous all over America. The Standard 2-Year Medium (No. 1½ grade) Plants are smaller than the 2-Year No. 1. They will bloom this summer and are a good value.

Prices on all roses on pages 50 and 51 (except Allure).

C 12 Allure (P. P. 886)—A new rose we introduced spring of 1950. We think that it is the finest rose of its color. In the first place the plant is so healthy, vigorous and free-blooming, with glossy leathery foliage. It won a First Certificate at the Famous Bagatelle Gardens. The buds are large, pointed, perfect form and gradually unfurl to a very large, high-centered flower with a pleasing fragrance. It lasts a long time. The color is a rich shining Neyron rose suffused with gold and tinted salmon. When fully open the flowers are 5 to 6 inches across. They come singly on long stems, very fine for cutting. Has very few thorns. It is far more beautiful than pictured on Page 42.

Specimen Plants, Each \$2.00; 3 for \$5.25
2-Year No. 1 Plants, Each 1.75; 3 for 4.65

C 22 Christopher Stone—A most exciting new rose—a brilliant, sparkling scarlet-crimson without a trace of blue. Shapely long pointed buds open into large attractive flowers with the true old damask rose fragrance. A healthy, vigorous grower and exceedingly free-bloomer. Stands lots of heat. One of the best bright red roses. Pictured on page 42.

C 42 Countess Vandal—The long, pointed, orange-copper buds will delight you. Without doubt, one of the finest roses in bud form. Opens into large, double, high-centered flowers of brilliant pink shaded salmon with yellow at the base of the petals. Makes a healthy, free-blooming plant. Fragrant. Unbeatable as a cut flower. Even more beautiful than pictured on Page 42.

C 21 Condesa de Sastago—Large, fragrant flowers with inside of petals red and outside yellow, creating a striking two-tone effect. An unusually healthy, vigorous grower, very free-blooming. Thrives even under difficult conditions.

C 11 Crimson Glory—Pictured on page 43. America's favorite red rose. Perfect buds open into large, magnificent blooms of velvety deep crimson. So fragrant that only a few flowers will perfume a room. A healthy grower, it produces its beautiful flowers from late spring to frost.

C 25 Duquesa de Penaranda—A most intriguing color of orange-apricot, with deeper coppery tones, large pointed buds, sweetly perfumed, long lasting. A tall, strong grower with beautiful foliage. One of the first varieties to bloom in the spring. Pictured on page 43.

C 26 Eclipse—We rate this one of the best of all yellow roses. The golden-yellow, streamlined buds are often more than 2 inches long ornamented with narrow, branching sepals. Very fine for cutting with their strong, erect stems. The vigorous, upright plants are in bloom almost continuously from June until Frost. Pictured on page 43.

C 27 Editor McFarland—All through the season the lovely fragrant, glowing pink flowers are produced on long, strong stems, fine for cutting. The buds are perfect. One of the finest pink roses.

C 30 Etoile de Hollande—One of the grandest red roses of all time. The buds are simply perfect and they open into large, glorious flowers of velvety crimson. Very fragrant, fine stems for cutting. A strong, healthy grower and free-blooming.

Everblooming Roses

Plant This Spring
For Blooms This Summer

C 34 Frau Karl Druschki—The magnificent white rose that is loved by all. Immense long, pointed buds open into graceful flowers that are unsurpassed for form and the color is the clearest, pure white. Perfectly hardy. Such a vigorous grower you should plant them farther apart.

C 36 Golden Dawn—The gorgeous buds of yellow have splashes of carmine and open into large, fragrant flowers of rich yellow. Hardy, vigorous, free-blooming. The highest rated non-patented yellow rose.

C 44 K. A. Victoria—Absolutely perfect, fragrant flowers of ivory-white. An old favorite that even today is unsurpassed.

C 47 McGredy's Ivory—A magnificent creamy-white rose that is fragrant and deep-petaled. Buds are long pointed, opening into very large, double flowers. Many consider it the finest white rose. Pictured on page 43.

C 49 McGredy's Yellow—This is our favorite yellow rose. The color is so soft and clear and pure. The flower has a charm and grace all its own and entirely distinct. A strong grower and free bloomer. Pictured on page 42.

C 51 Mme. Joseph Perraud—An outstanding rose. A wonderful exhibition and garden rose. The long slender buds open into fragrant full flowers of nasturtium buff flushed orange. Very vigorous. Large, glossy foliage.

C 52 Mme. Jules Bouche—A very fine white garden rose. The sweetly scented blooms are produced all season and last a long time when cut. Exceedingly prolific bloomer.

Get-Acquainted Special

These are five of the best roses, vigorous growers, free-blooming. This Special Offer is made so that you can plant them in your own garden and find out for yourself the satisfaction, the pleasure, the beauty that Inter-State roses have brought to hundreds of thousands. Pictured on pages 42 and 43. POSTPAID.

C 53 Mrs. Charles Bell—A strong, healthy grower that is often called Blush Radiance. The flowers are a lovely luminous shell-pink, entirely different from all other roses.

C 55 Mrs. P. S. du Pont—From early summer until freezing this rose is a glorious sight with its rich yellow flowers. Long pointed buds, fragrant, profuse bloomer. It was the favorite yellow rose in our World's Fair Rose Garden in Chicago.

C 56 Mrs. Sam McGredy—Exquisite pointed buds open into beautiful, large, double, high-centered flowers of striking colors, scarlet, orange and copper. Fragrant, long stems fine for cutting. Free-blooming.

C 63 Pedrables—This fine white rose is large, often 5 inches across. The creamy buds open into pure snow-white fragrant flowers. A vigorous, well-branched grower and extremely free-blooming, all season through.

C 59 Picture—We consider this one of the very finest pink roses, a clear pink with just a trace of salmon to give it a warm glow. Delightfully fragrant. The blooms are perfect in bud and when open. Blooms continuously.

C 60 Pink Dawn—A new rose. Fine for gardening and cutting. Buds are lovely, and open into large, fully double flowers of clear, purest pink. Extremely fragrant. A vigorous grower, hardy and free-blooming.

C 62 Poinsettia—This free-blooming rose brings to you the brilliance, the glowing red color of the Christmas Poinsettia. Long pointed buds, ideally formed, fine for cutting, free-blooming.

C 64 Pres. Hoover—A glorious combination of cerise-toned orange, scarlet and yellow. Richly perfumed, long stemmed and free-blooming. One of the most beautiful roses ever introduced. Pictured on page 42.

C 66 Radiance, Pink—The great pink rose, planted everywhere because it has made good all over America. Fragrant.

C 67 Radiance, Red—America's great red rose. Vigorous grower, hardy, healthy, free-blooming, with a true rose fragrance.

Hardy, Rugged Roses

Here are five roses that the test of time has proven to be unusually hardy, healthy, vigorous and free-blooming. POSTPAID.

INTER-STATE'S New ROSE DUST

Will keep your roses healthy

Guaranteed satisfactory or
money refunded

Convenient, Effective, Economical

See Page 6 for Hudson Dusters

This is the best, most effective Rose Dust we know. A new but thoroughly tested formula contains DDT, Malathion, Captan and Sulphur. Highly recommended by rose authorities. It does not discolor flowers or foliage.

This Rose Dust contains the necessary chemicals for the control of fungus diseases such as Black Spot and Mildew, also aphids and leaf eaters. It is very easy to use, no mixing, no fuss, no bother. Clean, healthy foliage is essential to grow good roses, also other plants. Follow a regular dusting schedule, starting early just as soon as the plants are fully leafed out. Dust often, dust regularly and dust thoroughly. You will be astonished at how much better a healthy plant blooms. Complete instructions on every package.

Primarily intended for Roses, it is also effective on other plants. POSTPAID.

K 150 2½ Pounds Rose Dust and Fibre Duster for \$2.25

K 151 3 Pounds for \$2.15

K 152 5 Pounds for \$2.95

K 153 10 Pounds for \$4.95

NEW ROSE SPRAY

For Insect and Fungus Control

A concentrated formula containing Captan, Karathane and Rotenone that will control insects and fungus diseases of Roses and other plants such as Mums, Phlox, Evergreens, etc. Easy to use and economical too, you mix only 2 Tablespoons per gallon of water. One pound will treat 75 plants for the entire season. POSTPAID.

K 57 4 ounces for \$1.00

K 58 8 ounces for 1.85

K 59 1 pound for 2.95

C 68 Rex Anderson—A sensational exhibition rose with huge flowers of delicate ivory-white. The perfectly-formed buds open gracefully into prize-winning blooms of pure loveliness. Healthy foliage, vigorous plants 2 to 2½ feet tall.

C 72 Soeur (Sister) Therese—The flowers are a bright yellow with some petals edged carmine. The fragrant blooms come almost in candelabra effect. Healthy, free-blooming.

C 75 Talisman—A glorious combination of orange-yellow and rose-red. The buds are long pointed, flower is double, high centered. The fragrant flowers are freely produced all season and are especially fine for cutting.

C 77 The Doctor—Considered by many to be the most beautifully colored of all roses. Long, pointed buds open into simply enormous, yet graceful blooms, very fragrant. It is a pink with an iridescence, a sheen beyond description. Each flower is so perfect, so gorgeous, you will consider it almost priceless. Far more beautiful than pictured on page 43.

EVERBLOOMING FLORIBUNDAS

In the above picture is a planting of Floribunda roses in front of Climbing roses. Floribunda Roses are hardy, disease-resistant and long lived. They need but little care. The flowers come in clusters and bloom constantly from spring to freezing. Plant them in borders, solid beds, or in groups in front of shrubs and evergreens. They make a marvelous hedge. For cutting, just a stem makes a bouquet, and they last a long time when cut. A natural for picture windows. Plant 18 to 24 inches apart.

C 118 Betty Prior. Always a mass of bright pink flowers. A strong, healthy grower reaching 3 feet in height. Large clusters of fragrant single flowers all summer long.

C 93 Dagmar Spath—Makes a bushy-upright plant over 2 feet tall that is loaded with the great clusters of snow-white flowers, semi-double and fragrant.

C 90 Else Poulsen—Vigorous, healthy plants 3 feet tall that produce constantly clusters of the most beautiful bright rosy-pink flowers, semi-double, fragrant. One of the best bedding roses of all time.

C 94 Eutin—Great clusters (often 50 or more flowers) of very double, red flowers. Glossy, dark green foliage. Healthy, hardy, vigorous, free-blooming, fragrant. 24 inches tall.

C 88 Floradora. Blooms constantly from June to Frost of lovely geranium-red shaded salmon-rose. The flowers are fully double with 40 to 50 petals each. Makes a healthy, upright plant 2½ to 3 feet tall. Winner of AARS Award.

C 92 Improved Lafayette—For bedding and border this is hard to beat as the cheerful ripe cherry-red flowers are produced so abundantly all through the season. Semi-double, fragrant. 27 inches tall.

C 91 Pink Gruss An Aachen—We have yet to see anybody who does not like this great Floribunda. Makes a bushy, rather spreading plant about 18 inches tall with rich green leathery foliage. Large, fully double flowers, fragrant, exquisite orchid-pink. Perfect for corsages.

C 117 The Fairy—Probably the most constant, most prolific bloomer of all roses. Sprays of small, double, shell-pink continually on sturdy, spreading bush around 3 feet tall. Hardy.

C 95 World's Fair—The first rose to win an AARS award. Produces deep velvety crimson semi-double flowers all summer. Makes a neat compact plant 2 feet tall.

EVERBLOOMING BABY ROSES

These Polyantha Baby Roses are ideal for borders and solid beds. Many like them for cemetery planting because they are so hardy and require so little care. Bloom constantly from spring to frost. Grow only 15 to 18 inches tall. Plant 15 to 18 inches apart.

C 96 Chatillon—Enormous heads of vivid pink double flowers. It always creates a sensation.

C 97 Gloria Mundi—A favorite for the picture windows because of its large clusters of brilliant orange-scarlet double flowers.

C 98 Sparkler—Always full of the bright crimson double flowers.

Everblooming Hybrid Teas

C 182 Aztec (P.P. 1648). The "hottest" color in roses, a flaming scarlet-orange, truly describes this sensational new variety. Giant blooms up to 6 inches across; show perfect form and long lasting.

Select 2-year No. 1 Plants..... **Each \$2.75, 3 for \$7.20**

C 31 Forty-Niner (P.P. 792). This AARS Winner is probably the brightest colored rose ever introduced. Inside of petals is vivid red and the outside, chrome yellow.

Select 2-Year No. 1 Plants..... **Each \$2.25, 3 for \$6.00**

C 133 Kordes Perfecta (P.P. 1604). Possesses the most intriguing color combination of all roses, creamy-white petals edged with gorgeous carmine-pink. Large, perfect form, exhibition blooms.

Select 2-year No. 1 Plants..... **Each \$3.50, 3 for \$9.20**

C 65 Love Song (P.P. 1360). A new rose with huge flowers of lovely watermelon-pink with yellow reverse, a magnificent combination that will glow in your garden. Fragrant, freeblooming and vigorous.

Select 2-Year No. 1 Plants..... **Each \$2.50, 3 for \$6.60**

C 18 Lowell Thomas (P.P. 595). The finest pure, clear, non-fading yellow. Shapely buds, large, high-centered flowers of excellent form. A vigorous grower.

Select 2-Year No. 1 Plants..... **Each \$2.25, 3 for \$6.00**

C 186 Mission Bells (P.P. 923). This is one of the most exotic colored of all roses. The flowers are brilliant shrimp pink shaded salmon, 5 to 6 inches across.

Select 2-Year No. 1 Plants..... **Each \$2.00, 3 for \$5.25**

C 57 Nocturne (P.P. 713). Fragrant flowers of cardinal-red shaded crimson with each petal attractively niched which makes it distinctive among all other red roses.

Select 2-Year No. 1 Plants..... **Each \$2.25, 3 for \$6.00**

C 184 Pink Peace (P.A.F.). Like its famous namesake this great new rose has everything—giant flowers, rich color, fragrance and vigorous healthy plant. The fully-double, 6-inch blooms are a luminous pink.

Select 2-year No. 1 Plants..... **Each \$3.00, 3 for \$7.95**

C 69 Rubaiyat (P.P. 758). A marvelous garden rose simply because of the profusion of fragrant, perfectly formed, large, fully double rose red flowers borne from June to Frost.

Select 2-Year No. 1 Plants..... **Each \$1.75, 3 for \$4.65**

C 76 Tallyho (P.P. 828). The magnificent 4 to 5 inch fully double flowers of deep rose shaded soft red are freely produced all summer right up to freezing weather.

Select 2-Year No. 1 Plants..... **Each \$2.25, 3 for \$6.00**

Everblooming Floribundas

Your choice all Floribundas below except Amy Vanderbilt

Select 2-year No. 1 Plants..... **Each \$1.75, 3 for \$4.65**

C 196 Frensham. Our best red floribunda. Beautifully-formed buds come continuously from June to frost. 30 inches tall.

C 87 Goldilocks (P.P. 672). The first bright yellow floribunda. Fully double fragrant flowers in clusters from June to freezing. 24 inches.

C 197 Jiminy Cricket (P.P. 1346). The dainty, urn-shaped buds of tangerine-red burst into beautiful 3½ inch blooms of coral and vermillion. 30 inches.

C 192 Pinocchio (P.P. 484). Salmon-pink flowers all through the season. 2 feet.

C 193 Red Pinocchio (P.P. 812). Lovely flowers, carmine shaded scarlet. 20 inches.

C 112 Amy Vanderbilt (P.P. 1585). Here is a new color in Roses, a rich lavender-lilac. Delightfully fragrant. 2 feet tall.

Select 2-year No. 1 Plants..... **Each \$2.50, 3 for \$6.60**

Inter-State's New Hardy Perennials

All of the outstanding Perennials below are being offered by Inter-State for the first time this spring. They were selected from our extensive trial plantings of hundreds of new Perennials as being superior in color, flower form, vigor and the amount of bloom. They were thoroughly tested here at Hamburg and found to be completely hardy and easy to grow. Be sure to plant some or all of them this spring. They will bloom this season adding glorious color to your garden. Complete planting instructions are included with every order. Postpaid.

Purple Showers HYBRID VIOLET

NEW FOR 1959! Pictured on Page 55

Now a hardy, long lived Hybrid Violet that blooms spring, summer and into fall. Makes your garden the show-place of your neighborhood! Will bloom this summer!

M 95 Each 85c, 3 for \$2.25, 6 for \$3.95 Postpaid

Here at last the hardy, long-lived Hybrid Violet that we have been looking for. Three years testing here at Hamburg have been spectacularly successful. Not only have we been tremendously impressed by PURPLE SHOWERS but everybody who has seen them has fallen in love with them and wanted them in their garden. Purple Showers has the exquisite delicacy and velvety richness of color of a pampered hot-house prima donna . . . with the vigor, hardiness of a wild woods Violet. It combines the freedom of bloom of the Viola with the ruggedness of the Violet. You will thrill to its abundance of color spring, summer into fall, a deep rich intense glowing purple that holds its vivid color right thru summer's heat. Makes a luxuriant plant, almost a foot across the first season, and holds its rich green foliage all winter. We grow it right out in the open field in full sunshine. However, it will thrive on the north side in full or partial shade. Low-growing, makes a wonderful showing in beds or borders. The flowers are large, often 2 inches long and come singly on 6 to 8-inch stems. Inter-State takes great pride in bringing to you Purple Showers. We believe it has a great future and suggest that you order early. Pictured on page 55.

NEW FOR 1959!

Prairie Bells HYBRID PENSTEMON

Thrilling Beyond Words! Pictured on Page 55

M 232 Each 60c, 3 for \$1.45, 6 for \$2.45 Postpaid

This new hardy perennial was developed by Glenn Viehmeyer of the Nebraska North Platte Experiment Station. It comes from the western prairies, combining native species of Penstemon, especially the Seeba and Fate Hybrids. Grows 3 to 4 feet tall. The stately stems have heart-shaped blue-green foliage which is attractive after the flowers are gone. The flowers are bell-shaped, often 2 1/2 inches or more of colorful blossoms on the stems. Wildflower translucent colors, snow-white, mother-of-pearl, shell pink, coral, amethyst, lavender, rose, ruby—a "Must" for gardeners who enjoy the new, the novel, the dramatically different. Striking in the garden and really something special for bouquets and arrangements. Will bloom this summer. We have found them easy to grow, in full sun or partial shade. In acid soils we advise mixing some hydrated lime with the soil when planting. Normally a new variety like this would be introduced at \$1.00 each or more. But we made the price so reasonable that thousands can test Prairie Bells in their own garden. We think this low introductory price will exhaust our supply before the season is over. Pictured on page 55.

M 238 Penstemon, Lena Seeba—This is a pure white form of the Prairie Bells above. Easy to grow, will bloom this summer. New for 1959. **Each 60c, 3 for \$1.45**

Salvia Purple Spires. One of our very best perennials. New for 1959—See page 61.

Penstemon, Indian Jewels. New for 1959—Pictured on page 67.

Giant Primroses TO GIVE YOUR GARDEN THE SPARKLE OF NEW LIFE THIS SPRING! →

Plant these Giant Pacific Hybrid Primroses (*primula polyanthus*) this spring. In just a few weeks they will burst into a rainbow of lavishly beautiful blooms, almost before the rest of your garden wakes up. Large flowers, many the size of a silver dollar, much larger than pictured on page 55. Shade loving, they do fine on the north side in full or partial shade. Plant them in beds, or borders. Colors range from delicate pastels through radiant, vivid tones to the boldest, most brilliant hues Mother Nature can produce. These are vigorous plants with strong crowns that will produce an abundance of flowers, this spring. Next spring the plants will be larger and the display almost unbelievable. Here is something you have always wanted.

Fall-Blooming Hardy Asters

NEW FOR 1959! Pictured on Page 55

Two years ago we imported over fifty new Asters from England (where most of the new varieties originate). Four of them were so outstandingly superior that we immediately decided that we would offer them as quickly as possible. Last fall these four Asters were again far better. Now this spring you can plant them in your garden and this fall you will agree with us that never have you had such lovely Aster flowers. Hardy, grow in most any ordinary garden soil, in full sun or part shade. Lassie, Marie Ballard, and Picture will make fine bushy plants around 30 inches tall. White Wings grows only about 2 feet tall. All are free-blooming, simply covering the plant. They start blooming in late summer and last into fall. Pictured on page 55.

M 33 Lassie is the most exquisite pink you ever saw, a delightful clear pink color, with not the least trace of lavender.

M 37 Marie Ballard is the finest blue we have ever seen, a charming medium shade of true blue.

M 38 Picture. Here is a red without purple tones, a bright shining color that is a tremendous improvement in red Asters.

M 41 White Wings is purest snow-white with golden center, the largest, most-perfect, most beautiful white Aster we have ever seen. Makes a neat, bushy plant wider than tall.

"MUMS" ARE AMERICA'S FAVORITE FALL FLOWERS

Colorful, Long Lasting, Fine for Cutting • All Mums are Postpaid

M 840 Pink Quill. This new Mum from Lehman is wanted by all who see it. Very large, spidery quilled flowers 4 to 6 inches across (larger than pictured) of a delightful shell-pink with deeper center. Unique and attractive in the garden and simply marvelous for cutting. Makes a very bushy, rounded plant 2 feet tall. Starts blooming around September 25th. **Each \$1.00, 3 for \$2.50**

M 820 Crimson Glory. This is Lehman's sensational new red Mum. Almost exactly the same rich crimson color as the popular Crimson Glory Rose. Makes a rather upright, well-branched plant with striking deep red flowers 3 to 3½ inches across. Starts blooming in September and is a glorious sight for weeks. By far our best red Mum. **Each 85c, 3 for \$1.95**

M 864 Prairie Sunshine—You will recognize the picture in the top left as Golden Thrill. Due to the tremendous demand in past years we exhausted our supply so completely that we will not have enough to list until the spring of 1960. In place of Golden Thrill we are using Prairie Sunshine, large 3 to 4-inch, fully double flowers of the most brilliant yellow you ever saw. Grows 30 inches tall and is covered with gorgeous blooms from August until freezing, almost 3 full months of color. Created by Glenn Viehmeyer of Nebraska University, it is one of the greatest Mums in all America. **Each 85c, 3 for \$1.95**

M 826 Frosty (P.R.R.). A new Mum introduced by Inter-State spring 1956. Large, incurved flowers, much larger than pictured, 4 to 5 inches across, pure snow-white when open. The buds have a delicate lavender tinge. Starts blooming in mid-September and in a few days is almost a solid mound of white. It is the best early blooming, incurved white. **Each \$1.00, 3 for \$2.50**

M 813 Aristocrat has everything expected of a great garden Chrysanthemum. Large, fully double flowers, 3 to 4 inches across; vigorous plant with healthy foliage; clean, lovely color; perfectly formed flowers and a prolific bloomer. From mid-September until freezing the 2-foot plants are covered with the most delightfully colored flowers, a deep cerise with overtones of bright rose. **Each 85c, 3 for \$1.95**

M 851 Golden Fantasy. Introduced in 1957. Originated by the University of Minnesota, this distinctly different type Mum is certain to become one of our most popular varieties. The color itself is rewarding, a rich brilliant yellow. But the form is unique, resembling a huge greenhouse carnation. The 3-inch flowers cover the plant for several weeks beginning in mid-September. The most exciting new Mum we have seen in several years. **Each \$1.00, 3 for \$2.50**

Garden Chrysanthemums

We guarantee this collection of 12 Mums to be the finest in America

All of the Mums we send you are growing, potted plants which we have tested and found to be the best for outdoor planting. Mums are usually shipped later and separately from other perennials and nursery stock. All Inter-State Mums carry the following guarantee. When they bloom in your garden next fall, if you are not delighted, you may select from our catalog, without cost, anything you wish equal to the amount you paid us for the Mums. All Mums Are Postpaid.

M 822 Bronze Giant. This new variety is one of Lehman's very best. Huge flowers, 5 inches or more across, of glorious, intense bronze. The vigorous upright plants grow 30 inches tall and produce dozens of magnificent blooms of our favorite fall color. Blooms mid-September until freezing. **Each \$1.00, 3 for \$2.50**

M 825 Dr. L. E. Longley. One of the finest of all Mums and by far the best of its color, an exquisite rosy-lavender. Starts blooming in late August and is simply covered for weeks with lovely 3-inch flowers. **Each 85c, 3 for \$1.95**

M 858 Ruby Breithaupt. A late introduction of Dr. Kraus and we consider it one of his best. This variety created more interest than any other Mum in trials last autumn. And no wonder, with its immense, informal type flowers and rich coloring. The vigorous 30-inch plants with luxuriant, deep green foliage are an attraction themselves. Starts blooming in late September with flowers of creamy-white deepening to primrose yellow in the center. You will enjoy it in your own garden this fall. **Each \$1.00, 3 for \$2.50**

M 817 Butterscotch, another new Kraus masterpiece, was a thrilling sight to see here at Hamburg last fall. From mid-September until freezing weather in late October, people who visited our nursery were fascinated by its panorama of color. The first flowers are a pure golden yellow. Then, they become a deep golden amber, one of the finest of all fall colors. The large 3½ to 4-inch semi-incurred flowers are borne in profusion on the healthy, 30-inch plants. **Each 85c, 3 for \$1.95**

M 839 Purple Waters, a Lehman creation, is the best large flowering purple Mum we know. The perfectly double, 3 inch flowers completely cover the 2-foot plants from mid-September until freezing. Striking in the garden or in bouquets. **Each 85c, 3 for \$1.95**

M 834 Flamboyant. For the most spectacular coloring in Mums, plant Flamboyant. It creates a parade of ever changing color from late August until early October. The 3-inch flowers open a bright tangerine-red changing to warm orange and then golden bronze. A star attraction in any planting. **Each 85c, 3 for \$1.95**

Inter-
State's

Four Queens

America's Finest Cushion Mums
For Glorious Fall Colors

WILL GIVE YOU BUSHELS OF BLOOMS THIS FALL!

The illustrations below of "Inter-State's Four Queens" and one of our large fields of growing Mums are made from direct color photographs (Kodachromes). The individual plants were photographed in this field.

Yellow
Queen

Crimson
Queen

Bronze
Queen

Purple
Queen

Visitors last fall were amazed at the spectacular beauty of our fields of Mums. These New Varieties of Cushion Type Chrysanthemums were particularly outstanding. In the first place, they make perfect plants, about two feet tall and two to three feet wide. So full of flowers that you cannot see the foliage. They start blooming in early September and continue right up to severe frosts. They literally produce Bushels of Blooms. Marvelous coloring for the garden and you pick bouquet after bouquet and scarcely miss a flower. The flowers are two to two and one-half inches across and completely cover the entire plant.

We are so sure that these Four New Queen Mums will please you that we make this Guarantee—When they bloom this late summer and fall, if you are not delighted, you may select from our catalog whatever you wish equal to the amount you paid for them.

M 815 Bronze Queen—The flowers have perfect fall coloring, golden bronze with touches of copper and tangerine. A tremendous bloomer and the last flowers seem even more attractive than the first.

M 824 Crimson Queen—By far the finest Red Cushion Mum we have ever seen. The color is such a rich shining crimson. A perfect mound of bloom, about six inches lower than the other three varieties.

M 843 Purple Queen—When you see this for the first time, it really gives you a thrill. Most people never knew there was such a Mum. And there never was until this was introduced by us. No flower in your garden will create a greater sensation. The rich purple flowers are lovely from the first opening bud until severe freezes end the season weeks later.

M 853 Yellow Queen—The richest bright clear yellow, a color that lights up the entire yard. In the garden, in a bouquet, it is outstanding and a color that brings cheer and life. It is unequalled.

NEW 1959 ALL AMERICA MUMS

M 805 Crimson Lady (P.A.F.)—A charming combination of graceful form, brilliant color and vigorous plant makes this truly All-America. The abundance of rich red flowers in early fall will amaze you.

M 806 Flair (P.A.F.)—A glorious sight to behold—healthy plants covered with lovely, "lively" lavender flowers for many weeks in the fall. The blooms are 3 to 4 inches across, perfectly formed and fully double.

M 807 Girl Friend (P.A.F.)—This is the perfect Mum for cutting—large 4 inch flowers on long, strong stems. And the color is gorgeous, a fresh dawn pink. It makes a sturdy, upright plant, loaded with blooms in early September.

MM 808 All 3 for \$3.65 Postpaid

1958 ALL AMERICA MUMS

M 801 Burning Bronze (P.A.F.)—Opens mahogany-bronze becoming a brilliant fire of tangerine, bronze and orange. 3-inch flowers cover the handsome 2-foot plants.

M 802 Emperor (P.P. 1733)—Is simply a mound of golden-yellow 3-inch flowers in September.

M 803 Ruby King (P.A.F.)—The brilliant crimson shading to rich ruby-red are a dazzling mound of color September to frost. 15 inches tall and 18 inches wide.

M 804 Showpiece (P.A.F.)—Huge flowers, up to 5 inches across of sparkling royal-rose with silver reverse cover the plant September to frost.

ENCHANTING NEW MUMS

We maintain each year one of the most extensive Mum tests in America. This year we had on trial here at Hamburg, more than 200 named varieties and numbered seedlings. From this extensive trial and test plantings we have selected the Mums listed on this page and pages 56, 57, 58 as the very best. Plant some this spring and you will have hundreds of colorful flowers from mid-August until severe frosts. Mums make delightful bouquets with their gay colors and they last for days. All Mums are Postpaid.

Each 85c, 3 for \$1.95 Postpaid

AKSARBEN New, Unusual, Beautiful

M 812 Aksarben is the most unusually colored Mum we have ever seen—a golden "toast 'n honey" with reddish-bronze inside the petal points. The first of a new race of Mums from Viehmeyer, double quill style with perfect form. Delightful for arrangements, magnificent in the garden, you'll enjoy golden-brown Aksarben for many weeks in the fall.

MINNIPINK America's Finest Pink Cushion Mum

M 841 Minnypink—This is the finest pink cushion we have ever seen, one of the greatest of all cushion mums. It makes a perfect mound 2 feet tall, completely covered with hundreds of gorgeous rose-pink flowers from mid-September until frost.

M 810 Apache—Makes a well-branched plant 2 feet tall, covered with large flowers, 4 to 5 inches across. The petals are somewhat quilled, a fire-cracker red suffused golden-copper.

M 835 Champagne—An entirely new color in Mums, ivory-shell-pink, one of Lehman's best. Large flowers on strong, well-branched plants.

M 836 King's Ransom—The tall, upright plants are topped with huge flowers of shining golden-yellow. Healthy, vigorous plants 3 feet tall produce long stems excellent for cutting.

M 837 Lady Fair—The tantalizing recurved blossoms are a beautiful soft lavender shaded orchid-pink, 3 inches across. Tousled, cactus style flowers.

M 846 Princess Kay—Lovely, pure-white, fully-double flowers cover the healthy plants like a mound of snow. New from Lehman.

Pyrethrum (Painted Daisy), for attractive, long-lasting bouquets

INTER-STATE'S *Colorful Daisies*

M 241 Pyrethrum (Painted Daisy)—This is the superb Robinson strain, the finest we know. The flowers are larger and brighter colored, the most gorgeous reds, fine pinks and pure whites, all mixed to blend beautifully. Long stems fine for cutting. Blooms profusely in the spring and early summer. Grows about 24 inches tall. We are making a very special price so that you can plant them freely. The finely-cut foliage is attractive in itself when the plant is not in bloom. It can be used in bouquets and arrangements.

GIANT ALASKA

SHASTA DAISY— *Pictured below*

M 265 Few perennials can equal this for the astonishing number of cut flowers it will produce in June and July. Also attractive in the garden. Large, glistening white blooms with rich yellow center. Long 2-foot stems fine for cutting. Add just a little greenery and only a few of these flowers make a lovely bouquet. You can plant all Shasta Daisies either in full sun or with some afternoon shade. Strong, field-grown plants, that will bloom freely this season and even more next year. Daisies are one of our most popular perennials. With very little care or attention they will give you beautiful flowers for many weeks.

Each 50c, 3 for \$1.25 Postpaid

Giant Alaska Shasta Daisy

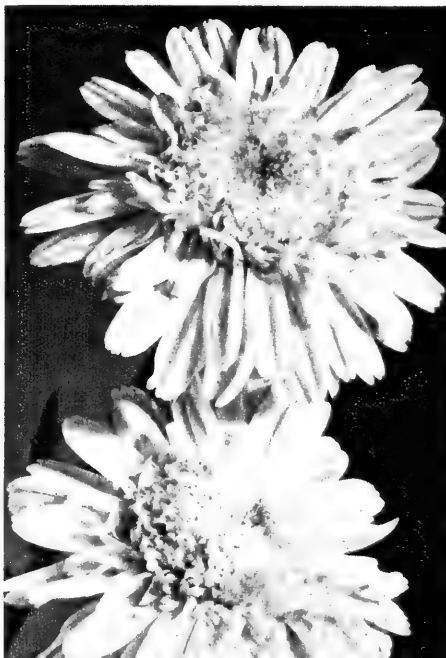

IMPROVED ESTHER READ

SHASTA DAISY— *at new, lower prices*

M 267 For many years we have been searching for a double Shasta Daisy that would stand our winters. Here is one which has proven rugged enough to withstand our winter weather. The flowers are simply marvelous. Large, 3 to 3½ inches across, fully double, snow-white with a golden touch in the center. They commence blooming in early summer and continue right up into fall. The flowers come singly on long stems, fine for cutting. Each flower lasts a long time in the garden and also when cut. It is such a strong grower and free-bloomer, that you will get many bouquets **THIS VERY FIRST SUMMER.** And next summer a great deal more. Selected field-grown plants.

Each 75c, 3 for \$1.95 Postpaid

Improved Esther Read Shasta Daisy

MARCONI FRINGED

SHASTA DAISY— *Pictured below*

M 263 There are several lovely fringed Shasta Daisies but this is the only one that we have found which will live and bloom for years. The flowers are large, 3 to 4 inches across, with narrow, frilled petals, snow-white with a bright yellow center. Flowers are borne singly on long stems, long-lasting in the garden and also when cut. Grows almost 2 feet tall and blooms very freely in late spring and early summer. A hardy, healthy, vigorous grower that can be divided every 2 or 3 years. At small cost you can have many dozens of lovely flowers. Will bloom this summer. We send you hardy, selected field-grown plants.

Each 50c, 3 for \$1.25 Postpaid

Glorious Perennials

THAT BLOOM FOR WEEKS

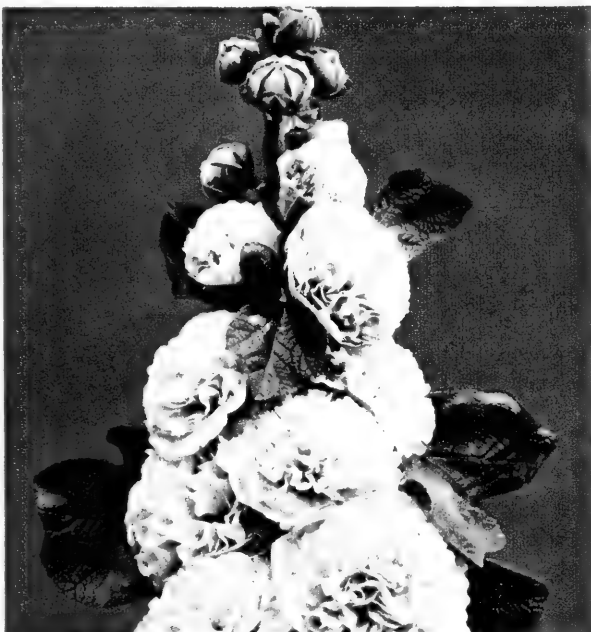

SALVIA PURPLE SPIRES

M 253 Salvia Purple Spires (Superba Compacta)—This grand new perennial is a sight to behold all summer. The spires of rich royal purple cover the entire plant for many weeks. And, if you cut off the old flowers, it will produce new blooms right up to frost. Perfectly hardy, easy to grow in full sun or part shade. It makes a vigorous plant 18 to 24 inches tall with attractive foliage. Be sure to add Purple Spires to your perennial garden this spring.

Each 85c, 3 for \$1.95, Postpaid

Perennial Sweet Peas

(Lathyrus) have long been a favorite of many flower lovers. The vine-type plants with their delightful flowers during July and August are marvelous for porches, trailing over banks, caves, trellis and fences. The flowers are larger than the annual sweet peas and are fine for cutting. The stems die down over winter and vigorous new growth comes from the roots each spring. Your choice, POSTPAID.

Red Coralbells

M 160 Red Coralbells (Heuchera) is an ideal plant for borders, edgings or rock gardens. It makes a neat compact plant with lovely, rich green foliage. The charming red flowers on graceful 12 to 15 inch stems are borne in profusion for several weeks starting in June. Their dainty blooms are a pleasing addition to bouquets or an artistic touch in your garden. This is an especially fine strain—richer color, hardy and more prolific bloomer. **Each 75c, 3 for \$1.95, Postpaid**

M 350 Colorful Daylilies (Hemerocallis), Mixed Colors. The tall, stately stems with the Lily-like flowers create a center of interest in any garden. Perfectly hardy, thrive in full sun or partial shade. They bloom right in the middle of summer when flowers are so scarce. Plant 1 to 2 feet apart. This is a fine mixture of colors, shades of pink, yellow, red and orange.

Each 40c, 3 for \$1.00, 6 for \$1.75, Postpaid

Hardy Veronics

M 291 Veronica, Icicle—A new variety with pure white flowers on graceful spikes 15 inches tall. Blooms from midsummer into fall. Makes a healthy, vigorous plant with the richest dark green foliage, attractive in itself. Hardy, easy to grow, in sun or part shade. Fine in the garden or in bouquets. The more you cut it, the more it blooms.

Each 75c, 3 for \$1.95, Postpaid

M 289 Veronica, Sunny Border Blue—Should be in every garden. The deep blue flowers are produced from July into September on 18 to 24-inch stems. Hardy, it gets better each passing year. Especially fine in the garden border and excellent for cutting.

Each 65c, 3 for \$1.65, Postpaid

STOKESIA BLUE DANUBE

New Improved Stoke's Aster

M 280 Stokesia, Blue Danube. This fine perennial should be in every garden. The large rich blue flowers reach 5 to 6 inches across, blooming from June to September. It makes a neat compact plant that produces strong stems 12 to 18 inches tall topped with gorgeous flowers. Easy to grow, perfectly hardy and blooms profusely all summer. This is a new, improved variety which gives you more and larger flowers than Blue Moon.

Each 75c, 3 for \$1.95, Postpaid

M 211 Nepeta, Blue Wonder (Ground Ivy). This makes a perfect ground cover as it grows only 8 inches tall and 1½ to 2 feet wide. The foliage is an attractive silvery-gray. Bright blue flowers all summer.

Each 40c, 3 for \$1.00, Postpaid

M 26 Artemisia, Silver Mound is one of the most striking new hardy perennials. Grows less than a foot tall and 12 to 15 inches wide. The color of the fernlike foliage is the most pleasing, clearest silver-gray you ever saw. Wonderful for borders. Prefers a sunny location but does well in part shade.

Each 75c, 3 for \$1.95, Postpaid

INTER-STATE'S
EVERBLOOMING

Delphiniums

M 100 Cliveden Beauty—Many think this is the finest of all light blue flowers. Grows 3 to 4 feet tall and after the first great burst of bloom in early summer, it repeats at intervals. A healthy grower that lasts for many years. Lovely in the garden and very fine for cutting. **Each 45c, 3 for \$1.15, 6 for \$1.95, Postpaid**

M 101 La Martine—This fine plant should be in every garden. The rich dark blue flowers are so lovely in the garden and for cutting. A great mass of flowers in early summer and at intervals all summer. When you cut a flower spike, another grows out to bloom later on. A healthy grower, 4 feet or so tall, lasts for years. **Each 45c, 3 for \$1.15, 6 for \$1.95, Postpaid**

M 102 Pacific Hybrids—The individual flowers are very large, often 2½ inches across on spikes 3 to 4 feet long. The colors range from white, sky-blue to deep blue, purple, violet and exquisite shades of orchid-pink. The plants grow 5 to 7 feet tall. Cut the stems after the first great burst of bloom and they will repeat. **Each 60c, 3 for \$1.45, 6 for \$2.45, Postpaid**

Sedum Dragon's Blood, above

SEDUM Dragon's Blood

M 130 Pictured above. A low growing perennial which is ideal for rock gardens, edging, banks or borders. Grows only 3 to 4 inches tall and is covered with brilliant red flowers for several weeks June to August. Hardy, easy to grow in ordinary soil. This is an improved variety which we rate with the best. **Each 75c, 3 for \$1.95, 6 for \$3.45, Postpaid**

M 25 Artemisia, Silver King—This hardy plant is highly prized because of its frosty silvery-white foliage. It is attractive in the garden and much used in bouquets and arrangements. Also can be cut and kept for winter use. Grows 2 to 3 feet tall, in sun or a little shade, any ordinary soil. Once planted, it will come up year after year. **Each 50c, 3 for \$1.25, Postpaid**

Artemisia, Silver King, below

M 239 Plumbago—The open flowers are a rich blue, the tiny buds a bronzy-red, giving the entire plant a beautiful and unusual appearance. Always in bloom from July to frost. For an edging plant or a low growing solid bed, it simply cannot be beat. Grows only 6 to 8 inches tall. **Each 65c, 3 for \$1.65, Postpaid**

M 224 Blue Stars (Platycodon)—Lovely, large, deep blue flowers that look like stars. Bloom all summer on graceful 20-inch stems. Hardy, lasts for years, without special care. **Each 40c, 3 for \$1.00, Postpaid**

M 21 Achillea, Emerald Isle (Millifolium). Develops into a rounded plant 12 to 15 inches tall which produces white flowers on long stems during the summer. But the real beauty of this plant is the rich green coloring of its fern-like foliage. Ideal for borders. **Each 50c, 3 for \$1.35, Postpaid**

Pacific Hybrid Delphiniums

NOTICE—Our experience shows that perennials do better when planted after the ground begins to warm up. Therefore, we ship perennials 2 weeks or so later than Roses, Shrubs and Trees which can be planted earlier. If you order both perennials and Roses, Shrubs or Trees, you will receive 2 or more shipments before your order is complete.

Hardy Grenadin Carnations

These are becoming popular because they are not only lovely in the garden but are fine for cutting. The flowers are very fragrant and come on long stems. Bloom freely in early summer and at intervals thereafter. Grow 18 to 20 inches tall. They are hardy but in cold sections we recommend a light winter mulch to prevent alternate freezing and thawing.

LILY-OF-THE-VALLEY

M 193 Everybody loves these delightfully fragrant white flowers pictured above. They thrive in full shade on the north side of your home against the wall where few plants will live. They also do just as well right out in the full sun. We send you clumps of 5 to 7 Pips which will bloom this season.

Each 50c, 3 Clumps for \$1.25 Postpaid

Plantain Lily, above

M 226 Plantain Lily (Funkia Sub. Grand.) Pictured above. Especially fine for shady places but it also grows in the sun. Grows 18 inches tall with attractive large deep green leaves. The flowers are large, pure white, fragrant and resemble Easter Lilies when fully open. Blooms freely in August and September.

Each \$1.25, 3 for \$2.95 Postpaid

M 228 Variegated Plantain Lily—Similar to the one pictured above only the leaves are attractively variegated with silvery-white. The lilac-colored, bell-shaped flowers bloom on 18 inch spikes.

Each 75c, 3 for \$1.95 Postpaid

Hardy Ferns

Many ask us "What can I plant in shady places?" Among the very best, are these Hardy Ferns. They thrive in the shade. That is their natural home. Perfectly hardy, they come up year after year.

M 120 American Maidenhair—Fine on north side. Grows a foot tall.

M 121 Hayscented—Grows in semi-sunny places as well as shade. 12 to 18 inches tall.

M 122 Interrupted—Good for foundation planting in shade or part shade. 2 to 4 ft. tall.

M 123 Lady—Pictured. Likes the shade. 1 to 2 feet tall.

M 124 Ostrich Plume—Especially fine for a shady, rather moist spot. 2 to 4 feet tall.

Perennials FOR SHADY SPOTS

Bleeding Heart

(OLD FASHIONED)

M 58 Bleeding Heart, Old Fashioned—A favorite in Grandmother's garden half a century ago, it is equally popular today. Grows 2 feet tall. Thrives in partial shade, but will grow in full sun. Attractive foliage. Graceful heart-shaped pink flowers in April-May. The plant becomes larger, more beautiful, each passing year.

Each 85c, 2 for \$1.45, Postpaid

M 60 Bleeding Heart, Fern Leaf (Eximia)—Lovely pink flowers are produced continuously from late spring right through summer into fall. Fern-like foliage is very attractive. Grows a foot tall in sun or shade. Hardy, easy to grow. Fine border plant.

Each 60c, 3 for \$1.45, Postpaid

Bleeding Heart, Old Fashioned

Fancy-leaved Caladium

For a continuous foliage display from late spring to frost, no other plant equals these. Easy to grow, in sun, partial shade, even full shade. In the fall before freezing weather, dig and store like Cannas. Or you can pot them for winter use indoors. Make stunning arrangements. Plant 4 inches deep in late spring after ground warms up. You can have Mixed Colors or Separate Colors, Red, Pink or White. These are first quality bulbs. Naturally the Large Bulbs have more eyes than the smaller and will produce more foliage. For an earlier start, it is best to pot the bulbs and keep them indoors until all danger of frost is past.

A Parade of Color from Spring to Fall

Helenium Copper Spray

FOR BRILLIANT FALL COLOR

M 157 Helenium Copper Spray (Kupfersprudel). This new perennial makes a bushy plant 3 to 4 feet tall and almost as wide. From early August to frost it is completely covered with hundreds of brilliant flowers, 1½ inches across, in shades of copper, bronze, orange and red. In its season, no other flower can match its brilliance. Hardy, easy to grow, in sun or part shade. Once planted, lasts for years, increasing in beauty each passing year. Striking in the garden and excellent for cutting. The color is more vivid than pictured. This is not only the best Helenium we know but it is one of the best of all hardy perennials. POSTPAID.

Each 60c, 2 for \$1.00

IMPORTANT NOTICE—If you order Perennials, Mums, Bulbs or Clematis and also Roses, Shrubs, Trees or Fruit Plants, The Roses, Shrubs, Trees, etc. will be shipped first. Then, 2 weeks or so later (depending on the weather), you will receive the Perennials, Mums, Bulbs or Clematis. We make separate shipments as our experience shows Perennials do better when planted after the ground warms up. Roses, Shrubs, etc. can be planted earlier.

Helenium Copper Spray, above

*McKana's Giant, America's Finest Columbine (Aquilegia)
All America Award Winner*

McKana's Giant Columbine

ALL AMERICA AWARD WINNER

M 85 McKana's Giant Columbine is the first and only perennial ever to win the All America Seed Selections Award. Plant them in your garden and you will see for yourself this very spring why they won this coveted award. The flowers are huge, many 4 inches across, with 4 to 5-inch spurs, far larger than any other Columbine we have ever seen. The colors are simply exquisite, vivid yet not bold or gaudy, shades of red, rose, pink, yellow, cream, white, lavender, purple, blue, some self-colored, but mostly pleasing combinations. We assure you that they are far more beautiful and attractive and larger than pictured. Our field-grown plants will all bloom for you this spring, the Larger Select Plants will naturally produce more flowers. They grow 2 to 3 feet tall, thrive in ordinary soil and prefer slight shade. Hardy, they will come up year after year. Lovely in the garden and add grace and beauty to a bouquet. Grown in a grand assortment of colors, mixed, a beautiful harmonious blend. POSTPAID.

Japanese Iris

These Easy-to-Grow

Will Make Your Garden Sparkle

Japanese Iris, THE RAINBOW IRIS

M 182 Japanese Iris, Kaempferi, The Rainbow Iris. Called Children of the Gods in early days because of their gorgeous colors. Few plants can compare with them for spectacular beauty. Bloom in June and July. Large flat flowers, some as large as dinner plates, atop strong stems nearly 3 feet tall. The foliage itself is attractive. When planting, cover the crown with 2 inches of soil. Like a sunny spot, rich soil and abundant moisture, especially early in the season and when blooming. They like an acid soil (the average soil is slightly acid), and will not tolerate lime. Grown from coast to coast. Priced low for extra fine plants. This spring we can supply only a fine mixture of many colors: white, blue, purple, yellow, pink.

New Canadian Lythrum

We consider these 3 New Canadian Lythrum the finest varieties we have seen. The Lythrum is one of our best perennials. Perfectly hardy, it will come up year after year with more and more spikes covered with bright, colorful flowers. The plants themselves are attractive, so neat and shapely and with an abundance of glossy, dark green foliage which becomes a fascinating reddish-purple in the fall. ALL VARIETIES OF LYTHRUM WE SELL, WILL BLOOM THIS SUMMER, starting in early July and continuing until September. Grow 3 to 4 feet tall. Postpaid.

M 207 Lythrum, Morden Rose. Considered by many experts as the best of all Lythrum. The flowers are a rich rose-red. **Each 60c, 3 for \$1.45**

M 202 Lythrum, Improved Morden Pink. The most popular variety in America. Covered with bright pink flowers. **Each 60c, 3 for \$1.45**

M 201 Lythrum, Dropmore Purple. Comes up year after year producing more and more spikes covered with lovely rosy-purple flowers. **Each 60c, 3 for \$1.45**

Penstemon Indian Jewels

M 237 Penstemon Indian Jewels (Flat-head Hybrids). New for 1959, another creation of Mr. Glenn Viehmeyer of the Nebraska Experiment Station of North Platte, Nebraska. Indian Jewels captures all of the beauty and vigor of the native Penstemons of the western prairies with the exquisite form of the garden varieties. They bloom over a period of many weeks in early summer and, if the old stems are cut off, new stems will appear producing even more flowers. The colors range from beautiful shades of red from crimson to scarlet and rose, charming hues of pink, lavender, purple and even a few touches of blue. Introduced at a very low price for an outstanding new perennial. Select field-grown plants. Postpaid.

Each 50c, 3 for \$1.25, 6 for \$2.25

Vinca Minor, above

Vinca Minor, OUR BEST GROUND COVER

M 259 (Periwinkle). Flowers pictured actual size. This is an improved strain with more and larger flowers. Glossy foliage stays green, summer and winter. A profusion of bright blue flowers in early summer. Fine for covering banks and bare spots. Thrives in full shade, even under trees where grass will not thrive. Excellent for edging and borders. We send you 4 divisions in a bunch. Plant these divisions 4 to 6 inches apart and in a year or two you will have a solid carpet of green. This Vinca not only is good for planting in shady, hard-to-grow places but it also grows in full sun. Postpaid.

Bunch, Each 40c, 3 for \$1.00, 12 for \$3.45

Rubrum Lily, below

INTER-STATE'S *Exciting*

All the Lilies we list are hardy and under normal conditions will come up year after year. But we recommend that in cold sections you put on a winter mulch to prevent alternate freezing and thawing. They can be planted in full sun but afternoon shade will make the flowers even more beautiful and they last longer.

ALL THE LILIES WE SEND YOU WILL BLOOM THIS SEASON

Prosperity Lily NEW FOR 1959

B 66 Prosperity. We have been watching this enchanting new Lily in our trials for several years. Now, for 1959, there is a large enough supply that we can offer them at this unusually low price for a new variety. Extremely vigorous and perfectly hardy, Prosperity will be sensational in gardens all over America. It grows 3 to 4 feet tall and produces more and more strong stems every year, each stem topped with 6 to 10 lovely lemon-yellow flowers. Prosperity is a hybrid selection from the world's most famous Lily hybridizer, Jan de Graaff. Be sure to add it to your garden this spring. They will bloom this summer, June-July—large, beautiful flowers—so charming and graceful for both the garden and bouquets. Postpaid.

Large Bulbs (5 to 6 inches around) . . . Each 85c, 3 for \$1.95, 6 for \$3.45

Improved Regal Lily

Improved *Regal Lily*, AMERICA'S FAVORITE

B 82 This Creelman Hybrid is far better than the regular Regal. Larger flowers, more of them, richer color and more vigorous. Blooms in June-July on strong stems 3 to 4 feet tall. Great clusters of the lovely, fragrant flowers, a lustrous snow-white with a golden throat. Plant them 7 inches deep. They will come up year after year, increasing in number and beauty. WILL BLOOM THIS SUMMER, the Giant size producing more flowers. POSTPAID.

	Each	3 for	6 for
Large Bulbs (7 to 8 inches around)	65c	\$1.65	\$2.95
Selected Bulbs (6 to 7 inches around)	50c	1.35	2.35

Beautiful *Rubrum Lily*

B 65 Rubrum. Many think this is the most beautiful of all hardy Lilies. Flowers are bright pink edged white, with small maroon spots. Blooms in August and September on strong stems 3 to 4 feet tall. The reflexed wavy flowers are lovely in the garden and fine for cutting. Will bloom this summer. Please note we send you Giant Size Bulbs 8 to 9 inches around, which are far better than smaller sizes.

Giant Bulbs (8 to 9 inches around)
Each 85c, 3 for \$1.95, 6 for \$3.45 Postpaid

New Hardy Lilies

Mid-Century Hybrid Lilies

B 88 Mid-Century Hybrid Lilies. An outstanding cross which was thought impossible until accomplished recently by Jan de Graaff. Very hardy, they grow and thrive everywhere even under adverse conditions. The range of colors is superb, shades of yellow from canary to gold, apricot, pinks, rose, salmon, many shades of red. The blooms come in clusters on strong stems 3 to 4 feet tall. Plant in a well-drained spot, full sun or partial shade, 7 inches deep. They will come up year after year, multiplying and increasing in beauty. Beautiful in the garden and excellent for cutting. Top Size Bulbs (5 to 7 inches around)

Each 60c, 3 for \$1.45, 6 for \$2.45, Postpaid

B 81 New Golden Clarion Trumpet Lily. Has created a greater sensation in Flower Shows throughout the world than any other Lily. Huge trumpets 6 inches long and 6 inches across, ranging from exquisite lemon-yellow to rich golden-yellow. Postpaid.

Large Bulbs (7 to 8 inches around) Each \$1.50, 3 for \$3.75

B 79 Giant Olympic. The huge, trumpet-shaped flowers are 7 to 9 inches long and 5 to 6 inches across in shades of yellow, pink to white with a golden throat and shades of pink on the outside. Postpaid.

Large Bulbs (6 to 7 inches around) Each 65c, 3 for \$1.65

B 83 Philippine Lily, White Superior (Formosanum). Delightfully fragrant, trumpet-shaped flowers, 7 to 8 inches long of pure white. Blooms in mid-August on stems 4 to 6 feet tall.

Selected bulbs (4 to 5 inches around) Each 50c, 3 for \$1.35

B 84 Red Coral Lily (Tenuifolium). The small, fragrant, bright red flowers are so attractive in late spring and early summer. Grow 18 to 24 inches tall. Especially fine for rock gardens and nooks. Postpaid.

Top Size Bulbs (4-6 inches around) Each 35c, 3 for 85c, 6 for \$1.45

Mid-Century Hybrid Lilies

Gold Banded *Auratum Lily*

B 68 One of the loveliest hardy garden Lilies. The flowers are even larger than pictured, huge trumpets, 5 to 7 inches across. They are waxy white with small crimson spots and each petal has a center stripe of golden yellow. When established the stems are 4 to 6 feet tall with up to 25 flowers on a single stem. Blooms from late July into September. So fragrant that a single cluster will perfume a room. Plant 7 inches deep. WILL BLOOM THIS SUMMER. Postpaid.

Giant Bulbs (8 to 9 inches around)

Each 85c, 3 for \$1.95, 6 for \$3.45

Auratum Lily, below

Crimson Beauty, above

Crimson Beauty Lily

B 80 The striking flowers of this fine Lily are much larger and more attractive than pictured above. The color is a distinctive crimson. Blooms freely in early summer in upright clusters, on stems 18 to 20 inches tall. After it is established, it is nothing unusual to have 25 flowers on a single stem. Very hardy and easy to grow, thrives everywhere all over America. Plant 7 inches deep. It will come up year after year, for a lifetime, getting more beautiful each passing year. Postpaid.

Selected Bulbs (5 to 7 inches around) Each 65c, 3 for \$1.75

DOUBLY GUARANTEED

1. Guaranteed to please you when you get the bulbs.
2. Guaranteed to please you when they bloom this summer.

When you receive the bulbs, if you are not satisfied, return just one-half of them and we will refund the money you paid us for all of them. When they bloom, if you are not delighted, you may select from our catalog, without cost, anything you wish equal to the amount you paid us for the glads. Finest of all flowers for cutting.

NEW VARIETIES • BETTER COLORS • LARGER SPIKES

Here we offer you one of the finest selections of Gladiolus (Glads for short) in America. Many are new, all are good. The ratings mentioned under various varieties below are the results of the voting by the Gladiolus Symposium, which is made up of both Exhibition and Commercial growers. They have excelled in form, flower placement, vigor and color. Glad bulbs are ideal gifts for a relative or friend. We will ship direct to them, Postpaid, enclosing a gift card with your name.

Because we take great care in selecting our Glads we sell them by the millions, sending them to every state. We offer 2 sizes of bulbs. The LARGE are 1 1/4 to 2 inches across (diameter) and the MEDIUM are 1 to 1 1/4 inches across. All will bloom this summer, the larger bulbs producing bigger spikes. They are so easy to grow. Plant them 5 to 6 inches deep and 6 inches apart. Make your first planting when you make your early garden. Then make several plantings, 2 weeks apart and you will have the lovely flowers for many weeks. Takes around 75 days from planting to blooming. ALL GLADS ARE POSTPAID.

Sparkler—left, Joyous—right, All America Glads for 1959

Glads By Color

This special offer is made for those who enjoy fine Glads by separate colors, yet do not care to bother keeping record of the names. The same beautiful varieties as listed on pages 71 and 72 are included, each color sacked separately. The MEDIUM BULBS are 1 to 1 1/4 inches across (diameter) and the LARGE BULBS are 1 1/4 to 1 1/2 inches across (diameter). Both sizes will bloom this summer but the larger bulbs produce longer spikes. WE GUARANTEE BOTH SIZES TO PLEASE YOU, WHEN YOU GET THE BULBS AND ALSO WHEN THEY BLOOM THIS SUMMER. We have selected the six most popular colors. If you bought these very same Glads by name, they would cost you considerably more. **Postpaid.**

ALL AMERICA GLADS AT NEW, LOWER PRICES

These new All America Glads were selected after years of testing by Gladiolus judges from all sections of America. They were judged as to beauty of color, flower form and placement, flower opening, size of spike and vigor. We guarantee them to please you.

Your Choice, 5 All America Glads, below. Postpaid.

Large Size Bulbs, Each 35c, 3 for \$1.00, 12 for \$3.45

ALL AMERICA GLADS FOR 1959

Y 95 Joyous (P.A.F.)—The large ruffled florets of rich, velvety rose are borne in elegant splendor on strong stems 4 to 5 feet tall. The perfect form, rich color and tremendous spikes make this a winner in any garden.

Y 98 Sparkler (P.P. 1741)—This charming new glad is a gay combination of sparkling clear yellow with a bright red throat. Beautiful, ruffled flowers, tall, strong spikes that are lovely in a bouquet or eye-catching in the garden.

1957 and 1958 All America Glads, see prices above

Y 93 Caribbean (P.P. 1654). 1957 Winner. Large flowers, rich blue-violet with a deep violet throat accented by a cream spear.

Y 96 Emperor (P.P. 1655)—1958 All America Winner, a spectacular combination of regal purple with ermine-white throats.

Y 94 Maytime (P.P. 1591). 1957 All America Winner. Ruffled deep, pure pink florets with contrasting large white throats.

YY 97 1 Each of All 5 All America Glads, All 5 for \$1.50

Y 26 Fire Gleam—Large glowing scarlet-red. The beautifully ruffled flowers on tall straight spikes with the brilliant color make this one of the top new red glads.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 28 Friendship—Beautifully ruffled, perfect form on tall straight stems and the color is the purest pink with an ivory-white throat and a frosty sheen over the entire flower as if sprinkled with powdered stars.

	3 for	6 for	12 for	25 for
Large....	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 33 Gold—By far the highest rated of all yellow Glads by those who are the final judges of a great flower, the florists. The perfect spikes are almost five feet tall of the most beautiful, ruffled, rich golden-yellow flowers. When you see it bloom you'll know why it always wins the Blue Ribbons. Pictured on page 70.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium...	40c	70c	1.25	2.15

Y 34 Golden Sunshine—Huge, 5 to 6 inch flowers of the most pure golden yellow we have ever seen. When enough bulbs are available, we predict it will become America's favorite yellow.

	3 for	6 for	12 for	25 for
Large...	75c	\$1.35	\$2.35	\$3.95
Medium.	60c	.95	1.65	2.95

Y 35 Harry Hopkins—The flowers of this new Glad are enormous, perfect form and the color is a rich ruby-wine that fairly glistens and does not fade or fleck.

	3 for	6 for	12 for	25 for
Large....	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 43 King David—This has been a show winner since it was first introduced. The rich, velvety purple flowers have a faint silver picotee. The tall, tapering spikes reach over 4 feet tall.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 44 Leif Erickson—We call this new variety the "Chartreuse Glad." The buds are a delicate chartreuse opening to lovely ruffled flowers of deep cream. It is rated the No. 1 Cream both by the exhibition and commercial growers. A vigorous, healthy variety with 7 to 9 flowers open at once. For something new, unusual and beautiful plant some this spring.

	3 for	6 for	12 for	25 for
Large...	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 41 Lorelei—The most talked about new Glad in America today. The lovely ruffled florets of glistening pure cream are beautifully displayed on tall graceful spikes. Healthy bulbs that produce strong stems with large enchanting flowers.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 51 Mother Fischer—This and Florence Nightingale are rated as the finest of all white Gladiolus. Both are magnificent. Every bulb of Mother Fischer will produce a perfect spike of beautifully ruffled flowers as pure white as new fallen snow.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 54 Noweta Rose—Carl Fischer, one of America's top hybridizers, considers this his most sensational Glad. A true Grand Champion. Straight, strong spikes often 5 feet tall with flowers 5 to 6 inches across, ruffled, a sparkling deep lavender-rose. Plant the bulbs an inch or two deeper than others because the spikes are so tall and heavy. Pictured on page 70.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 58 Pactolus—This new Glad is the most spectacular and brilliantly colored we have ever seen. Reminds you of a bright setting sun in an amber evening. The flowers are nicely ruffled, a glowing apricot-gold with brilliant orange-red blotch.

	3 for	6 for	12 for	25 for
Large...	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 59 Palette—The most unusually colored glad we have ever seen, brilliant vermilion red with a purple blotch. For those of you who want the very latest and something different yet beautiful, try Palette this spring.

	3 for	6 for	12 for	25 for
Large...	50c	90c	\$1.65	\$2.95
Medium.	40c	70c	1.25	2.15

Y 62 Picardy—For many years this was America's most popular Glad. The color is a beautiful light salmon-pink. You may have some but you always want more.

	3 for	6 for	12 for	25 for
Large...	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 67 Red Charm—Without question this is one of the very best crimson Glads grown today. The flowers are large, perfect form, many open at once and come on tall straight stems, all reasons why it is the highest rated deep red.

	3 for	6 for	12 for	25 for
Large...	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 74 Salman's Glory—The name is confusing. Salman is the name of the originator and not the color. In fact it is a huge creamy-white with a large red blotch edged yellow. Big, stately, tall spikes.

	3 for	6 for	12 for	25 for
Large...	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 75 Salman's Sensation—America's top rated blue Glad far better than Ravel or Blue Beauty. The spikes are simply huge, up to 5 feet tall with 15 to 20 florets of enchanting violet blue. This is truly the "sensation" of all Mr. Salman's great Glad introductions.

	3 for	6 for	12 for	25 for
Large...	50c	90c	\$1.65	\$2.95
Medium.	40c	70c	1.25	2.15

Y 65 Sans Souci—Far brighter than pictured on page 70. We picked this new scarlet—as the best of all the new red Glads. Its easy grace, perfect form and glowing color makes it a standout in any planting or any bouquet. Fast becoming an all time favorite with the florists. You will find it on the Grand Champion table at every show.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 71 Sierra Snow—Considered one of the finest new whites. The name is perfect for the tall, strong spikes with large flowers as white as new fallen snow. Many large, ruffled florets open at once. Should be in every glad garden.

	3 for	6 for	12 for	25 for
Large...	50c	90c	\$1.65	\$2.95
Medium.	40c	70c	1.25	2.15

Y 77 Southern Belle—One of the finest new novelties. A rich pink with contrasting ivory throat overlaid with a smoky haze of silvery blue. Tall, perfect spikes of ruffled flowers so unusual and different yet lovely and charming.

	3 for	6 for	12 for	25 for
Large...	50c	90c	\$1.65	\$2.95
Medium.	40c	70c	1.25	2.15

Y 63 Sparkling Eyes—One of the most startling, eye-catching glads we have ever seen, sparkling white with a glowing purple blotch in the throat. Magnificent for bouquets, appealing in the garden.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 79 Spic and Span—Recognized as the greatest of all Glads regardless of color. This Grand Champion is the highest rated of all Glads both by Exhibition and Cut Flower Growers. It has everything a winner should have, beautiful flowers, perfect form, wonderful spikes, excellent grower and rich color. Produces 20 or more ruffled, deep pink flowers on extra long spikes which never crook. Pictured on page 70.

	3 for	6 for	12 for	25 for
Large....	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 73 Spotlight Yellow—Now and then a new variety is created which seems to stand head and shoulders above everything else. Here is just such a Glad. Large blooms of perfect form. The color is a clean, clear, yet brilliant yellow with small red mark in the throat which greatly enhances its beauty.

	3 for	6 for	12 for	25 for
Large....	40c	70c	\$1.25	\$2.25
Medium..	25c	45c	.85	1.50

Y 78 Sweet Sixteen—A pure sparkling light pink that we have never seen in any other flower. Perfectly formed and perfectly spaced flowers on tall stately spikes reaching 5 feet have made this a favorite with glad lovers everywhere.

	3 for	6 for	12 for	25 for
Large...	50c	90c	\$1.65	\$2.95
Medium.	40c	70c	1.25	2.15

Y 76 The Rajah—We rate this new Glad as the finest, most beautiful of all purples. The tall spikes are almost shoulder high, with large ruffled flowers of lustrous true-purple. Makes an ordinary bouquet a prize winner. Every bulb will produce a perfect spike.

	3 for	6 for	12 for	25 for
Large....	50c	90c	\$1.65	\$2.95
Medium..	40c	70c	1.25	2.15

Y 81 Traveler—A delicate rose-lavender. We rate this great new glad better even than the famous Elizabeth the Queen. Traveler has taller spikes, more flowers, finer color. Be sure to try some this spring.

	3 for	6 for	12 for	25 for

Hardy Amaryllis, above

B 151 Hardy Amaryllis (*Lycoris Squamigera*). It is possible to offer this remarkable bulb at such low prices only because we sell them by the tens of thousands. Finest quality bulbs that will thrive and bloom in your garden for years, with more and more beautiful flowers each year. This amazing bulb produces attractive green foliage in the spring. The foliage then dies down. In August the flower stalks shoot up 2 feet tall with large Lily-shaped flowers, a lovely orchid-pink. There are often 8 to 12 flowers on a single stem. Postpaid

Large Bulbs (5-7 inches around). Each 50c, 3 for \$1.25, 6 for \$2.25

P 303 Camellia-Flowered PRINCESS BEGONIAS will provide a continuous, beautiful display of flowers from early summer until frost, from a shady spot in your garden. They are also fine for indoor bloom. These are the double Camellia-type, gorgeous in the garden and perfect for bowl or saucer use. These are Large Bulbs, 1½ to 2 inches across, in thrilling array of colors, copper, crimson, pink scarlet, white and yellow.

Mixed Colors, Each 45c, 3 for \$1.15, 6 for \$1.95, Postpaid

3 NEW HYBRID LILIES

These magnificent hybrid Lilies are the creations of the world's most famous Lily hybridizer, Jan de Graaff. Hardy, easy to grow all over America, they will bloom for you this summer and for years to come. Plant where they receive light shade part of the day. Postpaid.

B 86 Pink Perfection Trumpet Lily—Produces stately stems 4 to 6 feet tall topped with huge clusters of enchanting pink flowers in July.

Selected Bulbs (5 inches or more around). Each \$1.50

B 89 Emerald Trumpet Lily—New, rare beauty. Flowers are icy green with emerald stripes down the outside of the petals.

Selected Bulbs (5 inches or more around). Each \$2.00

B 77 Golden Sunburst Hybrid Lily (*Aurelian*)—These new hybrids are the most vigorous, healthy, and prolific of any hardy Lily we know. Each year they produce more and more beautiful bowl-shaped, reflexed flowers. The range of colors is from soft creamy-yellow through radiant pure yellow to golden orange. The strong 4 to 6 foot stems with dozens of lovely flowers are splendid in the garden or for bouquets.

Large Bulbs (6 to 7 inches around). Each \$1.50, 3 for \$3.75

BB 78 One Each Above 3 Lilies for \$3.00

Cinderella Hanging Basket Begonias, above

Just Imagine—up to 100 magnificent flowers from each bulb!

A fascinating "conversation piece", these dramatic delightful Cinderella Hanging Basket Begonias, created by Antonelli Brothers, give cascades of color in any shady, quiet spot. The double, Camellia type blooms come in a breathtaking range of colors, red, orange, white, yellow and especially lovely pink. Perfect for patio, terrace, veranda or porch, this supremely beautiful Begonia is offered this year for the first time in its improved form, by Inter-State. For the "talk of the neighborhood" try some of these extraordinary Begonias this spring. Your Choice of Colors, Alike or Assorted, Postpaid.

New ROSE-FORM BEGONIAS

Begonias, the most beautifully colored of all flowers, are now available in the ultimate classical form, that which closely resembles the rose. Created by Frank Reinelt, the double blooms often reach 6 inches or more across, sensational in size, color and form. These are large, healthy bulbs, 1½ to 2 inches across that will bloom profusely all summer in radiant colors including white, pink, red, orange and yellow.

Plant Inter-State's Large Flowering Giant Cannas For Continuous Bloom Early Summer to Frost

No other flower will give as brilliant a display all summer and fall as a bed or border of Cannas. WE SEND YOU BIG, EXTRA FINE BULBS. These larger bulbs will produce more and better flowers. Plant them in full sun in good soil when the ground warms up in late spring. Do not plant too early or they will rot in the ground. Water freely in dry weather. Plant 2 inches deep and 18 inches apart each way. As the picture shows, Annuals (see pages 76 to 79) make fine borders for Canna Beds. Among the best are Glitters Petunias, Royal Carpet and Carpet of Snow Alyssum, Persian Carpet Zinnias, Red Head Marigolds, Bachelor Buttons and Nasturtiums. All Cannas are Postpaid.

BIG BULBS, Varieties Alike or Assorted, Your Choice Postpaid

Each 35c, 3 for 85c, 6 for \$1.45, 12 for \$2.45

B 90 **City of Portland**—Beautiful, large flowers of rich, rosy-pink with deep green foliage. Grows only 3½ feet tall.

B 91 **Richard Wallace**—Clear bright yellow. Large flowers right up to frost. Green foliage, grows 4 feet tall.

B 93 **Hungaria**—One of the finest pink cannas. Large heads of broad petaled flowers, a bright glowing rose-pink. Green foliage. 4 feet tall.

B 97 **President**—For many years this has been America's favorite Canna. All through the season it produces large bright red flowers. Grows 4 feet tall. Green foliage.

B 94 **Red King Humbert**—Large, brilliant orange-scarlet flowers until frost. Purple-coppery-bronze foliage, 4½ feet.

B 98 **Yellow King Humbert**—Large flowers of golden yellow heavily flecked with red. Green foliage. 4½ feet tall.

TUBEROSE

Mexican
Single Flowered

B 299 Flower spikes 30 to 36 inches tall, with very fragrant, waxy-white flowers from July to frost. Very fine cut flower as a single spike will perfume a room. Often 20 or more flowers on a single plant. Grows in full sun or part shade. Plant the bulbs outdoors after all danger of frost is over and the ground has become warm, covering with 2 inches of soil. For earlier blooms, you can start them indoors in pots and transplant outdoors when danger of frost has passed. They are attractive in the border and excellent for cutting. Dig in the fall and store just like Glad bulbs. Our Large best quality No. 1 Bulbs will produce far more flowers than the small No. 2 size.

Large No. 1 Bulbs, Postpaid

3 for 65c, 5 for \$1.00

Grow Prize Dahlias

Dahlias are the largest and most beautifully colored of all the late summer and fall flowers. Easy to grow, we send simple planting instructions with every order. For exhibition, nip off the side branches allowing only a few main stems to grow. For lots of flowers, nip the ends of the main shoots when only a foot or so tall, making them branch. A young, small to medium-size bulb will do much better than a large, sappy, over-grown bulb. Even though Dahlias are planted late, we suggest that you order them early. They will keep perfectly in a moderately cool place, until planting time. ALL DAHLIAS ARE POSTPAID.

Just look at these low prices for fine Dahlias
—All will bloom this late summer and fall.

Giant Dahlias

B 6 Avalon—We rate this the best all-around yellow Dahlia. Perfectly formed large flowers freely produced on strong stems. Starts blooming early in the season and keeps it up until frost. Never fails to please you. . . . **Each 65c**

B 17 Commando—Immense, deep flowers almost a foot across of enchanting lilac-blue. One of the most spectacular Dahlias we have seen. It certainly has won many blue ribbons. . . . **Each 75c**

B 24 Sunrays—New and very scarce. The huge, 10 to 12 inch flowers are a gorgeous buff-bronze. When this blooms in your garden you will call your friends and neighbors to show off this magnificent Dahlia **Each 85c**

B 25
Pride of Holland—
 the finest, most beautiful pink Dahlia ever created. Cactus type flowers, 5 to 6 inches across. **Each \$1.00.**

You who delight in raising large blooms will want these six outstanding Dahlias. Give them a little attention and you can grow flowers as large as dinner plates, 8 to 10 inches across, and brilliant as a beacon light.

B 19 Man-O-War—A sensational new variety, by far the finest red we have ever seen. The huge flowers are a striking rich crimson, 8 to 10 inches across on strong stems. . . . **Each 85c**

B 21 Rosy Morn—This new variety is absolutely the finest giant pink we have ever seen. The loveliest, brightest, glowing pink. Very free blooming on strong stems. . . . **Each 85c**

B 13 Kemp's White Wonder—The best all purpose white we know. The flowers are large, perfect shape, freely produced on strong stems, all through the season. . . . **Each 65c**

PHLOX, TWINKLE, 1957 All America Winner

860 **Phlox, Twinkle**—This new annual phlox is simply covered with a twinkling mass of star-shaped flowers from July to Frost. Makes a delightful bedding or edging plant only 6 inches tall. Comes in an enchanting array of mixed colors, shades of pink, salmon to rose, reds, lavender and purple, some solid colored, others in brilliant bicolor combinations.

Pkt. 35c

PETUNIA MAYTIME 1958 All America Winner

865 **Petunia, Maytime**—Another new color in the F₁ Hybrids, the finest of all Petunias, a lovely light salmon-pink. The ruffled and fringed edges also add to the exquisite beauty of the large 3½ inch flowers. An outstanding grandiflora, vigorous, free-blooming that makes a compact plant 12 inches tall and over a foot wide.

PETUNIA, GLITTERS, 1957 All America Winner

858 **Petunia, Glitters**—This new F₁ Hybrid is the first real red and white bicolored Petunia to win an All America Award. Makes a compact plant only 8 inches tall, excellent for bedding, borders and edgings. The 2-inch flowers cover the plants from late spring to frost. And it is lovely in arrangements. The red and white star effect is remarkably uniform in all Glitters' flowers. This was the brightest Petunia in our trials last season, a Fire Chief red with pure white stripes. Healthy and vigorous.

Pkt. (150 seeds) 35c

PETUNIA, RED SATIN, 1957 All America Winner

859 **Petunia, Red Satin**—This new All America Winner is the richest red of all Petunias. It is even more brilliant than Comanche, a lively bright orange-red. Red Satin is a F₁ hybrid multiflora type that blooms constantly all summer and fall up to frost. A vigorous grower that makes a compact mound about a foot across and less than a foot tall. By far the outstanding red Petunia in our trials last summer.

Pkt. (150 seeds) 35c

INTER-STATE'S GUARANTEED-TO-GROW FLOWER SEEDS!

183 Pansy, Giant Superb Mixed (6)—A large flowering strain in a beautiful color range. **Pkt. 15c**

308 Pansy, Super Swiss Giants (6)—For size, color, and free blooming qualities this garden favorite is unsurpassed. **Pkt. 15c**

196 Poppies, American Legion (30)—Brilliant scarlet that brightens your flower garden. Reseeds itself, lasts for years. **Pkt. 15c**

209 Portulaca, Rose Moss, Dbl. Mixed (4)—Delicate green foliage covered all season with bright colored flowers. **Pkt. 15c**

225 Snapdragon, New Tetra (30)—These new Giant Ruffled Tetraploid Snapdragons are the largest flowered of all. Distinctly ruffled with richer, brighter, clearer colors, beautiful tone blendings. **Pkt. 15c**

SNAPDRAGONS

226 Snapdragon, Super Giants, Rust-proof (30)—A mixture of our own selection, taller and bearing larger blossoms. **Pkt. 15c**

228 Strawflowers, Everlasting, Mixed (20)—Especially selected for your winter and decorative bouquets. **Pkt. 15c**

243 Salvia, Splendens, Globe of Fire (16)—Continuous blooms of brilliant scarlet for your borders, beds and window boxes. **Pkt. 15c**

244 Tithonia, Torch—Waist high, bushy plants with brilliant orange-scarlet, single, dahlia-like blooms. **Pkt. 15c**

248 Verbena, Giant Hybrids (10)—Fine for borders, beds, boxes and among tall growing plants. All colors mixed. **Pkt. 15c**

INTER-STATE'S TESTED, GUARANTEED-TO-GROW

Vegetable Seeds!

Our Seed Guarantee

We guarantee our seeds to be of the best quality and to grow in your garden. Otherwise, we will replace them free.

When you see this mark (*) before the name of a variety, it means that we recommend it especially for quality and productiveness in the home garden. The number following the name indicates the approximate days from planting until ready for use. Complete easy-to-follow Planting Instructions are printed on every seed packet.

IMPORTANT NOTICE...

If you order both Seeds and Nursery Stock, please write your Seed Order on a separate Order Blank or sheet of paper. Seeds and Nursery Stock are not shipped together. Be sure to write your full name and complete address, plainly, on both sheets. ALL SEEDS ARE POSTPAID!

FREE! Make your SEED ORDER total \$2.00 or more and we will include FREE some packets of seeds worth 45c or more.

K 23 Nitragin Only 25c

Be sure to inoculate your Beans, Peas and Sweet Pea Seeds with Nitragin. It greatly increases the yield. A garden size packet is enough to treat 3 or 4 pounds of all 3 seeds.

**Have Earlier,
Larger, More
Tomatoes
by using
Blossom-
Set**

You will have Earlier, Larger, Meatier and More Tomatoes by using "Blossom-Set," an approved plant hormone. Tested by U.S.-D.A. and leading universities. Easy to use, just mix with water. It makes the fruit set better, prevents the falling of the first blossoms. The tomatoes will ripen 2 weeks or more earlier. The plants will produce larger, firmer, meatier fruits with fewer seeds, better flavor and richer color. Use it also on CUCUMBERS, EGG PLANTS, PEPPERS, SQUASH. Makes them produce more and better. Full instructions on the bottle. Guaranteed satisfactory. Postpaid.

**K 30 4-Ounce Bottle for 85c
Makes 1 Gallon**

**K 31 16-Ounce Bottle for \$1.95
Makes 4 Gallons**

BLOSSOM-SET AEROSOL BOMB

Convenient, ready to use, no mixing. All you do is push the button. Contains 12 ounces of Blossom-Set, a season's supply for 100 plants.

K 32 Each \$1.95 Postpaid

**Postpaid and Guaranteed to please
you when you receive the bulbs
and also when they bloom this
summer.**

If bought by name these Glads
would cost 3 times as much or more.

Gladiolus are the finest of all flowers for cutting and so easy
to grow. Customers from coast to coast have written us telling
how delighted they are with this collection. We believe it is the
finest mixture in all America. It is strictly high-class, hand-made
by us from fine named varieties. Contains all the gorgeous
gladiolus colors, from white to almost black, with many shades
of red, pink, yellow, lavender, purple, orange and blue.

When they bloom this summer you will recognize many of the
varieties described on pages 71 and 72. The flowers are large,
4 to 6 inches across, many ruffled, on tall, sturdy stems. We
offer 2 sizes of bulbs. The LARGE bulbs are 1 1/4 to 1 1/2 inches
across (diameter) and the FINE bulbs are 1 to 1 1/4 inches across.
Both sizes will bloom this summer, the larger bulbs producing
bigger spikes. Glads are so easy to grow all over America. Just
plant them in ordinary soil, 5 inches deep. Make your first
planting in early April. Then plant at 2 week intervals until
middle of July. You will have flowers from mid-June to frost.
Easy-to-follow Planting Instructions sent with each order. Plant
plenty; how handy it is when you can go out in your garden
for a needed bouquet.

IVORY FASHION

AMERICA'S
NO. 1 *Floribunda Rose* FOR 1959

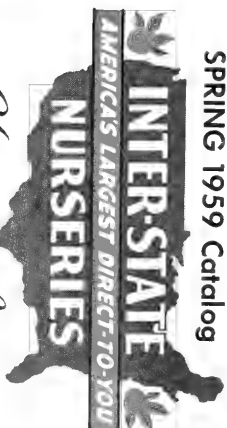

Will Bring Glistening White Beauty to Your
Garden This Spring, Summer and Fall!

C 73 IVORY FASHION (P.P. 1688) is truly America's No. 1 Floribunda Rose for 1959. Winner of the All America Rose Selections Top Award for 1959, the highest honor a rose can win, this sensational new variety will bring sparkling white beauty to your garden THIS spring, summer AND fall and for many years to come. The long slender glistening white buds open into delightful 3- to 4-inch flowers with delicious fragrance. The lovely ivory-colored flowers have the same charm and grace of their famous parent, Fashion. Also like Fashion, it grows vigorously, has luxuriant foliage and blooms profusely from June until freezing weather in the fall. So beautiful it will easily become America's most popular White Floribunda Rose. Ivory Fashion grows 30 inches tall and makes an ideal plant for beds, borders, a flowering hedge that will be the talk of the town or for planting under picture windows. Anywhere you plant it, Ivory Fashion will help make your home more beautiful.

Inter-States' Hardy AMARYLLIS

B 151 Hardy Amaryllis (*Lycoris Squamigera*). It is possible to offer this remarkable bulb at such low prices only because we sell them by the tens of thousands. Finest quality bulbs that will thrive and bloom in your garden for years, with more beautiful flowers each year. It produces attractive green foliage in the spring. The foliage then dies down. In August the flower stalks shoot up two feet tall with large Lily-shaped flowers, a lovely orchid-pink. There are often eight to 12 flowers on a single stem. Perfectly hardy here but we do not advise planting in cold states like Minnesota. Large bulbs, five to seven inches around. Plant four to five inches deep. POSTPAID.

Here is an opportunity to get genuine Inter-State roses at a **SPECIAL LOW PRICE**. These are exactly the same fine varieties as described on other rose pages but the plants are medium size 2-year number 1½ grade, field-grown. They are labeled as to color rather than by name.

We assure you that you will have beautiful, fragrant roses and lots of them, **THIS SUMMER**, and many summers to come. Order them early, **PLANT THEM EARLY THIS SPRING** and in a few weeks you will be cutting the lovely flowers.

You can grow roses in ordinary garden soil, in full sun or part shade. With each order we send easy-to-follow planting instructions. It also explains the simple winter protection needed in the cold states.

Inter-State roses are famous throughout America. Enjoy them in your own garden. We guarantee these roses to please you when you get them and also when they bloom. Shipped postpaid, trimmed for planting.

Ballerina

Fabulous Super Ruffled Double Tuberous Begonias

Only once in many years is a new creation so outstanding that it makes everything before it seem commonplace. Such is the new fabulous Super Ruffled Double Tuberous Begonia, Ballerina, created by the greatest Begonia Hybridizers in all the world, Allan Brown and Frank Reinelt. They combined the best qualities of the Camellia and Carnation types. Never in all our years of bringing gardeners the newest and the best, have we seen a flower so enchantingly beautiful. Truly supreme in beauty, vigor and splendid form, with infinite variations of frills, ruffles and scallops. Extra large flowers, 5 to 6 inches across with many even larger. You will find nothing to compare with them. Normally a new Begonia so far superior would sell for \$2.00 each or more, but now we offer you Ballerina, the flower sensation of 1959, for this special low price. Their popularity will sweep the nation like a tidal wave. Plant them in shade, especially afternoon shade, for spectacular big blooms, full to the center, banks of showy, brilliant color all summer long. Be the first in your neighborhood to grow Inter-State's Ballerina Begonias. They will bloom this season, the center of attraction, your special joy and delight. We expect an avalanche of orders so suggest ordering early. If you want to start them indoors, the bulbs are ready for shipping January 15, 1959. Please mention on your order if you want them early.
